Summary

A very close second in a maiden on the turf here at the end of September, (5) DIGRESSION is a progressive filly and should not be long before going off the mark. (10) LA MONTAGNE SAINTE takes a significant drop in distance and will be one to monitor very closely. (3) ELWIND ran better than placing shows in the Listed Grand Criterium at Bordeaux last time out and can be in the mix too.

Selections

(5) DIGRESSION - (10) LA MONTAGNE SAINTE - (3) ELWIND - (4) BAILEYS COURAGE

Summary

Not easy to chose between the two Godolphin horses but it could be safe to go with stable jockey Mickael Barzalona and (8) GANBARU. (1) MOWAEVA had shown a nice potential before he went off for the summer break and is worth considering. (5) TROILUS steps down in grade and can bounce back to form. Watch for (4) MAITRE D'ARMES.

Selections

(8) GANBARU - (1) MOWAEVA - (5) TROILUS - (4) MAITRE D'ARMES

Race 3

1. AGOSTA - Has generally been consistent in this division in 2019 and should give this a good go
2. LOS ALTOS - Went off the mark on 22nd attempt in a modest race at Wisembourg in June. Unplaced in two starts since

Summary

She looks a solid candidate once again and gets the vote ahead of (5) JASMINE A LA PLAGES who posted an excellent late finish effort in her last run. (15) NORWEGIAN LORD is back on form and should make an impact with only 50.5 kg to carry.

Selections

(1) AGOSTA - (5) JASMINE A LA PLAGES - (15) NORWEGIAN LORD - (3) ACTION PARFAITE

10. LADY'S MAID - One place from two runs last spring. Off since 22 April and is hard to assess

Summary

(7) ECOLO has never run on fibresand but brings some serious turf form into the race and looks the one to be on. Except for his last run, (1) EAGLEWAY has been a good servant all season and must be given another chance. (8) ALKAWTHAR is a different filly since racing on the fibresand.
