

## **RACE BY RACE PREVIEWS: GREYVILLE POLYTRACK@2020.07.08**

### **Greyville Polytrack, 08.07.2020, Race 1, Gallops, 1200m, Poly, R70.000, 11:55GMT+2**

**Race Summary:** Nice race as a few will be worth following - well bred newcomers in the hunt, watch the betting moves closely. But two raced runners from the Cape GOLLY MISS MOLLY and EYE CATCHING may hold the aces. The former didn't show much on debut but the run is best forgiven and the well bred sort would have improved a lot from that. EYE CATCHING was a good third at Scottsville and may hold match fitness. CELTIC VISION is another with a fair bloodline and she has shown some potential.

#### **Selections:**

#11 Golly Miss Molly, #10 Eye Catching, #8 Celtic Vision, #2 Capulet's Heart

### **Greyville Polytrack, 08.07.2020, Race 2, Gallops, 1200m, Poly, R70.000, 12:30GMT+2**

**Race Summary:** BURNING WINGS turned in an impressive debut running second behind a heavily backed and obviously promising individual. He should be hard to beat from draw one but watch out for the first timers. LEGITIMATE is beautifully bred son of Dynasty - he is from a family of Grade 1 winners and not one to take lightly. CELESTIAL LOVE was second to a forward one on debut in the Highveld- must respect.

#### **Selections:**

#1 Burning Wings, #5 Legitimate, #3 Celestial Love, #2 Glory And Sunshine

### **Greyville Polytrack, 08.07.2020, Race 3, Gallops, 1200m, Poly, R70.000, 13:05GMT+2**

**Race Summary:** As with the previous race there are plenty newcomers to the racing scene and the betting will be a good pointer to their ability. However MASANGO MACHINE had a fair experience on debut and is set to improve. With the experience he should take full advantage. VALENCIA won his trial and needs to be considered even if racing from a wide draw. SUPER AGRA and BERNIE'S DREAM could be the debutants to watch.

#### **Selections:**

#5 Masango Machine, #11 Valencia, #4 Super Agra, #1 Bernie's Dream

### **Greyville Polytrack, 08.07.2020, Race 4, Gallops, 1000m, Poly, R70.000, 13:40GMT+2**

**Race Summary:** HAREBELLE looks very well placed. She showed potential in her trial but proved in need of her debut at Scottsville. She would have made any amount of improvement in the last six months and has secured a decent draw. Follow the betting action. CANTATA CHOIR could take full advantage if the former along with the newcomers aren't ready. She should have won by now. HUPERNIKAO, CHANEL ALLURE, WILD WING and TO DO RON RON must be respected.

#### **Selections:**

#3 Harebelle, #10 Cantata Choir, #7 Hupernikao, #6 Chanel Allure

### **Greyville Polytrack, 08.07.2020, Race 5, Gallops, 1000m, Poly, R70.000, 14:20GMT+2**

**Race Summary:** SHE'S A CRUSADE looks the form choice and has the speed to overcome her gate and make them chase hard to the wire but this is a fillies and mares handicap. BLACK FERRARI is the dark horse.. She is a youngster that had shown potential upcountry. Best of the draw on poly debut. GINGER BISCUIT is rounding into the form needed to win but along with VALERIANA has not secured a plum draw. Most have claims - go wide.

#### **Selections:**

#9 She's A Crusade, #1 Black Ferrari, #10 Ginger Biscuit, #12 Valeriana

**Greyville Polytrack, 08.07.2020, Race 6, Gallops, 1200m, Poly, R70.000, 14:50GMT+2**

**Race Summary:** CAPTAIN ELLIODOR is highly regarded and could be ready to pick up from where he left off. He did confirm the promise he showed in the West Cape. HEY BOY and MOJITO MAGIC were eye catching in their polytrack runs after the break. HEY BOY has the better of the draw and he can finally score his overdue third career win. MOJITO MAGIC can only improve in his second poly run. MASTER TOBE and KINGSTON ROCK show good pace and must be considered.

**Selections:**

#8 Captain Elliodor, #5 Hey Boy, #1 Master Tobe, #11 Mojito Magic

**Greyville Polytrack, 08.07.2020, Race 7, Gallops, 2000m, Poly, R70.000, 15:25GMT+2**

**Race Summary:** CATCHAFALLINGSTAR ran a fair race on local debut and is expected to improve. IRISH WONDER GIRL finished just ahead of her in that feature race and is not one to take lightly-she has experience on the poly. RAILTRIP last won on the poly and has the class to bag this as well. CONNECT ME and DIAMONDSANDPEARLS are both hardy frontrunners that could keep finding-tough race.

**Selections:**

#4 Catchafallingstar, #5 Irish Wonder Girl, #9 Railtrip, #1 Connect Me

**Greyville Polytrack, 08.07.2020, Race 8, Gallops, 1600m, Poly, R70.000, 16:00GMT+2**

**Race Summary:** TOMMY GRAND was beaten a neck after the enforced break. He will be fitter and has a similarly positive draw so could go on to score. GREEK SWORD is a lot better than his recent form. He has the best of the draw and could make it count. BRASS BELL has been brought along steadily and could be strong enough to make a bold bid today. Watch for betting support. PLYMOUTH ROCK has a powerful finish, could be ready after rest and dangerous even if having drawn widest. More in it.

**Selections:**

#3 Tommy Grand, #1 Greek Sword, #10 Brass Bell, #12 Plymouth Rock

**Greyville Polytrack, 08.07.2020, Race 9, Gallops, 1400m, Poly, R70.000, 16:35GMT+2**

**Race Summary:** SAPPHIRE ROCK is back in Kzn. She should have won by now but has flattered only to deceive. She should have matured and the poly surface could be her calling. WICHITA obviously improved back home, she went close last time, and could do so again. She will surely improve on her previous poly runs. BLUE WINTER may take full advantage from a handy barrier. EXCESSIVE GRACE is race fit and has the best of the draw. JOYFUL WINTER and PALMEART must have claims. More can improve.

**Selections:**

#7 Sapphire Rock, #8 Wichita, #2 Blue Winter, #1 Excessive Grace

**Best Win:** #1 BURNING WINGS

**Best Value Bet:** #4 CATCHAFALLINGSTAR

**Best Longshot:** #4 CATCHAFALLINGSTAR
