## Race 1

1. ROBIN DU BOIS - Placed in his first two runs at Clairefontaine but not so sharp last time out
2. HONGBAO - Very good second on debut at Compiègne in June and there should be a lot more to come
3. BIZERTA - Both runs came at this venue in March and April and second each time. Very big chance
4. CARPIO - Finished third on debut at Saint Cloud last month and one place ahead of Variyann. Will be a player here for sure
5. BILLY DE LA ROCHE - Unplaced on both runs at Le Touquet and Compiègne and will do better when handicapped
6. DJANGO - Well beaten on debut at Dusseldorf last month and has a big task on hands

## Summary

Andre Fabre can do no wrong and is having a season to remember. Here he supplies the answer to this maiden in (3) BIZERTA. The Le Havre colt was second on both runs to date which came at this venue in March and April and on a line through Reliable Son, has the beating of (4) CARPIO who should finish second here. (2) HONGBAO and (5) BILLY DE LA ROCHE can follow home.

## Selections

**(3) BIZERTA - (4) CARPIO - (2) HONGBAO - (5) BILLY DE LA ROCHE**

## **Race 2**

1. LOST IN FRANCE - A triple winner from ten outings including last time out at Compiegne. Very much in form
2. LIEZ - A newcomer by Sidestep out of a Elusive Quality mare. Best watched here however
3. ON YOUR MARKS - Unplaced in both outings so far but has shown ability in those to be fair
4. KONGASTET - Placed in four of his seven outings and only a matter of time before gaining a success
5. AKYO - Placed in four of six outings and runner up in two of those. Chance here
6. MADE IN BARELIERE - Well beaten tenth on debut at Nancy and will have to improve a good deal on that
7. HIGH CHARM - Placed in four of his five outings and looks to have some sort of chance
8. DIAMONDS FOREVER - Ninth on debut at Deauville but a better effort last time at La Rose Posay
9. LOCMARIA - A newcomer by Outstrip out of a Mastercraftsman mare and starting at a low enough level
10. TWO PENNY'S - Unplaced on all three outings and will do well to get anyway close here either
11. KIKANA - One third place finish from seven outings and maybe will have to wait for another day
12. NACHTSTERN - One place from three starts and could well run well at a price here today
13. GO CANADA - Placed in three of eight outings including a third at Fontainebleau last time out
14. WARDACHAN - Fourth on the last of four runs which came here and will need to be doing even better

## **Summary**

This two year old claiming event looks wide open so bets should be kept to the minimum. (1) LOST IN FRANCE is just about given the vote. The daughter of Epaulette won very well at Compiegne last time out and should remain in form for this task. (4) KONGASTET will be on the scoresheet very soon if not today. (12) NACHTSTERN and (14) WARDACHAN may improve.

**Selections**

**(1) LOST IN FRANCE - (4) KONGASTET - (12) NACHTSTERN - (14)  
WARDACHAN**

### **Race 3**

1. NI CHAUD NI FROID - Third on both runs so far in a claimer at Saint Cloud and here last time out
2. SHARELA - Placed in two of her eight runs but would appear to have a great deal to do here
3. AIGRETTE MOTETTE - Runner up on debut at Saint Cloud last month for big connections and will have every chance
4. DUKESSA - Still a maiden after thirteen runs and surely is too exposed to have any hope
5. SOLKIA - Seventh on debut at Compiegne. Runner up at Vichy and than fourth at Saint Cloud. Chance of frame
6. OLYMPIC LIGHT - Third in first two runs at Deauville and Compiegne and then fourth at Maisons Laffitte. Will be winning soon
7. EPHEMERAL - Runner up in two of three starts and they came at Clairefontaine on debut and latterly at Chateaubriant
8. CELTIC GLORY - Eighth on debut at Sable Sarthe and will have to do a whole lot better
9. SHARQI - Unplaced on all three attempts in Britain and has a very big task on here
10. NOBLE MELODY - Fourth on debut at Maisons Laffitte and then a lesser eleventh at ParisLongchamp

### **Summary**

It just keeps getting better for the amazing Fabre and he teams up here with the owners of Waldgeist and they can strike once more in this three year old maiden with (3) AIGRETTE MOTETTE who looked one to follow on debut when a promising runner up at Saint Cloud last month. She ought to go one better. (5) SOLKIA and (1) NI CHAUD NI FROID look next best with a hope for (7) EPHEMERAL too.

#### **Selections**

**(3) AIGRETTE MOTETTE - (5) SOLKIA - (1) NI CHAUD NI FROID - (7) EPHEMERAL**

## Race 4

1. TONNENCOURT - A dual winner from seven outings. Third in a Toulouse Listed last time out
2. ALEXANDER JAMES - A winner in Britain from four starts at Southwell and off the mark on first run in this country at Maisons Laffitte
3. ARAMHES - Runner up on debut at ParisLongchamp before two hugely impressive wins at Maisons Laffitte and here. Could be anything
4. ROCQUEMONT - Four wins from ten starts and was going for four in a row when second in a Listed at Marseille Borely last time
5. AHESTA BERO - Just the four outings and won two of those. Did it nicely at Compiegne last time out
6. DAVE - One success from eight runs. Placed in four of last five including runner up in Group Three at Deauville two goes back
7. RIDAA - Just the four runs and won two in a row before a fourth at Compiegne last time out

## Summary

(3) ARAMHES was a non runner recently but makes the line up today and everyone will be on the edge of their seats wondering whether this son of Kendargent might be the second coming or not. He looks to have everything in his locker and could go all the way to the top. (5) AHESTA BERO will have something to say and keep the selection honest. (1) TONNENCOURT and (4) ROCQUEMONT can fight for third.

## Selections

**(3) ARAMHES - (5) AHESTA BERO - (1) TONNENCOURT - (4) ROCQUEMONT**

## Race 5

1. AZER - Four wins from seventeen and has been ultra consistent of late and major chance
2. ALKAWTHAR - Lightly enough race with one win from eight runs. Tenth here last time out
3. IMPROVISING - One win from two dozen starts. Third here last time out which was fair
4. GARDOL MAN - Just the five runs and placed in the first three of those. More needed but unexposed
5. GAUR D'EMRA - One win from eight and placed in three of the others. Still plenty more to come
6. SPINALUNGA - Unplaced in just the three runs. Mark awarded seems a bit on the harsh side
7. VULCANUS - Remains a maiden after eight runs but was runner up on penultimate one of those at Compiègne
8. I'M FREEZING - Placed in two of her nine outings but basically has a huge task on hands here
9. JAAYIZ - A dual winner from twenty one runs and has been in good heart in latest three races

11. REALITYHACKING - Still a maiden after thirteen runs and form seems to be regressing if anything now
12. WOOTTON GREY - Placed in eight of twelve runs and was runner up in six of those. Sure to collect sometime
13. LA PERGOLA - Made it win number two from fifteen when scoring here last time and must be recognized
14. FLAMING HEART - Placed in five of nine runs and runner up here last time. Not without a chance
15. KANNON - Placed in eight of fifteen runs but will most likely have to wait for another day
16. NAVALMORAL - Placed in four of eleven including third here on penultimate start. More to do
17. JOUET D'OR - One win from nine runs. Finished sixth in last two including at this venue

## **Summary**

This is the first of four monster fields to decipher for punters. It is a three year old handicap. (3) IMPROVISING may be worth chancing. She has only won once from two dozen starts but could not be in better form and therefore worth a small bet with Boudot on top. (13) LA PERGOLA won nicely at this venue last time out and will make a bold bid. (14) FLAMING HEART and (9) JAAYIZ make some appeal too along with (17) JOUET D'OR.

## **Selections**

**(3) IMPROVISING - (13) LA PERGOLA - (14) FLAMING HEART - (9) JAAYIZ -  
(17) JOUET D'OR**

## **Race 6**

1. EAGLEWAY - Four time winner from sixteen outings including a Listed race at Maisons Laffitte in June. Consider
2. BRAZING - Off the mark in a handicap on the PSF at Deauville in August. Sixth in a handicap here last month
3. TUDO BEM - Three times a winner from twenty three starts. Was in good form earlier this season
4. WE GO - A two time winner from eleven career starts. Placed at Listed level and must be respected here
5. SHIKAMI - Only win so far was over 1800m in Milan. This is a much tougher race. Others are preferred
6. MERI SENSHI - Broke her maiden tag when winning a maiden at ParisLongchamp in June. Good third in a handicap at Deauville in August
7. BONARDA - Four time winner from twenty three including a claimer here last month. Up in class today
8. NASHIRAH - Had a few of these behind when winning a Class 2 race at Fontainebleau last month. Can be in the mix
9. FUNNY VALENTINE - A three time scorer from eleven outings including a handicap on the turf at Deauville in July. Place claims
10. FONTHILL ABBEY - Runner up on her debut here in April and a fair fourth in a Class 2 race at Maisons-Laffitte in May. Interesting
11. COLLECT CALL - Placed in three of seven runs in the UK and runner up in a maiden at Le Mans last month. More needed

## **Summary**

Placed in her first three starts in France (8) NASHIRAH had a couple of these behind including the former Listed winner (1) EAGLEWAY when winning a Class 2 race at Fontainebleau last month. She can confirm those placings today. (4) WE GO was a close third in a Class 1 race at Fontainebleau last month and must be respected. (10) FONTHILL ABBEY is also interesting.

### **Selections**

**(8) NASHIRAH - (1) EAGLEWAY - (4) WE GO - (10) FONTHILL ABBEY**
