Selections

**(1) MYFRIENDRICH - (7) JEVOUSVOISENCORE - (3) PACHADARGENT - (6)
MERCİ CAPUCINE**

Race 2

1. INATTENDU - Was raised 3 Kg today for his win in a handicap over 1600m on the PSF at Chantilly in November but was a good second to (3) EL CALIENTE over 1500m here on the turf last month. Can go close

4. SILBERPFEIL - She has won two of her eleven career outings including a Class 2 race at Marseille Borely in September. Fourth to (3) EL CALIENTE here on the turf last month. Not ruled out
5. MILLE SABORDS - Had a few decent efforts in handicaps over the past year including fifth at Chantilly early last month and won a Class 2 handicap on the turf here last time out. Raised 2 Kg in the weights today

Chantilly last time out in November. Stiff test today

16. WHAT DO YOU SAY - One win from ten career outings but already has an uneven profile so hard to predict. Disappointing in a couple of handicaps here last month, on the PSF and on the turf. Needs to improve

Summary

(10) BOB THE KING won a couple of claimers over 1500m at Deauville and Marseille Vivaux in December and was fourth in a handicaps on the turf and on the PSF here last month. He looks well handicapped and gets the vote ahead of (1) INATTENDU who won a handicap over 1600m on the PSF at Chantilly in November and must be respected with Soumillon on board today. (4) SILBERPFEIL and (8) YSSINGEAUX are two more to consider and (3) EL CALIENTE can also be in the mix.

Selections

(10) BOB THE KING - (1) INATTENDU - (4) SILBERPFEIL - (8) YSSINGEAUX - (3) EL CALIENTE - (6) THE CHOSEN ONE - (7) KATDAR - (2) PEDRO STAR

Race 3

1. MITZAH - A two time winner from twelve runs. Well beaten ninth at Marseille Vivaux in a handicap last month
2. SWING THE STAR - Reasonably talented and consistent colt who has some decent form on the PSF. Respected
3. GENERAL HEART - Third in a claimer on the PSF at Deauville last time out on August 13th. Likely to need the run today

6. ANECDOTIC - One time winner from eleven starts and needs to improve on recent form to play a role
7. BOBYDARGENT - Had a good start to last year on the fibresand but not so effective since then. Place prospects
8. PUNJAB MAIL - Fifteen start maiden in the UK and was fourth in a claimer on the turf here seven days ago
9. PASSION RETURN - Two wins from six starts in Italy. Has not run since last June and is hard to recommend
10. COIGNY - Creditable last couple of efforts here over course and distance. Faces a tougher test today
11. FIONA - Placed in two of her five outings and was a fair sixth in a handicap at Deauville in December

Summary

(5) WOOKIE won a maiden race over course and distance here last winter and ran well in a couple of Listed races after that. He is likely to improve from his run in a handicap here last month and is the selection today. (4) SIR GEORGE was a fair second on his return here last month and is a danger. (2) SWING THE STAR and (7) BOBYDARGENT can make the frame.

Selections

(5) WOOKIE - (4) SIR GEORGE - (2) SWING THE STAR - (7) BOBYDARGENT

Race 4

1. HERNAN - Deservedly off the mark in a claimer at Deauville last month and should be afforded respect

3. SPIRET - Won a handicap at Deauville in December and second in a Class 2 race at Chantilly last month
4. MA BOY HARRIS - One win from ten which came in a claimer here last month. Fair third in a handicap here since

6. INDAR - Is zero wins from eight but has placed in his latest few and will have a place chance again today
7. WILSHIRE - Unplaced on all four career runs to date. Sixth behind (2) MUZY here last time out
8. GALLOON - Still a maiden after thirteen runs but has run well on a few occasions. More needed here
9. EASYPOLISHADIAMOND - Fourth of seven behind Tepeka in a maiden over this trip here last week. More required
10. WHITE ELUSIVE - Placed a few times in her eleven starts but needs to pull out a fair bit more to have a chance here
11. CHALEOCCA - Just the one place in her six outings and surely has to do a lot better to feature today
12. HARD ROCK - Has not shown much ability in five career starts to date and is unlikely to pose a threat

Summary

(2) MUZY had a few of these behind when winning a handicap over course and distance here last time out. Despite a 3 Kg penalty today he can get the better of (1) HERNAN who deservedly got off the mark when winning a claimer over this trip at Deauville last month. (5) GIN GEMBRE and (4) MA BOY HARRIS are also interesting.

Selections

(2) MUZY - (1) HERNAN - (5) GIN GEMBRE - (4) MA BOY HARRIS

Race 5

1. AKYO - Off the mark on fourteenth and last start which came here so will have every chance
2. MOZZARELLA - Finished fourth on the last of three runs which came here and should improve
3. MOLINO - Placed in four of his nine outings and could well do that again here today
4. SAINT ROMAIN - One win from ten runs. Has run creditably in most of the others but a bit to do
5. MISTER BINT - Unplaced on all three starts and has an amount of work to do today to get close
6. HAGAR BERE - One win from five runs and looks decent enough in overall terms. Chance here
7. ON YOUR MARKS -
8. GRAND YAKA - Placed the one time in five outings and needs to better those stats to win
9. MOONLIGHT BREEZE - Unplaced in all five outings and really needs to be doing better than that
10. TERRE DE LEGENDRE - Placed in two of her six runs and could well play some part in this finish
11. EVASIVE MAINTENANT - One fourth place finish in her five starts and must do better is the overall message

Summary

Not too many of these are in any type of form. (1) AKYO is an exception. He got off the mark on his fourteenth and last start and that came here at this venue and as can often with such types, he can go in again. (6) HAGAR BERE is another obvious contender. (2) MOZZARELLA and (3) MOLINO have some sort of chance too.

Selections

(1) AKYO - (6) HAGAR BERE - (2) MOZZARELLA - (3) MOLINO
