

## KOREA: Busan Racecourse – Friday July 12, 2019

### Race 1: Class 6 (1000M) Allowance / KRW 60 Million

The first race to get us underway has a field of ten two-year-olds with eight of them having their first start in a race. It seems hard to go past the runners with experience here and **(8) TWO TWO FAIRY** looks the one to beat coming off a good performance when fourth behind Top Ace. The Hansen filly was beaten less than two lengths when having her first start and should take improvement from the run. **(3) YEONGGWANGUI TIME** comes out of the same race when finishing sixth. The filly should be able to get an economic run from barrier three with Choi Si-Dae taking the reins. **(6) DOCTOR CARSON** was good in his trial when running 1.03.2. Whilst not the fastest time on a wet track he was not fully extended by Jin Kyum. **(5) WONDERFUL FLASH** is another that trailed well and can figure with the right run.

<b>Selections</b>	(8) Two Two Fairy (3) Yeonggwangui Time (6) Doctor Carson (5) Wonderful Flash
<b>Next Best</b>	7, 9
<b>Fast Start</b>	3, 6

### Race 2: Class 6 (1300M) Allowance / KRW 24 Million

A compact field of eight will line up over the 1300m in the second. **(3) MERCI CHERIE** brings the strongest form into a race that lacks depth. The Colors Flying colt finished second last time out in similar company when running on well from a midfield position. If he can sit in the first half, he should take some beating. **(7) THUNDER BAY** is still early in his career and showed improvement last time out. He ran on well last time out and he will get longer to wind up as he steps up to the 1300m for the first time. **(2) BICHUI HOWI** drops back from the mile where she placed last time out. That was her first top three finish from seven starts. **(4) ANGEL KING STAR** will have his second career start after finishing fifth on debut. He is another that can improve.

<b>Selections</b>	(3) Merci Cherie (7) Thunder Bay (2) Bichui Howi (4) Angel King Star
<b>Next Best</b>	5, 1
<b>Fast Start</b>	1

### Race 3: Class 6 (1300M) Allowance / KRW 24 Million

A field of eight lines up in the third once again over the 1300m. **(5) PARADISE KING** was promising on debut when finishing third behind Spice Rock. The three-year-old placed third in a blanket finish last time out when beaten less than two lengths. Top rider Choi Si-Dae will partner the chestnut once again. **(8) MENI QUEEN** was good in a recent trial when winning the event over 1000m. She coasted through the line in the event when running a fair time. **(2)**

**DARUI BADA** ran on well last time out over the 1000m and will appreciate the step up to the 1300m. **(3) PARTY WINNER** drops back from the mile to line up in this event. The four-year-old has finished in the top five on four occasions from six starts.

<b>Selections</b>	(5) Paradise King (8) Meni Queen (2) Darui Bada (3) Party Winner
<b>Next Best</b>	1, 6
<b>Fast Start</b>	1, 5, 8

#### **Race 4: Class 5 (1600M) Allowance / KRW 40 Million**

The fourth on the card is by far the hardest race on the card to assess. With Seo Seung-Un suspended You Hyun-Myung has picked up a handy ride on **(4) YEONGGWANGUI CHEER**. The three-year-old has been racing well of late and backed up his maiden win with a runner-up performance in Class 5 company last time out. He has to carry the 57kg but he looks one of the main chances in a wide open race. **(5) ROSE BULLET** is another that backed up his maiden with a good performance when second behind Karin. Iaonnis Polluis will pilot the three-year-old from gate five which will suit his racing pattern. **(7) PEACE RIDER** placed last time out when third behind Daeho Jilju. He is yet to break maiden status but looks an each-way chance. **(10) BAENGNICHONG** was racing well before a break in weaker grade. The four-year-old has had a trial coming into this preparation.

<b>Selections</b>	(4) Yeonggwangui Cheer (5) Rose Bullet (7) Peace Rider (10) Baengnichong
<b>Next Best</b>	6, 8
<b>Fast Start</b>	4, 5, 10

#### **Race 5: Class 5 (1200M) Handicap / KRW 40 Million**

The fifth on the card has several chances with a field of eleven to line up over the six furlongs. **(7) ULSAN JANGGUN** has been thereabouts in this company at his past few starts and comes off a good performance behind Vega Thunder last time out. You Hyun-Myung will ride the three-year-old who should be an each-way price. **(1) NAEGA SAEGANGJA** goes into this race after trialing mid-June. The Hansen gelding won a Class 6 event last time out in good fashion and has never finished worse than fourth. **(11) BAEJJANG** saluted in similar company last time out and as a result has been elevated in the weight scale. He is every chance of winning again but the outside draw may prove problematic. **(6) NEW JACK SWING** retains the services of Choi Si-Dae after finishing fourth last time out. He looks a place chance at best.

<b>Selections</b>	(7) Ulsan Janggun (1) Naega Saegangja (11) Baejjang (6) New Jack Swing
<b>Next Best</b>	4, 10
<b>Fast Start</b>	1, 7, 11
