**Race Summary:** LUNDY'S LAD has been trying hard over a bit further. On the poly over the shorter trip he could prove very effective. Stands a fair chance. OPENSEA has run good races without winning and may prove a hard test for the former. But he is racing after rest. VALIANT KNIGHT was a big improver last and now has blinkers fitted. MASTEROFALLISURVEY and WHICH PATH could attract support.

**Selections:**

#4 Lundy's Lad, #1 Opensea, #5 Valliant Knight, #12 Which Path

**Greyville Polytrack, 13.11.2019, Race 2, Gallops, 1200m, Poly, R100.000, 13:40GMT+2**

**Race Summary:** KILDONAN BAY did well even though switching from poly to turf last time and she had a wide draw there. She can open her account especially if the blinkers assists her further. ALFONSE BABY is improving as well and should have every chance in this. The pair could fight it out. KATIE'S TREASURE is honest and the longer trip may suit. She has drawn well. More can earn.

**Selections:**

**Greyville Polytrack, 13.11.2019, Race 3, Gallops, 1400m, Poly, R75.000, 14:20GMT+2**

**Race Summary:** ACADEMY AWARD had a bad draw in his comeback run after rest. He ran on well in that and should come on and has a plum draw today. SEEN THE LIGHT has sprinted well in all three official races and on pedigree should relish this longer trip. Could get close. LIFE'S A GAMBLE is lightly raced but has shown potential. He could relish this surface. PIANEMO has drawn best-can show.

#1 Academy Award, #3 Seen The Light, #2 Life's A Gamble, #7 Pianemo

**Greyville Polytrack, 13.11.2019, Race 4, Gallops, 1600m, Poly, R100.000, 14:55GMT+2**

**Race Summary:** Argentine bred QUEEN OF BEAUTY confirmed the potential she showed in her barrier trial in her second start. She enjoyed the longer trip and can only get better. DOWN TO EARTH lost her first try over this track and trip by a short head and as a result rates a big danger. BLUSH OF DAWN did well off wide draws on the poly prior and has pole this time-respect. More can threaten.

**Selections:**

#9 Queen Of Beauty, #2 Down To Earth, #3 Blush Of Dawn, #1 Disney Princess

**Greyville Polytrack, 13.11.2019, Race 5, Gallops, 1700m, Poly, R107.250, 15:30GMT+2**

**Race Summary:** NOBLE JOSHUA has resolved not to get beaten from around mid-year. Indeed he has been unbeatable at Scottsville but now carries big weight back on poly. Will be tested. SEA DANCE was eye catching in his local debut. Could transfer that encouraging performance to the poly first time. POLLARD's last run over further on the turf is best ignored. VICTORIOUS MAN should be there.

**Selections:**

#5 Sea Dance, #1 Noble Joshua, #4 Pollard, #6 Victorious Man

**Greyville Polytrack, 13.11.2019, Race 6, Gallops, 2000m, Poly, R105.000, 16:05GMT+2**

**Race Summary:** SEA VENTURE could be a bit better than her last race which was her second run after rest. She will be at a peak and won her only try over this track and trip. CONNECT ME is proving quite the versatile mare and she could go on to win over this extended trip. Her stable is in good form. ESCAPE CLUB has dropped in ratings and could prove competitive today. RED AL is also capable.

**Selections:**

#7 Sea Venture, #5 Connect Me, #2 Escape Club, #1 Red Al

**Greyville Polytrack, 13.11.2019, Race 7, Gallops, 1900m, Poly, R100.000, 16:40GMT+2**

**Race Summary:** JOSEPH JAGGER rates the form choice and if bringing his form to the poly will be hard to beat. He has drawn a lot better than in some of his latest runs. ALL TIME HIGH runs like the longer trip will be good for him. But he hasn't drawn as well. WHATEVERITTAKES could be anything on the poly. SLEW CITY and TIGER TANK can show more today.

**Selections:**

#5 Joseph Jagger, #6 All Time High, #10 Whateverittakes, #3 Slew City
