A big field of newcomers and this time for the fillies only. Nothing to go on as such so it is mostly guesswork. (1) CHORBA is already related to a good sort and can take it in front of (2) ADANA who also has a nice page. (3) GOLNAR and (9) KANTALUNA may go well. Keep an eye on (4) JUILLEY also.

**Selections**

**(1) CHORBA - (2) ADANA - (3) GOLNAR - (9) KANTALUNA - (4) JUILLEY**

### **Race 3**

1. HANABAAL TUN - A three time winner from twenty six and must have a shout in weak affair

16. SEA WEED - Unplaced on all four attempts and makes zero appeal at this moment in time

### **Summary**

(3) IRISH EMPEROR is taken to score in this class three claimer for apprentice jockeys. It is not a betting medium as such but a few euros on the selection may yield a profit. The four year old gelding is very much in form. (1) HANABAAL TUN might bounce back after last time. (8) NEIGE ETERNELLE and (9) POULFOS are others to consider along with (13) NAMAR.

**Selections**

**(3) IRISH EMPEROR - (1) HANABAAL TUN - (8) NEIGE ETERNELLE - (9)  
POULFOS - (13) NAMAR**

## Race 4

1. COOL REFLECTION - One win from many attempts in Britain. Has not started in two starts in this country

15. HALF LIGHT - A newcomer by Shamardal out of a Singspiel mare. Dam was unraced but two of her three foals have scored

## Summary

A three year old conditions event here over the mile and a difficult looking one for punters to decipher. (12) GRACE BERE might be chancing despite been absent since a very good second on debut at Chantilly in January. She proved there that she can go well fresh. (3) HOLD TRUE and (5) WALDBLUMCHEN are the form

candidates for sure with a lesser chance for (7) SOCRATIC.

**Selections**

**(12) GRACE BERE - (3) HOLD TRUE - (5) WALDBLUMCHEN - (7) SOCRATIC**

## **Race 5**

1. WAREGA - Thrice a winner from eighteen runs and best to forgive a last time out effort
2. KALLIKRATES - Still a maiden after twenty nine runs. Placed in a few of those but more is required
3. HEPTATHLETE - One win from twenty two outings. Others may look better placed for this
4. CIRRUS MINOR - Off the mark on penultimate start of fifteen but not so smart last time out
5. BOMBETTA - Just the one win from twenty six. Fourth at Maisons Laffitte last time out
6. JEREMIADE - Four time winner from eighteen but form not there at all now. Not fancied

8. ARMORICA - Half a dozen wins from sixty five. Was in form prior to a last time out effort
9. NEELANJALI - Three times a winner from forty nine. Would have each way claims here
10. LA BELLE MAYSON - Just the one success from twenty three runs and it is easy to look elsewhere
11. SENZA FINE - Still a maiden after two dozen starts and for seems to be going nowhere now
12. STORMING OUT - Just the one win from twenty but was runner up at Pornichet last time out
13. BROOKE - Five time winner from fifty seven runs. Placed in latest three so not in bad form at all
14. RACHAEL'S ROCKET - One success from forty seven but cannot be looked at here at all so ignored
15. LA RACEUSE - Four time winner from forty seven outings. Must even better a last time out run to hit frame
16. INTERSTELLAIRE - Still a maiden after fifteen and seems to be regressing now if anything

## **Summary**

It is somewhat of a motley crew that turn up for this four and up handicap. Wagers should be kept to the minimum. (13) BROOKE just about heads up the cast with (12) STORMING OUT maybe best of the others in a supporting role. (8) ARMORICA and (1) WAREGA have minor hopes as well as (2) KALLIKRATES.

**Selections**

**(13) BROOKE - (12) STORMING OUT - (8) ARMORICA - (1) WAREGA - (2)  
KALLIKRATES**

## **Race 6**

1. FAS - Five wins from thirteen runs. Runner up at Bordeaux Le Bouscat last time out. More is required

5. VOLFANGO - Five time winner from fourteen runs. Scored here on latest start and is in form candidate
6. STUNNING SPIRIT - Half a dozen wins from twenty two. Very smart sort on day and has to be recognized
7. CARLTON CHOICE - Seven time scorer from fifty three runs. Second in a Listed here last time over further. Player
8. KANDERAS - Made it win number three from nine at Chantilly last time and a further step up is now required
9. ESPERITUM - Half a dozen wins from forty six. Will need several of these to falter here
10. MARIANAFOOT - Five wins from thirteen outings. Beaten at highest level last time but very much one to look at here
11. ZENAGH - Just the half dozen outings. Will need to make a major step up to be successful

## **Summary**

A competitive Listed event as one would expect from a race with that status. It may pay to look no further than (10) MARIANAFOOT for the winner. The highly rated Footstepsinthesand entire basically has all the form required to lift this and hopefully the price will not be too restrictive. (6) STUNNING SPIRIT can take second with (5) VOLFANGO and (3) NINARIO next in line.

### **Selections**

**(10) MARIANAFOOT - (6) STUNNING SPIRIT - (5) VOLFANGO - (3) NINARIO**

## Race 7

1. OUISTREHAM - A dual winner from ten runs. A place would seem to be the very best hope today

3. FIONA - Placed in two of her four outings and will be concerned in the finish here
4. LUCE DES AIGLES - A dual winner from eighteen starts and a place may be best hope today
5. COLOURS - Two wins from eight starts. Third at Agen Le Passage last time out. More needed

9. KOKOCHA - A triple winner from ten runs and is best to forgive a last time out lesser effort
10. KIWI KISS - Runner up in the first three of seven and should be capable of winning at some stage
11. SVEA - All three runs have come this year. Won on debut but has not come forward
12. RUNWAY - One success from eighteen. Placed in latest three and should put up a fair enough show
13. CAUSEWAY BAY - Has had three runs and was runner up on the last of those at Tarbes so going the right way
14. LUCKY YOU - Placed in two of her nine starts but already looks well exposed and discounted
15. ROLLI DEL'RAIS - Runner up on the last of her six starts which came at Craon. That was better
16. DEZBA - One success from thirteen runs but basically others look much better here

## Summary

Two runners rather stand out here and they are (2) DESIDERATA and (3) FIONA with slight preference for the former. There is very little between the two unexposed types to be absolutely fair. (7) SCARLETT OF TARA and (12) RUNWAY can scrap for third ahead of (13) CAUSEWAY BAY. The others look outclassed.

**Selections**

**(2) DESIDERATA - (3) FIONA - (7) SCARLETT OF TARA - (12) RUNWAY - (13)  
CAUSEWAY BAY**

13. CHEIKELJACK - Half a dozen wins from twenty three runs and is very hard to fancy in current mood
14. NELKAN - Eighth on debut and sole start in June and will be much best watched here today

## **Summary**
