### Race 1

1. MORE THAN THIS - Eight of nine behind Libello in a Class 2 race here over this trip earlier this month. Won two Class 2 handicaps at ParisLongchamp last year but will need to improve on his current form

2. ATEEM - Not beaten far when fourth in a Class 2 handicap over 2000m on the turf last month and a winner here since then. Won three times in 2019 and should be actively involved in the finish today

3. JUST A FORMALITY - Was raised 2 Kg today for his win in a Class 3 handicap over 2400m on the turf here last month but well beaten here since. Has a decent enough record at this venue but has work to do

4. NABUNGA - Made it win number seven from fifty three in a Class 3 handicap over 3200m here last month. Unplaced on the PSF here last time out but he must be respected back on the turf today

5. MOONWALK STEP - Won a Class 2 handicap over 2400m at ParisLongchamp last October. Ran well when sixth behind (2) ATEEM over 2150m on his reappearance here this month. Can be in the mix today

6. QUEEN JOSEPHINE - Decent type of filly in Germany. French form is only average and she disappointed when last of sixteen behind (2) ATEEM in a handicap on the turf here earlier this month. More needed

9. NOSDARGENT - A dual winner from twenty seven career starts including a Class 4 handicap over 2150m here earlier this month. He is raised 3 Kg for that success but is not without a place chance

10. RANNAN - A three time victor from thirty six starts. Good third behind Gnily in

a Class 2 handicap on the PSF here last time out and looks to be a very workable mark right now. Not ruled out

11. FOX TIN - Five time winner from thirty nine career starts. Disappointing thirteenth of sixteen behind (2) ATEEM here last time out but looks reasonably well handicapped at the moment

12. GOLDEN RASH - Won claimers here and at Lyon La Soie last month and another on here on the PSF earlier this month. At the top of his game at the moment but faces a tough test in this company today

13. FOLLE PASSION - Registered a second career success in a Class 3 handicap over 2400m here last month. Was raised 3.5 Kg for that win but was a good second in another handicap over 3200m here since. Respected

14. MOMOUR - Half a dozen wins from twenty six career starts. Eight of fourteen behind (9) NOSDARGENT in a Class 4 handicap over 2150m here earlier this month and recent form is off putting for sure

15. QUIET ZAIN - A three time winner at this track. Did not go unnoticed in last start when second of twelve behind (3) JUST A FORMALITY in Class 3 handicap over 2400m on the turf here last month. Consider

16. DORSET DREAM - Won three consecutive races last September and was sent off for a break. Beaten a long way on her reappearance at Pau in December. Sixth in a claimer on the PSF here last time out. More needed
