6. PANTHERA TIGRIS - Still a maiden after nine starts but showed improvement in last two starts at Saint-Malo and Maisons-Laffitte

### Summary

Although he was a little disappointing last time out at Mont-De-Marsan (2) MOREMI was runner up in a maiden at La Teste Buch last month. Equipped with blinkers for the first time today he can get the job done. (5) LOUPEDRA has finished third in three maiden races so far and cannot be ruled out in this company. (6) PANTHERA TIGRIS and (1) JAYADEEVA are next best.

### Selections

**(2) MOREMI - (5) LOUPEDRA - (6) PANTHERA TIGRIS - (1) JAYADEEVA**

## **Race 2**

1. GOLD CAPTAIN - Placed just once in ten career runs but has shown some ability in some of those efforts
2. DUENDE - Runner up in a maiden race and a claimer on the PSF at Deauville in her last two. Leading contender here
3. TENCARATRUBIESLACE - Third of seven behind Zenagh in a maiden at Chantilly last time out in May. Respected
4. SAINT GAUDENT - Fifth in both of his career starts to date at Chantilly and Le Touquet. Not ruled out here

6. CICCIA - Disappointing in both of her starts to date at Deauville and Compiègne. Needs to improve
7. NICE LUCY - By Nice Applause and will be the first foal to run out of a dam that was unraced
8. OLYMPE VILLAGE - Beaten a distance when last of twelve on her debut in a newcomers race at Toulouse in February
9. ROSE PETAL - Well beaten in both of her starts to date at Clairefontaine and Niort. Others preferred
10. WORLD'S FAIR - Unplaced in both of her starts to date in maidens at Deauville last month. Can run in to a place today
11. ZIANA - Improved from her debut when third in a maiden at Sable/Sarthe this month. More required
12. COLLECT CALL - Placed in three of five runs in the UK last year but two poor efforts so far in 2019

## **Summary**

(2) DUENDE has been placed in four of her seven starts to date including runner up in a maiden race and a claimer on the PSF at Deauville in her last two. She gets the vote ahead of (4) SAINT GAUDENT who is difficult to discard coming from the powerful Fabre yard. (3) TENCARATRUBIESLACE and (10) WORLD'S FAIR can make the frame.

### **Selections**

**(2) DUENDE - (4) SAINT GAUDENT - (3) TENCARATRUBIESLACE - (10) WORLD'S FAIR**

### **Race 3**

1. HAMPER - A dual winner from twenty five starts. Last five outings are anything but convincing
2. GRAND SECRET - One win from twenty six. Form just not there at the present and is not fancied
3. GARDOL MAN - Demonstrated ability on fibresand last winter and ran well in a claimer at ParisLongchamp this month. Consider
4. MADISON VANZALES - Broke her maiden tag when winning a handicap at Evreux this month. Has a chance here
5. CHARLENE DU CHAMP - Creditable second at Magdeburg last time out and did show a bit of promise in France before that
6. MADAME VITESSE - UK import who went off the mark in a maiden at Pornichet last month. Fair fourth in a claimer at Maisons-Laffitte since
7. WILL NESS - Placed in claimers at Montier-En-Der and Pompadour in his last two runs. Place claims today
8. MISSTIC - Two fourth places from eight career runs to date. Well beaten at Chantilly recently
9. RECOVERY ROAD - Still a maiden after thirteen career outings and would appear to have a lot to do again
10. RUM LAD - Considering he has only run a place in one of twelve career starts, others are preferred
11. ZORRO CASS - Won a maiden at Maisons-Laffitte last year. Disappointing in a claimer at Chantilly this month
12. DELUREE - Long time maidens whose latest runs are not good enough to warrant support here
13. LA BELLE DE MAI - A winner and placed in Poland last season. Unplaced in four attempts in this country

### **Summary**

(3) GARDOL MAN showed some ability on the fibresand last winter and ran well when fifth behind Bob The King in a claimer at ParisLongchamp earlier this month. He can break his maiden tag today. (4) MADISON VANZALES won a handicap at Evreux this month and looks the main danger to the selection. (6) MADAME VITESSE and (5) CHARLENE DU CHAMP can be in the mix.

### **Selections**

**(3) GARDOL MAN - (4) MADISON VANZALES - (6) MADAME VITESSE - (5) CHARLENE DU CHAMP**

#### **Race 4**

1. BLUSHING BERE - Disappointing recent form on the turf but is capable on his day. Place prospects
2. CHAILLOUE - Won a Class 4 race at Beaupreau last month after a long break and is a leading contender here today
3. EOS QUERCUS - Well beaten on his reappearance this month but had won his last three races before that
4. DOME DE LA BLAIRIE - Has not run since June of 2018 when seventh in a Class E handicap at ParisLongchamp
5. SPLIT PERSONALITY - One win from eleven but has not run since June of 2018 when well beaten in a handicap at Dieppe
6. DANCE THE BLUES - A dual winner from sixteen runs and will have a chance here if putting his best foot forward
7. NAPOLITAIN SIZING - Well beaten last of seven on his debut in a conditions race at Evreux this month. Others preferred
8. J'AI OUBLIE NICO - Just the one success from seventeen over jumps and on the flat. Hard to recommend here

#### **Summary**

After a promising start to his career in 2018 which included wins at Deauville and ParisLongchamp (2) CHAILLOUE had a long break before winning a Class 4 race at Beaupreau last month. He is the one to beat. (6) DANCE THE BLUES has some fair form in conditions races and is respected. (3) EOS QUERCUS and (1) BLUSHING BERE can fill the minor placings.

#### **Selections**

**(2) CHAILLOUE - (6) DANCE THE BLUES - (3) EOS QUERCUS - (1) BLUSHING BERE**

### **Race 5**

1. YELLOWMANIA - Both starts have come at Clairefontaine and has shown promise in those
2. WHAT A HEADACHE - Runner up in last start of five at Beaupreau but this is much tougher again
3. TO AGHORIMOU - Just the two runs and placed in both at Compiègne and La Teste Buch. Chance
4. GENTIANA BELLA - Placed in three of seven outings and might be winning at some point if not today
5. HAWKAMAH - Both her runs have come earlier this year at ParisLongchamp and Maisons Laffitte and came second in both of those
6. VUELTA DI BACI - Both starts have been at Clairefontaine. Third on debut and then fifth last time
7. DUKESSA - Very little in her twelve runs to date and surely just has too much to do
8. BLUE WILD - Just the one run and very good third on debut at Niort this month so more to come
9. MAKSEW - By Makfi out of a Fantastic Light mare. Dam was unraced but four of her five foals have been successful
10. NICARETTE - By Nicaron out of a Califet mare. Dam was a maiden and this is her first foal
11. GIRLY PEARL - Finished ninth on debut at Deauville last December and much more will be required now
12. COPACABANA ROSE - Unplaced on both outings to date and looks very difficult to fancy here

### **Summary**

An interesting three year old maiden and perhaps it can go to (5) HAWKAMAH who has shown plenty of potential in two second place finishes at ParisLongchamp and Maisons-Laffitte which came earlier this season in April and May and will go close if ready after the absence. (6) VUELTA DI BACI and (3) TO AGHORIMOU can place in front of (1) YELLOWMANIA.

### **Selections**

**(5) HAWKAMAH - (6) VUELTA DI BACI - (3) TO AGHORIMOU - (1) YELLOWMANIA**

## **Race 6**

1. MEHZAM - A dual winner from two dozen outings and very consistent in the other attempts
2. GOOD DEAL - Eleven time winner from seventy runs and does not appear to be in any type of form at present
3. DOMAGNANO - A dual winner in Italy and also at Listed level. Unplaced in three tries in Britain
4. MONTY - Ultra impressive in two of three starts to date. Off since winning those two at Nancy in April
5. HAYA OF FORTUNE - A three time winner from twenty eight and needs to better recent form to have any chance
6. LOUIS D'OR - Just the one win from twenty and placed at the very highest level. Gradually falling down the ratings
7. POP SONG - Won on debut back in 2017. One win from five since returning this season
8. ARMORIAL - Five wins from seventeen in this country including a hat trick at one stage last season but must get back to that form
9. WINFOLA - A three time winner from twenty one runs. Form seems to be regressing at this moment
10. OCTEVILLE - Lightly raced triple winner from ten runs and only out of the frame once. Third last time at Chateaubriant

## **Summary**

This class two conditions event for older horses seems to revolve around the fitness or otherwise of the very promising (4) MONTY. The Authorized gelding has only raced three times and bolted up in the last two of those in April. He is obviously difficult to train but should win this if ready. (6) LOUIS D'OR and (7) POP SONG look next best with (9) WINFOLA after those pair.

## **Selections**

**(4) MONTY - (6) LOUIS D'OR - (7) POP SONG - (9) WINFOLA**

## **Race 7**

1. AVROTI - A three time winner from forty one and has good recent placed form so noted
2. ZIZIOZOO - Has three wins from sixty one. Third in last two small events. Could do better
3. MERCI MERCI - One success from sixteen starts. Placed in latest three and will be close enough
4. POLO THE GREAT - Remains a maiden after fifteen outings and basically has to do better but may do so
5. WINTERFELL DARGENT - Has had six outings and placed third in latest three of those in small events
6. BOLCHEVIK - Five wins from thirty three including last time at Redon last time so in form
7. SIDELSKIE - A dual winner from twenty eight and has a job of work to do here to win
8. ECLIPSE DU PLESSIS - Off the mark on penultimate start of fifteen at Pornichet. Sixth last time at Fontainebleau
9. MISS SENTO - Just the four outings which all came this season. Fourth on last two of those
10. VISION OF TWILIGHT - Thrice a winner from thirty four. Seventh at Saint Cloud last time out. Frame claims maybe
11. CALAJANI - A three time winner from fifty one but recent form is of serious concern
12. MERALINO - Eight time winner from eighty nine but last two runs are well below standard
13. DIAMOND EDGE - Remains a maiden after two dozen outings and has a big job of work to do
14. DEUX DE CROIXNOIRE - Just the one win from fifty which came three runs back at Pompadour and placed in latest two back there
15. PARTI PRIS - Still a maiden after twenty four runs and must better recent couple of runs

## **Summary**

This stamina sapping handicap for four year old's and up can be taken by (1) AVROTI. The daughter of Nathaniel has been in good form all this season and indeed a recent third at Deauville last time would be good enough here. (3) MERCI MERCI looks a bit of a threat while (6) BOLCHEVIK and (2) ZIZIOZOO should also be on the premises.

## **Selections**

**(1) AVROTI - (3) MERCI MERCI - (6) BOLCHEVIK - (2) ZIZIOZOO**
