

RACE 1

SUN ELIZABETH (8) - Hard to knock on recent efforts. Has been the model of consistency in recent runs which must count for a lot in this grade. Expect a bold showing.

REIGN (2) – Caught the eye running home last start. Will need a genuine pace up front yet again but is capable of fighting out the finish with a repeat dose.

KUBERA'S CHIEF (9) - Mixes his form quite severely but is worth thought on best efforts. Finds conditions to suit so must be considered as a major player.

GOLDEN THUNDER (1) - Will appreciate being back in Class 5 grade. Career credentials must be respected so keep safe for the minor end.

RACE 2

AFALONHRO (1) - On debut in Singapore. Brings respectable credentials from Australia for a race of this nature so must be respected. Monitor market/parade.

GAMELY (3) - Yet to breakthrough but is constantly knocking on the door. Can handle the switch in surface and is well suited over the journey. Capable of fighting out the finish.

TRAFALGAR (10) - Has recorded two minor placings in two career outings. Returns here fresh from a break so monitor parade. Major player with the right breaks.

CAVALLA COURT (6) - Performed satisfactorily on debut. Lightly raced and is open to significant improvement so don't ignore. In the mix.

RACE 3

GENTLEMEN AGREEMENT (9) - First run for Baertschiger. Has trialed very well in the Blinkers and should be fit enough for the 1400m despite being over 50 days between runs, can run a bold race.

IMPLEMENT (6) - 2nd up here for Clements after a nice return on the Poly. Gets Duric and 1400 looks ideal now.

QUADCOPTER (2) - Likely leader suited on the E course. Will give a great sight from the front in this.

ST ALWYN (10) - Another horse that could potentially lead. Is first up at 1400 with no trial but has the light weight. Monitor betting.

RACE 4

TUSCAN ARTIST (3) - Backs up in 5 days following unlucky 3rd last start when the blinkers went on. Can hold form now and up to 1600m should lead. Tough to beat.

LIM'S TRAVEL (2) - Unlucky last time, should have won. On a repeat performance is right in this. Slight query on the strength of the form he comes through from last time, but the run was great.

MR ROCKWELL (8) - Ridden quiet last time and it worked. Recorded strong win and can

repeat. E course looks a negative.

OFFICIAL (6) - Duric goes on and is racing well. Very fit, should be competitive again.

RACE 5

ON LINE (2) - Has now won Two from just the Five starts and looks a smart 4yo in the making. An ice win over Arnantara last time has resulted in a 6-point rise and he looks good enough to make short work of that and can win again. The one to beat.

LEATHERHEAD (5) - Ran very well in defeat behind the useful Hardcore over the course and distance and the stable of Ricardo Le Grange are in good form, so he must be respected here.

BASILISK (3) - Gets on well with in-form rider Benny Woodworth and ran well on the back of his success in early October, the conditions suit, and he should go very close once again here.

OPTIMUM STAR (8) - The run last time was better than it looks on paper and can provide some value here for the multiples.

RACE 6

TAVITO (5) - Has been struggling to win but is now off a very suitable rating to show up and surprise. Well drawn to perform so expect a bold showing at odds.

INVINCIBLE MAN (6) - Hasn't been far from the mark in recent outings. Preferred over a shorter journey but finds a suitable enough race to see it out. Major player.

FEROCIOUS (7) - Has been tending to mix form quite severely but career credentials are worth considering in a race of this nature. Worth thought on best efforts.

ASSASSIN (3) - Showed some improvement last start. Positive riding change with Vlad Duric taking the ride which is a push. Keep safe.

RACE 7

FEDERATION (3) - A big winner last time out and has gone up 7 points for that success. He is well suited by these conditions and another big run is expected here. Leading player.

KISS YOUR SONG (6) - All wins have come on the Polytrack but is very interesting back on turf here, he is extremely consistent and should once again run well.

SUPER FORTUNE (5) - Better last time with the blinkers back on when 4th behind the top selection, he might just be returning to something like his old form and if that's the case, he will go close.

GROENEWEGEN (7) - Has been off a very long time and has had 5 trials since. He goes well fresh and has some very good form to his name. One to watch.

RACE 8

SUN GENERAL (6) - Yet to really show what he is capable of and has run some very nice

races in defeat, it might be worth giving him one more chance here off a nice mark and has Vlad Duric on board.

SPIRIT OF BIG BANG (4) - In good form and his run on Gold Cup day was very good in defeat. He is progressive in this grade and has a good barrier to obtain a nice run. Big chance.

GOLDEN FLAME (1) - Down in grade here which will count for a lot and his run over the course and distance was good enough to suggest the trip should be fine.

YAYA PAPAYA (3) - Holding form well and is one to include in the exotics here.

RACE 9

BIG HEARTED (3) - Class runner coming out of a Group race. Finally we see him at 1400 - he will thrive at this journey. Looks the winner.

SIAM WARRIOR (2) - Good return to form last start when back into Class 4. Can run well again.

DIAMOND BEAUTY (1) - Well ridden to score last time. Has a tricky barrier but is worth including.

LINCOLN MOONLIGHT (4) - Honest in this sort of grade. Will need luck from barrier 10 but expect a decent run from this galloper.
