### About TOTO

TOTO, also known as Lotto in many other countries, is a simple numbers game. A person picks six numbers, from one to 49, for an ordinary bet. On a TOTO draw date, six winning numbers

plus an additional number are drawn. If three or more numbers on a ticket match the seven drawn numbers, the person wins a cash prize. The more numbers that match, the bigger the prize. If all six numbers match the six winning numbers drawn, the person becomes a jackpot winner. The minimum cost is \$1 to play the TOTO game.
