

For Hong Kong Commingled races:

- **Win (WIN):**

- Minimum dividend is \$5.30.
- If there are less than 4 starters, the pool is refunded.
- If the winner is unbacked, the pool would be paid to the second placed horse and if required, third placed horse.
- If both the second and third places are unbacked, the pool is refunded.

- **Place (PLA):**

- Minimum dividend is \$5.10.
- If there are less than 4 starters, the pool is refunded.
- No. of dividends declared:
 - 3 place dividends if 7 or more declared starters.
 - 2 place dividends if 4, 5 or 6 declared starters.

- **Forecast (FCT):**

- Minimum dividend is \$2.50.
- If there are less than 4 starters, the pool is refunded.
- If the winning combination of the first and second placed horse is unbacked, the pool would be paid to the first and third place and then, if that is not backed, to second and third place.
- If both these combinations are unbacked, FCT pool is refunded.
- FCT is termed 'Quinella' in Hong Kong.

- **Place Forecast (PFT):**

- Minimum dividend is \$2.50.
- If there are less than 7 starters, the pool is refunded.
- The pool is split between the backed winning combinations, ie. if one is unbacked, the remaining combinations will share the pool.
- PFT pool is refunded if all of the winning combinations are unbacked.
- PFT is termed 'Quinella Place' in Hong Kong.

- **Tierce (TCE):**

- Minimum dividend is \$3.00.
- If there are less than 4 starters, the pool is refunded.
- If the winning combination of the first, second and third place in order is unbacked, the pool would be paid to first, second and third place in any order.
- If both these combinations are unbacked, TCE pool is refunded.

- **Commission rates for commingled Hong Kong races:**

- Win/Place/Forecast/Place Forecast – 17.5%
- Tierce – 25%
