OHIO MAN (10) was out of the money when resuming from a spell last start over 1400m at this track, beaten 5.5 lengths. Has a fair record when second up, including two top-three finishes. Taking on a better line-up this time but he is up to the challenge.

GRAND MISSION (2) turned in a strong run two starts ago at this track then failed to back it up over 2200m at this track last time, beaten 6 lengths into fifth. Better suited at this shorter trip so should be in the finish.

ALYCON (4) finished 6 lengths away in fourth last time out over 1600m at Veliefendi three-and-a-half weeks ago. Steps up in distance today. Has good early speed so should take up a forward position. Winning claims on best figures.

ANADOLU KOPARAN (3) improved sharply last time out to score by 4 lengths over 1400m at this track a week-and-a-half ago. Looks well placed so expect another big run.
