### RACE 1: AT THE RACES APP MARKET MOVERS HANDICAP

**Caesars Pearl**

**Just A Spark**

**Cuban Grey**

A game winner over this trip at Wolverhampton last month, Cuban Grey can have another big say in proceedings on his return to handicapping. That said, CAESARS PEARL was only narrowly denied in maiden territory on her most recent run and commands respect on her handicap debut. She is well related and cannot be ignored, while Just A Spark and Wreck It Ryley add further spice to the mix.

**Part Time Britain      Zaphea      Chumbaa**

Racecourse experience could prove to be vital when considering PART TIME BRITAIN's chances here. He drops considerably in class having been well held in the Brocklesby at Doncaster earlier this month and could be worth siding with on his all-weather debut. Stablemates Zaphea and Chumbaa look the pick of the newcomers, although Mist Of Lir and King Garwood are also noted.

**Star Sprite      Timewave      Sovereign Spirit**

STAR SPRITE steps up in trip following a seven-length defeat over a mile at Kempton in novice company when last seen in September and the daughter of Sea The Stars could be worth siding with on her return to action. Timewave has been gradually dropping in the handicap and is feared most, although Sovereign Spirit and Queenmambo cannot be completely ruled out.
