Race Preview: Tricky. SELUKWE was fancied on debut, albeit in a work riders' race, and ought to come on with that experience. CIDER HOUSE RULES would've needed his last start after a rest and gelding, so should have more to offer having tightened up since. PREVALENCE caught the eye on debut when staying on well over a shorter trip and with natural improvement should be competitive stepping up in distance. FORGED STEEL is held on that form but also open to any amount of improvement.

Race Preview: Many with chances. PONTE VECCHIO and FUR BABY have both run well over this trip and, with further progress, ought to do so again from favourable inside gates. TYPEFACE showed useful ability in 2 starts over 1200m and is bred to improve over the extra, so warrants inclusion. RAFAEF'S CHOICE has been getting closer with each start and could have even more to offer over this distance - contender.

Race Preview: Candice Bass-Robinson holds a strong hand and her runners could dominate the finish, with improving last-start winner GOLD POKER GAME preferred to consistent CRACKLIN' ROSE who conceded 1.5kg to her younger, progressive stablemate. JEWLRAY improved to open her account when stepped up to this trip last time and should have more to give off a lenient mark on her handicap debut. Maiden BETTY BOOP and QUICKSTEP, who was not beaten far last time, have scope to improve and could get into the action.

Race Preview: Improving 3yo colts KING MO and RED IMPACT were not winning out of turn when last seen and have more to come. They're both speedy sorts who are well drawn and are likely to feature prominently. SWIFT ACTION has bounced back to form and will enjoy a hot pace to aim at. BLUFF ON BLUFF could do better given some relief from the handicapper, while maiden NOT IN DOUBT could make his presence felt in receipt of weight from the principals.

Race Preview: ROSALIE RUNS beat several of these when winning a competitive handicap over this trip last time out. She faces a tough task repeating that on these terms but should make her presence felt. Stablemate ACADEMIC GOLD should turn the tables on the revised terms. DOUBLE CHECK and IRISH WILDFLOWER ought to be in the mix too. WINTER SCOUT made a pleasing seasonal reappearance and is likely to build on that effort, so must be respected. Maturing ZIPPY OVER could well follow up.

Race Preview: Well-bred TRIPLE TIME made the expected improvement when an impressive winner of his seasonal bow and there should be more to come from him on that evidence. MATSUYAMO and QUATERMAIN also opened their accounts when last seen and receive 4kg from that rival, so ought to pose a threat. MASTERFUL GUY beat a subsequent winner when shedding his maiden tag and on that form should make his presence felt.

SOUTH AFRICA DURBANVILLE

A left-handed course with a circumference of 2200m and straight of 600m. The home straight has a downward slope until just before the finish and an ability to at least race handy is important, but the tracks reputation in this regard can also lead to pacemakers going too fast early on. Horses who race from off the pace need a good turn of acceleration to give of their best at this course. Low number draws are a marked advantage.
