ALTINENDER (3) missed the placings two runs back then improved last start but found one better over 1600m at Yil, beaten only 1.0 lengths. Has the class to build on that encouraging effort last start.

SULTAN NENE (10) missed the placings two starts back then ran a better race and finished 14 lengths away in eighth last time out over 1400m at Sirinyer All Weather. Won't find this as tough so she is sure to be prominent.

PRENS CORA (2) improved last start to finish second over 2400m at this track. Finds the right race this time and can take the next step and salute.

BANDIRMALI (12) did a little better last start at the second run of the campaign, finishing fifth over 1300m at this track. Likely to go forward from a nice draw. Should give backers a sight.

1		Has just seven wins and 25 placings from 105 starts. Last start finished sixth over 1400m at Kartepe, beaten 13 lengths. Looking to others. (Rating: 95)
2		Is back racing at Osmangazi over a shorter journey than his last appearance here when 3.5 lengths away fourth over 2000m two starts ago. Will prove very hard to beat. (Rating: 98)
3		Stepping out at this course for the first time. Last appeared when he finished second over 1600m at Yil on June 17. Another bold run is expected. (Rating: 98)
4		Has just three wins to his name but has been in the minor end of the prize a further seven times from 39 starts. Last start finished seventh over 2000m at Yesiloba, beaten 26 lengths. Looks tested in this line-up. (Rating: 97)
5		Has been in the money at both starts this campaign, most recently when 0.4 lengths from the winner in third over 1300m at this track. Worth including in calculations. (Rating: 97)
6		Never looked like threatening over 1300m at this track at the latest appearance, beaten 12 lengths into 14th. Prepared to overlook. (Rating: 96)
7		Struggled to find form at the end of last preparation. Resuming after break of five months. Hard to have until the form swings in a positive direction. (Rating: 96)
8		Back sharply in trip last time and didn't feature when fifth over 1500m at this track. Back up in distance but can't see him playing a major role. (Rating: 96)
9		Beaten 0.1 lengths into second at this track two starts ago then appeared at this track last time and finished 6 lengths from the winner in 11th. Strong contender on best form. (Rating: 97)
10		Could only manage eighth over 1400m at Sirinyer All Weather last start to continue a run of ordinary form. Well placed in this line-up and can improve. (Rating: 97)
11		Got home by 1.1 lengths at this track two starts ago. Disappointed last time at this track when 6 lengths from the winner in fourth. Looking to others. (Rating: 97)
12		Hasn't measured up in two runs since a spell, the latest when beaten 2.25 lengths into fifth over 1300m at this track. Has the ability and is among the leading hopes. (Rating: 96)
13		Resumed in similar fashion to the way he finished last campaign, putting in an ordinary effort to finish 13th over 1500m at Veliefendi All Weather. Unplaced in two previous second-up attempts. Looking elsewhere. (Rating: 94)
14		Yet to find the frame this campaign, the latest result a seventh over 1300m at this track. Likely improver who has a solid record at the third run in. Can find peak form this time. (Rating: 96)

PONCIKTAY (8) raced below her best last time when ninth over 1400m at Sirinyer All Weather, beaten 14 lengths. Best figures measure up nicely. Sure to run well.

BAGNI CICEK (18) was out of the money two runs back then again missed the frame last start over 2100m at Veliefendi, beaten 2.5 lengths into fourth. Finds the right race this time and can get the job done.

YURTSEVIL (17) did little and finished 75 lengths from the winner in 17th over 2000m at this track last start, a less impressive effort than her fifth at this track the run before. Has the ability to produce a better result.

RODE KIZI (2) will find this a little easier than her last run just eight days ago when fifth over 2100m at Veliefendi. Can make amends.

1		Experienced galloper who wasn't far away last time when third over 2100m at Veliefendi. Still has some life in her yet and is worth including. (Rating: 94)
