Race Preview: MOON HARVEST (7) disappointed second time out on turf after making a smart debut on the poly at long odds. He is back on the poly. ANOTHERDAYINAFRICA (5) showed up well last run with a claiming apprentice up behind the promising Imposing. He is lightly raced but looks to be in the right race here. SIRENS OF SILENCE (4) has been improving steadily and was close-up when trying the poly although over a furlong further. He looks primed for this. DON'T LINNGAR (1) was much improved in a weak maiden last start but does have the best of the draw and a good money chance.

Race Preview: JOHNNY'S HOPE (2) went down narrowly on the poly last run and has been knocking on the door. The stable is in good form and he can go one better. POLITICAL PARTY (5) switches to the poly but has been touched off at his last two. He should make another bold bid. POWER STAR (7) made sudden improvement when tried in cheek pieces. Two modest efforts on the poly but the cheek pieces could be the key to his better effort. VIHAAN'S GREY (6) was not too far back when stepped up in trip on the poly. The stable is in good form and he must have a chance.

Race Preview: AERIAL VIEW (7) has been taking on stronger at recent outings. She has improved on the poly and should go close. YOU DESERVE IT (4) made marked improvement first up on the poly for her new stable. That was her first outing after a lengthy break and sure to come on from that effort. NAME OF THE GAME (6) is struggling for her next win but did improve last run and has taken a big drop in the handicap. WINTER MELODY (5) is back on her favourite surface. She is lightly raced and goes well over course and distance.

Race Preview: Open handicap but there could be a sniff of revenge in the air with LUCRETIVS (4) up against LIVING WATERS (6), a short head in it when last they met and a subsequent objection over-ruled. The latter is now 1kg better off in the handicap. However, there is more to this race. EVENTIDOR (1) has found form again and goes well over course and distance. Keagan de Melo, who is getting first call on Hollywood Syndicate horses, has jumped ship from LORD MINVER (2) who found traffic last run and can do better.

Race Preview: BECKONING BEAUTY (4) is back on her preferred surface and with a 4kg claimer up she could prove difficult to catch. MAQUETTE (3) also seems better on the poly but is definitely better than her last run. She has dropped slightly in the handicap which is obviously in her favour. ETHIOPIAN QUEEN (2) has found her best form over course and distance. She has gone up in the handicap but now gets a 4kg claimer up. SWEET SYMPHONY (1) won well last run on the turf. She now faces some quick opposition on the poly carrying top weight.

Race Preview: VALIENTE (9) found good market support last run. He is not the easiest but has come right down in the handicap and has a handy weight. TRAFALGAR SQUARE (2) has come good of late and goes very well over course and distance. The stable is also in good form and he has a plum draw. PHINDA MZALA (1) has consistent Highveld form. He has done well on the poly and should feature. BLUE EYES (3) is also coming down in the handicap and the switch to the poly could suit.

Race Preview: MR HENLEY (8) takes on older runners off a high handicap rating from the widest draw. However, he does look smart and gets the benefit of the doubt in spite of returning from a break. JUSTAGUYTHING (6) was closing rapidly in the finish of his last run with first time compression mask. The extra furlong should suit given that showing. FATHER'S FROST (2) and KNIGHT WARRIOR (1) both got a hefty shunt up the handicap after their last showings. Both go very well over course and distance and both have winning chances.

WHITE CEDAR (7) broke through the pens before being reloaded last run. He was in contention until the last 300m. With only 49kh to shoulder he could go all the way. ONE SHOT WONDER (6) is showing signs of coming to hand again and should enjoy the extra furlong. GLOBAL SECRET (4) takes on males but has been making steady improvement and is not out of it.
