UTAMARO (5) was very narrowly ahead of GAIDAR (3) when they met in the handicap at Chantilly and poses the main rival. SRIFANELOGREEN (6) is one for the each-way backers to look at after fluffing his lines last time, he was a good third prior to that and is capable of a good run. ODIN NORMANDY (16) gets in off a low weight and can not be discounted.

Summary : Plenty to like about the debut of MAWHOB (1) when finishing second at Compiègne earlier this month. He can go one better in this. GALLANT DEED (7) has plenty of experience having had five runs so far, he looks the main rival after a narrow defeat when third at Compiègne in a maiden in late May. COCKTAIL PRINCE (8) was a disappointment on his latest outing but if reproducing his debut second, he can give Christophe Soumillon a good ride and make the frame. ROI DE L'AIR (3) has a string of second-placed runs, he has place claims and he is likely to have to wait for that first win.

Summary : In a well contested Listed race, BOLTHOLE (1) gets the tentative vote after a recent win at Bordeaux Le Bouscat late in May over 1900m. The biggest danger could be GLAER (7) who is looking for a hat-trick of wins after a nice win in a Class 1 race on the PSF last month, he has won his last two races on all-weather surfaces but is just as effective on turf. DAWN INTELLO (2) was beaten at odds on last time, but the winner got the run of the race and he is more than capable of playing a lead role. CHANCELLERY (6) is improving and warrants respect.

SATURDAY, 24/06/23

Summary : CHILD OF THE MOON (7) has been running well and has a nice bit of experience, she was a good second when last racing over 1800m on May 26th and looks ready to win. She has the most to fear from ALSIMRYA (1) who ran a race full of promise when second on her only run so far at Compiègne earlier this month. The nicely bred MQSE DE MASCARILLE (17) looks very taking on paper and could well be useful, her dam was a smart performer who won in Pattern Class. SMILA (16) showed enough on her only start to say she will win races, she might find a few too smart in this but can make her presence felt.
