Summary: VICTORY FOLIE (4) has produced some solid efforts this year and barring that one blip a few starts back, her current form is very useful and she could get it right. CALA ROSSA (11) is still a maiden but has the right credentials to land a massive blow in this contest and could get that maiden win out the way with a bit of luck. SCHUMAN (5) needs to be forgiven for an under par latest effort and when judged on prior form, he will be a serious player for top honors. CAMBREMER (12) has the right numerical figures and will be very competitive once again.

Summary: AKVAREL (4) has shown improvement in each run to date in France and from a neat draw, she will have more to offer and should be in the firing line. OAXACA (14) has had many chances to get her head in front so isn't one to go all in on but on her last couple attempts, she could just be ideally placed here.
