Race Summary: 7 THINGAMABOB should go very close to winning here, she ended up in a good position from a wide draw at Hollywoodbets Durbanville last time, she did have some interference up the straight, but the drop in trip is key for this individual, she will be right there in the finish on her best form. 6 RUBY REX ran a huge race last time behind the unbeaten Ukuduma, she travelled beautifully and looked to have the race in the bag going past the 200m mark, unfortunately she got reeled in late and had to settle for second, her form up the straight at Hollywoodbets Kenilworth is very good, she

will be competitive and her chances must be respected. 3 AMERICAN ULTRA has been rested for a long time, her two runs to date have been good, if she doesn't need the run badly, she could quite easily win a race like this. 2 FLEUR DE VILLE has been rested for 66 days, she has been well tried in the maiden ranks, she could sneak into the Quartet at a decent price. (Brandon Bailey: 7 - 6 - 3 - 2)

Race Summary: 4 RHYDIAN was very unlucky in his last start behind Green Planet, he travelled well in his race and only managed to find a gap very late, he probably would have needed that run as well from a long break, if he has made the necessary improvement back at home, he will be tough to beat in this race. 3 KLEIN KAROO stayed on nicely for fourth in the same race as Rhydian last time, he showed good speed and only got tired very late, he should improve nicely from that performance, include him into all your Swingers, Trifectas, Exactas and Quartets. 9 BOUNDLESS LOVE finished third in the same race as Rhydian and Klein Karoo on the 16th of April, he settled midfield and was hard ridden late to get up for third behind Green Planet, he is definitely improving with racing, include him into all bets. 11 DIGBY ran a lovely race on the 14th of April, it was his first run back from a long break, he was only beaten just over two lengths by the winner, he should make major improvement, watch him closely. Race Summary: 7 KLEINZEE looks to be a very smart filly in the making, she has won her last two races in good fashion, she was drawn badly last time, and still managed to finish well to win a great race, she is progressive and must have a good winning chance again off this new rating of 82. 3 LA DIVINA ran a super race at Hollywoodbets Durbanville on the 22nd of March, she was forced to work hard early from a wide draw, she showed good heart to finish second behind Fun Zone who went on to run a cracker behind Time For Love in the Listed Ladies Mile, If she gets some cheap sectionals early, she will be hard to peg back here. 4 LADY LOOK ALIKE won well on the 16th of April, she was given five points for that victory, she is very consistent, include her into the play. 2 ONI SAN ran a fair race behind My Only Weakness on the 28th of April, she probably needs to slide further in the ratings, the draw will help her here, she could run a place at best. (Brandon Bailey: 7 - 3 - 4 - 2)

Selections: #7 KLEINZEE, #3 LA DIVINA, #4 LADY LOOK ALIKE, #2 ONI SAN
