**Race Preview:** Elusive Black was not disgraced in his two starts. He returns from a break and a change of trainer but can score. Imokelly returns from a break and a change of trainers so should improve at this centre. Bomber Stream seems better than the last run would suggest and could play a minor role. Endizayo is capable of improvement and is not out of it. Sombreuil showed improvement with blinkers and could have more to offer. Watch the betting on first-timer Holly's Kiss which represents the Alan Greeff-Richard Fourie combination.

**Race Preview:** Pop Chart showed he has ability when a wide-margin winner of just his second start. He may well be up to beating these more experienced campaigners. Roman Agent did win twice in the Western Cape and sets the standard for the race on known form. Speed Racer is improving and was touched off on the Polytrack last week. Stable companions Masked Vigilante and Travel Master are usually close to the finish and can earn some more money. Sovereigns Call makes his local debut and is not out of it.

**Race Preview:** Lotus Silk was heavily backed to win on debut. She was not disgraced and with improvement likely she can go one better. Touch The Sword showed improvement in her second start and can contest the finish again. White Waters did not appear to like the Polytrack last time out and could be more of a threat back on the grass. Golden Croc and Money Galore are both knocking on the door and are capable of winning.

**Race Preview:** Silvery Surfer has shown some promise and could like this course and distance. His trainer has returned to form with a bang recently. New Mexico has won both local starts but will need to overcome a penalty. One Scotch was very brave in defeat last week and can go one better. Igugulethu is unreliable but is clearly not out of it. Arabian Red may be better on the Polytrack these days. Pedro and Mr Belvedere are both course and distance suited and capable of earning some money.

Olive Oyl is improving and should fight out the finish. Blackberry Breeze has run well over this distance and could be a threat. Back For More was a brave winner last time out and is not out of it. Henry's Hedge has improved of late and has claims. Richardthefearless impressed on the Polytrack last week and will need to prove himself back on the turf. Flash Lightning has been consistent of late and is another to include in exotics.

Instaworthy reminded us of her ability with an impressive win last time out and must be respected for that. Kings Again has been running in some good fields of late and is clearly not out of it. Bonjour La Ville is not reliable but did beat a speedy filly last time out and could follow up. Great Notion makes her local debut and could improve.

**Race Preview:** Faraway Girl is improving and with a weight turnover she may turn the tables on rival Beneath The Moon. Japanese Garden and Silvan Mistress are probably a lot better than what they showed last time out and could be dangers. Party Girl won debut but flopped in her second start. She can improve trying the turf. Cape Capri showed good pace behind rival Beneath The Moon and both are capable of getting involved with the finish once again. Kilmonivaig is unreliable but is also capable of an upset.

**Race Preview:** Tokyo Medaglia showed some improvement in his second local start and could be ready to strike. Globetonic is not reliable but does win races when in the right mood. The Roaring Rock beat a subsequent easy winner last time out and could follow up. Hoerikwaggo is weighted to win and should be included in all bets. Away With Red and King Viserys are both coming off solid wins and must be respected for that.

**Race Preview:** Buffalo Bill did not show his customary strong finish last time out. He is, however, capable of bouncing back to beat these rivals. Galileo Star returns from a break but could be a threat. Aadehya is speedy and has a place chance. Halcyon makes his local debut and could improve. Wordsworth is knocking on the door and deserves respect. Griffin Park makes his local debut and could be a threat after a change of trainer. Munchkin and Ravilius are speedy types that are capable of contesting the finish.
