Race Preview: Northumberland finished comfortably ahead of Jan Fiskaal when finishing 3rd over track and trip on debut. With that experience under the belt and natural improvement expected, it could pay to follow his progress. Well-bred newcomers **Raptor King** and **Sands Of Valhalla** are worth a market check and could pose a threat, especially if the betting speaks in their favour. **Micro Jet** an Australian-bred import is others to keep an eye on.

Race Preview: Alice B Toklas caught the eye when a fast-finishing 3rd on debut over this course and distance. She would have benefitted from that experience and won't need to improve much, if at all to confirm that promise and open her account. **Platinum Shay** has a bit to find on that form but is weighted to pose more of a threat on 2.5kg better terms. Newcomers **Arrogance** and **Storm Avalanche** are well-bred fillies worth a market check on debut. Follow the betting moves!

Race Preview: Pompeii Shield has been costly to follow recently but he is open to improvement over this extended trip so could reward supporters. He had excuses last time when finishing behind **Royale Jacket** but that rival's consistency and experience over the distance could give him the edge. **Asiah's Tiara** was an improved 2nd last time and ought to have a say in the outcome with the headgear worn that day unsurprisingly retained. **Twelfth Of Never** have more scope than most so can't be underestimated either.

Race Preview: Vixeninthevineyard and Cool Reggae are closely matched on the form of their recent meetings. Both have the credentials to fight out the finish, though could be vulnerable to less-exposed younger rivals. **Chariklo** and stablemate **Be My Fate** should make their presence felt too, as the step up to this trip will likely unlock further improvement.

Race Preview: Damova, even as a 7yo mare, looked better than ever when winning over this trip last time. She won a little easier than the margin of victory suggests so a 5-point penalty may not be enough to prevent her from following up off a career-high mark. Runner-up **One More Star** is 1kg better off so should pose a threat again. Last-start winner **Futurewoff**, class-dropper **Battleground** will fight out the minors.

			6 Cocomelon 1:26.40

Race Preview: Golden Operator impressed when winning in first-time blinkers over a similar trip recently and he remains open to further improvement with the headgear retained. However, a 6-point penalty for that last-start victory tilts the scales in favour of **King Harald**, who beat the former in an earlier meeting over 1600m and is weighted to confirm that superiority on 0.5kg better terms. **Wild Intent** is slung in under the conditions but unlikely to be fully tuned after a 136-day absence. **Echo Check** is lightly raced and could improve to get his career back on track.

Race Preview: Rachel Wall was an eye-catching 3rd on her reappearance in a Grade 3 over 1160m last time and a repeat of that performance off an unchanged mark, with improved fitness on her side, should suffice at this level. Calantha is held on that form but better off on the revised weight terms and could also improve with blinkers fitted for the first time. Blizzard Snow and Roaming Spirit have the means to make their presence felt too.

Lovable and Wise Counsel have more scope than most and could get into the picture with any improvement.
