**Busan Race 4: Class 5 (1600M) Handicap / KRW 45 Million**

(4) GOAT KING IJI is yet to win in six starts but enters having overcome a wide draw to run a fair 5<sup>th</sup> on his first try at this class over 1800M on July 19<sup>th</sup>. He comes back to the distance at which he recorded his two best finishes and under a light weight and from a good gate, he can make the breakthrough here. (5) MORO made the breakthrough at the twenty-fourth time of asking at this class and distance on July 5<sup>th</sup>. He only comes up 1kg in the weights and lightning could strike twice. (2) SUPER CRACK and (1) HWARANG ACE come in having run 2<sup>nd</sup> and 4<sup>th</sup> respectively when racing one another at this class and distance on July 7<sup>th</sup>. The former is a non-winner, and the latter has won just the once, but both can be in the placing mix. (8) YEONSEUNG BRAVO another to consider for the minors.

<b>Selections</b>	(4) Goat King Iji (5) Moro (2) Super Crack (1) Hwarang Ace

**Busan Race 5: Class 5 (1300M) Handicap / KRW 45 Million**

(4) HANEUL EUTTEUM has been slow away in both his latest two starts and most recently disappointed at the start of June following which he was ordered back to trial. He looked very good trialling up in mid-July and if he brings that form to the races – and if he jumps out well – he can win. (8) TAURUS KING got sent back to trial two starts back for his racing manners, but he returned to action well when 3<sup>rd</sup> in a quick race at this class and distance on July 12<sup>th</sup>, racing on pace. Seo Seung-un climbs up and he can be a big danger here. (5) NAEPYEON is up in class having recorded his maiden win on July 5<sup>th</sup> over 1200M. He is down in the weights and draws well and could offer some interest at an each-way price. (3) META PRINCESS and (6) HAERANG YEONGUNG others in the hunt.

<b>Selections</b>	(4) Haneul Eutteum (8) Taurus King (5) Naepyeon (3) Meta Princess

**Busan Race 6: Class 4 (1200M) Handicap / KRW 60 Million**

(7) RUBY STONE has been a model of consistency across her seven starts to date and comes in following 3<sup>rd</sup> place in a very quick race at this class and distance on July 14<sup>th</sup> when she used

up plenty of energy to get to the lead from a wide draw. She remains lightly weighted and from a better gate, she can win here. That will mean overturning the form on (5) B.K. ZENA, who came from off the pace to win that July 14<sup>th</sup> race at odds of nearly 25/1. She comes up 2.5kg in the weights, but the manner of that victory means she warrants some respect here. Solitary debut-maker (4) DRAGON REVENGER went through two trials finishing 2<sup>nd</sup> in the first of them at the end of June before running 3<sup>rd</sup> in a very quick heat on July 20<sup>th</sup> (which was voluntary so won't appear in all racecards). If he brings that form to the races, he has every chance. (3) HONORED KHAN and (1) WORLD FIVE are other place chances.

<b>Selections</b>	(7) Ruby Stone (5) B.K. Zena (4) Dragon Revenger (3) Honored Khan

### **Busan Race 7: Class 4 (1600M) Handicap / KRW 60 Million**

(4) YOUR TURN won her first two races in May and June to get rapidly promoted to this class before running a solid 4<sup>th</sup> on her first try at this level over 1400M on July 5<sup>th</sup>. She comes up to a mile for the first time but is nicely drawn and weighted and there is no reason why it can't suit. (6) YONG GUN is a winner of just one from nineteen but enters with recent form reading well following a 3<sup>rd</sup> and a 2<sup>nd</sup> from his latest two, most recently at this class and distance on July 7<sup>th</sup>. He comes up 1.5kg in the weights but shapes as the main danger. (7) AMAZING BOSS was an also-ran in this year's Korean Oaks and was sent back to trial for her manners after her latest start in July when 4<sup>th</sup> over 1400M. She completed her trial well and can be in the mix here. (1) BLACK VOLT and (2) SEVEN DRAGON others in the frame.

<b>Selections</b>	(4) Your Turn (6) Yong Gun (7) Amazing Boss (1) Black Volt
<b>Next Best</b>	2, 5
<b>Fast Start</b>	4, 5, 6, 7

### **Busan Race 8: Class 3 (1800M) Handicap / KRW 75 Million**

Competitive race. (7) HWANGU FIGHTER returned from nine months out to run 3<sup>rd</sup> at class and distance on June 30<sup>th</sup>. He has never finished any worse than 5<sup>th</sup> in fourteen starts and with him likely to strip fitter for that run, he can win this. (4) DALBITSANYANGKKUN stepped up to this distance on June 21<sup>st</sup> and got his maiden win in fine style. He comes up in class but is down in the weights and he has every chance of backing up. (6) GREAT WINNER comes in having finished a creditable 5<sup>th</sup> in the final leg of the Triple Crown over 2000M in June. He has won at this distance already and is the probable pacesetter here and he can be in it a long

way. (3) BEOLMAUI YEONGUNG and (10) BACKTOTHELEGEND are among plenty of others with at least placing chances.

<b>Selections</b>	(7) Hwangu Fighter (4) Dalbitsanyangkkun (6) Great Winner (3) Beolmaui Yeongung
<b>Next Best</b>	10, 8
<b>Fast Start</b>	1, 3, 6, 10

### **Busan Race 9: Class 2 (1200M) Handicap / KRW 90 Million**

(4) YEONGGWANGUI ACE won back-to-back races in April and May to get promoted to this class before running 2<sup>nd</sup> on his first Class 2 outing over this distance on June 28<sup>th</sup> when from a wide gate he came from off the pace and almost got there. He comes up 2kg in the weights, but that's balanced a little by a better draw, and he will be favoured to go one better. (5) KING ANYDAY has won his latest two, both at this distance. He comes up in class but is down in the weights and can measure up. (1) DOCTOR BROWN had a poor day at the office last time out but was a winner at this class over 1400M in May and can be given another chance here. (3) HANGANG SAVER and (7) CARPE BABEL others in the placing frame.

<b>Selections</b>	(4) Yeonggwangui Ace (5) King Anyday (1) Doctor Brown (3) Hangang Saver
