

**Sunday May 11, 2025**

**Busan Race 1: Class 6 (1400M) Special Weight A / KRW 30 Million**

After an indifferent debut, (7) GEUMA PANTHER was a close 2<sup>nd</sup> when stepped up to this trip at start two on April 11<sup>th</sup>, settling midfield and running on. Third-up he can be peaking, and he will be hot favourite to go one better here. (5) BABYLON FOX was much improved when beating three of these on his way to 3<sup>rd</sup> place at this distance in a different race on April 11<sup>th</sup>. He was ridden on pace for the first time that day and with similar tactics can be close again. (8) HOUND POKER was 4<sup>th</sup> in that race, one of three top five finishes he has from six attempts, and he can be aiming to find the places here. (4) DREAMMA and (1) UNJU CHEONHA others in the minor money frame.

<b>Selections</b>	(7) Geuma Panther (5) Babylon Fox (8) Hound Poker (4) Dreamma
<b>Next Best</b>	1, 3
<b>Fast Start</b>	1, 4, 5, 7

**Seoul Race 4: Class 5 (1300M) Handicap / KRW 45 Million**

(1) GOLD QUEENS was a winner on debut and has been working back towards another in her three goes at this class, most recently when 2<sup>nd</sup> at 1200M on April 5<sup>th</sup>. She comes up 2.5kg in weight but draws well and the slight step up in trip can suit. (2) SAEROUN GUY enters off 3<sup>rd</sup> place over 1200M at this class on April 12<sup>th</sup>. He is yet to win but on that form can be a player here. (10) SEMYEONG STRONG is up in class having won a quick race at this distance on a wet track on April 6<sup>th</sup>. He has the challenge of a wider draw this time, but he can measure up in this company. (3) VIVA CHEONGSU and (4) CHRYSOL NIKE, the latter up in class following back-to-back 2<sup>nd</sup> places in her first two starts, are others to consider.

<b>Selections</b>	(1) Gold Queens (2) Saeroun Guy (10) Semyeong Strong (3) Viva Cheongsu
<b>Next Best</b>	4, 9
<b>Fast Start</b>	3, 8, 10, 11

**Busan Race 2: Class 6 (1200M) Special Weight A / KRW 30 Million**

Fillies only in this maiden. (7) PURE MARINE may only have a best of 4<sup>th</sup> from four starts so far but she comes in fresh following thirteen weeks off and, more to the point, was a close 2<sup>nd</sup> in a quick trial on April 26<sup>th</sup>. If she brings that form to the races, she will be able to see off this limited set of rivals. (9) HANEULPYEONGJEONG loves finishing 4<sup>th</sup>, having done so on

five occasions from eleven starts including each of her latest four. She also has a 2<sup>nd</sup> place on her resume and that's enough to have her in the numbers here. (5) WORLD TRIPLE CAT hinted at figuring things out when an improved 5<sup>th</sup> ahead of a couple of today's rivals on April 4<sup>th</sup> and can aim for better here. (10) OWNER CHAMP and (3) SEOGWI CHOWON other placing chances.

<b>Selections</b>	(7) Pure Marine (9) Haneulpyeongjeong (5) World Triple Cat (10) Owner Champ
<b>Next Best</b>	3, 8
<b>Fast Start</b>	2, 7, 8, 10

### Seoul Race 5: Class 5 (1700M) Handicap / KRW 45 Million

(2) WORLD JOY got his maiden win at 1300M in March before running 3<sup>rd</sup> on his first try at this class over 1800M on April 12<sup>th</sup>, racing handy throughout. He is nicely drawn here for Lim Da-bin to pick his spot, and he looks the one to beat. (9) ECO FORE has excelled since being sent up to this distance with a 2<sup>nd</sup> and last time out a win over it. That brings him up in class but the same apprentice who won on him keeps his weight low, and he can measure up. (3) SUPER BLUEMOON was a winner at this class and distance on April 20<sup>th</sup> at big odds. He is up 3.5kg in weight and has been a bit all or nothing so far but warrants consideration. (8) SPLENDID comes out of the KRA Cup Mile and should find this a more amenable assignment, while (1) LUCKY FAMOUS is another in the hunt.

<b>Selections</b>	(2) World Joy (9) Eco Fore (3) Super Bluemoon (8) Splendid
<b>Next Best</b>	1, 6
<b>Fast Start</b>	4, 5, 6, 8

### Busan Race 3: Class 6 (1300M) Special Weight A / KRW 30 Million

A weak maiden but (2) SEOBU DANCING has probably offered the most so far. He only has a best of 4<sup>th</sup> place, achieved two starts back at 1200M but ran on fairly enough for 5<sup>th</sup> last time out from a wide draw over this trip. Franco stays on and he won't need to improve very much to win this. (8) COME ON GLORY comes in off an improved 4<sup>th</sup> over 1400M on March 28<sup>th</sup> when settling right back. With not much speed in this race, she should be much further forward today and can be a threat. (7) ILLUSION was further back in that race but does have a 4<sup>th</sup> place on her record and in this company looks a place chance. (5) MORE AND MORE is second up following a lengthy layoff and can be much better than last time. (3) BAEKPAL BOEUN another in line for the minors.

<b>Selections</b>	(2) Seobu Dancing (8) Come On Glory (7) Illusion (5) More And More
<b>Next Best</b>	3, 6
<b>Fast Start</b>	4, 5, 8, 9

### Seoul Race 6: Class 4 (1800M) Handicap / KRW 60 Million

(6) PURGE KING was a winner at this class and distance on April 20<sup>th</sup> coming from a handy position to sweep home late. That was just his third win in twenty-three starts but it had been coming and while he is up 3.5kg in weight, he can win again. If, however, he peaked in that race, then (8) MUSKET DAY may be the one. He didn't peak in last month's HKJC Trophy over this distance with 6<sup>th</sup> of nine behind Final K and Eclipse The King but he comes back into much more amenable company today and can be a danger. (3) MAX WEEK has won his latest two at 1800M and most recently at 1700M at this class. He comes up 3kg in weight but that's balanced by a good gate, and he can lead. (7) STORM GUY and (2) SUPER ECTON other minor chances.

<b>Selections</b>	(6) Purge King (8) Musket Day (3) Max Week (7) Storm Guy
<b>Next Best</b>	2, 5
<b>Fast Start</b>	1, 3, 7, 8

### Busan Race 4: Class 5 (1400M) Handicap / KRW 45 Million

(9) RAON THE MASKE was a winner on debut and has since run 3<sup>rd</sup> and 4<sup>th</sup> in two starts at this level, both at 1400M and most recently beating a couple of today's rivals on Paril 13<sup>th</sup>. In this company he can be expected to race on pace, and he may take some beating. (2) ARION TAEYANG has run only fairly in his latest two, but he comes back to a trip at which he has a win and a 3<sup>rd</sup> place from two tries and should be much better. (7) SEOBU FLAME is another who has won over 1400M. He returned from an almost seven-month absence on April 18<sup>th</sup> and while he ran down the field that day, he should strip fitter for that run and be better here. (3) SHANGHAI THUNDER and (6) HERO J others to consider, the latter returning for the first time in precisely a year having won an April trial.

<b>Selections</b>	(9) Raon The Maske (2) Arion Taeyang (7) Seobu Flame (3) Shanghai Thunder
<b>Next Best</b>	6, 5
<b>Fast Start</b>	4, 5, 7, 9

## Seoul Race 7: Class Open (1800M) Special Weight A / Korean Derby (KOR G1) / KRW 1 Billion

The second leg of the Triple Crown and KRA Cup Mile winner (13) OASIS BLUE will be the favourite to score again. A two-time winner already at this distance up to class 4 level, he won comfortably both Busan's Classic Trial and the Cup Mile. He does draw a touch wider than ideal, but he showed in the Cup Mile that he doesn't need to lead. (3) ECLIPSE THE KING didn't run in the Cup Mile but won four races in a row up to class 4 and 1800M leading all the way. His streak came to an end behind the very good Final K in a valuable Trophy race on April 14<sup>th</sup> at this distance and drawn beautifully to lead, Oasis Blue will have to work to get past him. (12) YONGBI PAEWANG and (14) MY DREAM DAY came home 3<sup>rd</sup> and 2<sup>nd</sup> respectively and both may appreciate the step up in trip today. Stablemate of the favourite (4) OASIS RED enters off a smart on pace win at this distance at class 4 level at the end of February and isn't to be dismissed.

<b>Selections</b>	(13) Oasis Blue (3) Eclipse The King (12) Yongbi Paewang (14) My Dream Day
<b>Next Best</b>	4, 6
<b>Fast Start</b>	3, 8, 9, 11

## Busan Race 5: Class 4 (1600M) Handicap / KRW 60 Million

(10) WORLD WINNERS MAN has won back-to-back races at this distance in February and March, most recently at this class on March 30<sup>th</sup> when settling midfield and running on well. He comes up a full 4.5kg in the weights, but he can win again. (5) MR.WOLF looks the clear second choice. He could only finish midfield from a wide draw over 1400M on his first try at this class last month but was a strong winner at 1300M the time before that and from a better draw the step up to a mile can suit. (1) HAMAN BONGHWASAN enters off a 3<sup>rd</sup> place at this class and distance on April 6<sup>th</sup>. He likes to come from well off the pace and can be in the mix again. (7) SEONGSIL CHEONHA and (4) INDIE BULPAE perhaps the best of the rest.

<b>Selections</b>	(10) World Winners Man (5) Mr.Wolf (1) Haman Bonghwasan (7) Seongsil Cheonha
<b>Next Best</b>	4, 2
<b>Fast Start</b>	2, 5, 6, 7

### Seoul Race 8: Class 4 (1200M) Handicap / KRW 60 Million

(10) SCALE KING got his sole win at this distance just before Christmas at class 5 level and has since registered two 4<sup>th</sup> places and a 2<sup>nd</sup> in three tries at this class. He has a strong finish on him so the wide draw shouldn't be too much of a problem and with Moon Se-young up for the first time, he can win. (1) CHEONGUNG STORM is up in class following an all the way win over this distance on April 5<sup>th</sup>. Despite the class rise he comes up in weight but that's balanced by a draw that should allow him an easy run to the front again and he can go back-to-back. (4) GLORY AND HONOR beat Scale King on his way to 2<sup>nd</sup> place at this class and distance on April 5<sup>th</sup>, while (6) MISS CONCORD came home 5<sup>th</sup> in the same race. Both can be in the mix again. (5) NAOL DAEWANG another place chance.

<b>Selections</b>	(10) Scale King (1) Cheongung Storm (4) Glory And Honor (6) Miss Concord
<b>Next Best</b>	5, 7
<b>Fast Start</b>	2, 7, 9, 11

### Busan Race 6: Class 3 (1800M) Handicap / KRW 75 Million

(5) GEUMA GUTTY was a winner over this distance at class 4 level two starts back before running 2<sup>nd</sup> over the same trip in a very quick time (on a day the track was very fast) in a big trophy race last month. He carries his fair share of weight here but on those two efforts, he is hard to oppose. (10) WONDERFUL BIDDER has won two of his latest three. Both at a mile and both times settling behind the speed and running on. He comes up in class and in distance but is down 3kg in weight, and he can measure up. (6) GASOK JEIL beat three of these when coming from off the pace to run a very close 2<sup>nd</sup> at class and distance on April 4<sup>th</sup> and under the same light weight can be a danger again. (9) DEMON SPY and (4) GRAY BOSS are the other chances.

<b>Selections</b>	(5) Geuma Guty (10) Wonderful Bidder (6) Gasok Jeil (9) Demon Spy
<b>Next Best</b>	4, 3
<b>Fast Start</b>	3, 4, 5, 10

### Seoul Race 9: Class 4 (1200M) Handicap / KRW 60 Million

(2) GRAY CANDY has hinted at ability across four starts so far with his best being a 2<sup>nd</sup> place at this distance in January when leading for much of the way around. Kozzi gets on this time, they draw very well to lead, and they can go all the way. That will require overturning the form on (7) GWANAKSAN TIGER who was 5<sup>th</sup> to Gray Candy's 6<sup>th</sup> when they faced one another at

this class and distance on April 19<sup>th</sup>. That was Gwanaksan Tiger's first start since she was a two-year-old in December 2023 and she should strip fitter this time. (1) KAN BE GREAT was an improved 4<sup>th</sup> at start number two on March 22<sup>nd</sup> at this distance. He comes down in weight and third up he can be peaking. (6) BREEDO SIRIS and solitary debut maker (11) SHINING ROAD, who ran 2<sup>nd</sup> in a fair time in his trial, are others to consider for the minors.

<b>Selections</b>	(2) Gray Candy (7) Gwanaksan Tiger (1) Kan Be Great (6) Breedon Siris
<b>Next Best</b>	11, 10
<b>Fast Start</b>	1, 2, 4, 7
