Busan Race 2: Class 6 (1600M) Special Weight A / KRW 30 Million

(4) OASIS RUBY enters off back-to-back 3rd places at 1400M, finishing off well enough both times. The step up to a mile can suit and she can win here. (9) SKYLOR JIYOU has made solid progress across three starts so far, culminating in 3rd place over 1300M on November 14th when settling handy from the widest gate. He too should be fine with the increased trip, and may well start as the market elect. (8) HWANHUI BANK beat a couple of these in his way to 2nd at big odds on November 17th. That was his best result in seventeen attempts so there may be limited scope for improvement, but he can be there or thereabouts again. (1) HIGH GOLD BAR and (5) VORTEX others in the hunt.

Selections	(4) Oasis Ruby (9) Skylor Jiyou (8) Hwanhui Bank (1) High Gold Bar

Busan Race 3: Class 6 (1200M) Special Weight A / KRW 30 Million

(10) DOCTOR ACE has hinted at ability across three starts so far with a 3rd and a couple of 4th place finishes, including his latest at 1300M on November 14th when he led for much of the way. He has the challenge of the widest gate here, but Franco climbs on for the first time and today can be his day. (6) PISTOL CUT was an improved 3rd at start two on November 14th over this distance when leading until the straight. She can lead again here and once more be in this a long way. It's been thirty-six weeks since (2) MAGIC HAMMER ran 3rd on debut. He didn't offer many clues in a November trial but with a 4kg claim and a good draw, he has to be a chance in this modest company. (9) WONDERFUL PREACH can improve while (1) PRAY MORE was adequate in trials.

Selections	(10) Doctor Ace (6) Pistol Cut (2) Magic Hammer (9) Wonderful Preach

Busan Race 4: Class 5 (1600M) Handicap / KRW 45 Million

(5) ENCORE got his maiden win at start two in August and then put in a fair, if well-beaten, effort in Listed Juvenile company in September. Since returning to shallower waters, he has a 3rd and a 2nd at 1300M and 1200M and under an apprentice claim, he can return to winning ways on his first try at a mile. (3) FLYING CHAMPION enters off back-to-back 2nd places at this class and distance, most recently beating a couple of today's rivals on November 14th when narrowly missing out. He only comes up 1kg in weight and is a big danger. (2) BARBELL TROFEO has been very disappointing in his latest two, laying in both times and finishing well back. He has had six weeks off and has trialed positively during it. (1) ILNYEOM SINHWA and (8) COLONEL FLYING are other place chances.

Selections	(5) Encore (3) Flying Champion (2) Barbell Trofeo (1) Ilnyeom Sinhwa

Busan Race 5: Class 5 (1400M) Handicap / KRW 45 Million

Fillies (and one mare) only here. (12) FANTASTIC BOLT got her maiden win with an all the way score over 1200M in October and then ran 3rd when handy on her first try at this class and distance on November 14th. She drew fairly wide that day so the widest gate shouldn't cause too many problems and she can win here. (1) SINCHEON FREEDOM comes up in class having won over this distance on November 16th, leading all the way. She doesn't get a weight break, but Franco stays on and from the inside gate, they can lead again. (6) HOLIDAY QUEEN came from well off the pace to run 2nd at this class over 1200M on November 21st and can run into some money again. (8) GLOBAL HEROINE and (7) SEONGSIL JEIL others to consider on a place line.

Busan Race 6: Class 5 (1200M) Handicap / KRW 45 Million

After running 3rd on debut in September, (5) ISIMNYEON JIGI came back out on November 2nd and led all the way to score over this distance. He is up in class but is down 3kg in weight, draws well, and he can make all again. (7) SEOBU DANCING hasn't raced since August when after being sent off as favourite, he did just about everything wrong but was later found to be lame. He has been back in training since the end of October and looked well in a late November trial and in this company can go well first-up. (6) APDOJEOK NUMBERONE has lost his way a little since a class and distance win in August but an apprentice claim contributing to a 5kg weight drop may be what he needs to be competitive again. (2) GREAT TOP, second up after a layoff, and (11) WONDER MOCCASIN others in line for the minors.

Busan Race 7: Class 4 (1200M) Handicap / KRW 60 Million

A couple of debut-makers plus some coming back off long layoffs make this a tricky one. (2) FLYING DANU is one of those returnees, racing for the first time since February when she was 3rd at this class and distance. Fitness shouldn't be a problem as she went through two trials in November, winning them both, and drawn well to lead, she can win here. (12) ARCHER HEART is a first-time starter. The Runhappy colt ran 2nd in both his trials in decent times and while he has to contend with the widest

gate, that kind of form can see him competitive. (4) FLY TO THE MOON returns for the first time since August. He won a trail in good order two weeks ago and can be a threat. (9) HANEUL SINHWA has a 3rd and a 2nd from his latest two, both at this class and distance and can be in the mix again. He will need to overturn the form on (3) EUNHASU was a promising 5th on debut and will have plenty of backers in a wide open race.

Busan Race 8: Class 4 (1800M) Handicap / KRW 60 Million

(2) BIG JAWS had a poor day at the office last time out on November 14th when drawn wide and struggling to find a comfortable position on the early pace. He has won over this trip and was going well prior to that last effort and from a better gate is worth another chance. (11) BLAZING MAN comes in off a 2nd place at this class over the mile on November 14th. He has placed three times at 1800M and third-up this preparation, he can be peaking fitness wise. (9) POWER TIME is up in class following a narrow win at 1600M on November 14th when coming from off the pace. He comes down a full 3.5kg in weight and that can help him measure up here. (8) FLYING THE KHAN and (1) CARIBBEAN BAY are others with at least place chances.

Selections	(2) Big Jaws (11) Blazing Man (9) Power Time (8) Flying The Khan

Busan Race 9: Class 3 (1800M) Handicap / KRW 75 Million

(5) GREAT BOY was a class and distance winner on October 31st when settling midfield and running on. He has to contend with a full 5.5kg in additional weight here but that is balanced a little by a better gate, and he can be in contention again. (11) NEVER GIVE UP won three straight races at class 4 level between June and August before running 3rd, beating a few of today's rivals, at this class and distance on October 4th. He too has his fair share of weight, but he clearly loves the trip and is a danger. (7) BEOLMAUI ACE was 4th behind Great Boy last time out and while he doesn't win out of turn, he is very consistent and can be in the finish again. (6) INDY GHOST and (2) COW LINE others to consider.
