Busan Race 1: Class 6 (1200M) Special Weight A / KRW 45 Million

Small field of juvenile maidens with four of the eight racing for the first time. Favourite will be (7) POWER TREE who, after winning a trial, was a close 2nd on debut over this distance on November 2nd, racing on pace and posting a decent time. He won't need to have come on much from that to win. The best of the debut-makers is (2) SEONGSIL DREAM. He led in his trial on October 25th ultimately crossing the line a very narrow 2nd in a good time. Nicely drawn to lead, if he brings that form to the races, he can be a danger. (6) B K. SPIRIT was 6th on debut and then improved to 4th at start number two on October 24th coming from off the pace. She should be nice and fit for this and can continue to get closer. (8) YONGBI SKY trialed well and (5) BULBIT GANGJA can be in the mix too.

Selections	(7) Power Tree (2) Seongsil Dream (6) B K. Spirit (8) Yongbi Sky

Seoul Race 4: Class 6 (1300M) Special Weight A / KRW 30 Million

(5) REVERENCE is yet to win but has a 3rd and a 2nd on his record and comes in having run a very good 4th in the Listed NACF Chairman's Trophy for juveniles over 1200M on October 19th. He comes back into much shallower waters today and he should make his breakthrough. (3) RAON PARANOMA has a 2nd and a 4th from her latest two, both times racing on the pace and from a good gate and with an apprentice claim she can lead again and be in this a long way. (11) THE SUN COMING improved to 4th at start number two on October 18th. Third-up she can be better and with a slight increase in trip and with a 4kg claim, she can be in the finish. (1) ONEMO TIME and (4) THUNDER RUN others in the mix.

Busan Race 2: Class 6 (1400M) Special Weight A / KRW 30 Million

(5) JEONGMUN FAPPIANO was 3rd on debut over 1200M on October 17th, running on from midfield. He should have come on for that run, the step up in trip can suit, and he will be a warm favourite to prevail. (2) LIKE DRAGON is the most credible danger. She has finished

between 2nd and 5th in each of her latest four and from a good gate and with Tanaka staying on, she should be there or thereabouts again. (4) FINAL HIT needs a line drawn through his latest over 1600M but back in trip and in this company, he can be given a place chance. (12) HIGH GOLD BAR and (10) DOCTOR CARRY are others who could compete for the minors among a field where the form falls off quite rapidly.

Selections	(5) Jeongmun Fappiano (2) Like Dragon (4) Final Hit (12) High Gold Bar

Seoul Race 5: Class 5 (1800M) Handicap / KRW 45 Million

(3) NAMSAN MINYEO has taken very well to two turns, getting her maiden win two starts back over 1700M when making all, before running 3rd on her first try at this class and distance on October 25th when handy throughout and beating a couple of today's rivals. She is lightly weighted, nicely drawn, and can win. (8) HEEMANGBAND is yet to win in fourteen attempts but has placed in each of her last six starts including when 3rd on her first try at this distance on October 19th. Moon Se-young stays on and it's not impossible that today can be her day. (5) CHRYSOL DONGHAE was a winner over 1400 on October 25th having placed in both his previous races. He is up in class and in trip but can measure up in this company. (2) GRAND PARK and (11) TAENGGEURI are others to consider.

Busan Race 3: Class 5 (1300M) Handicap / KRW 45 Million

(3) WIND ROSE enters off a front-running 2nd place in a filly only race at this class and distance on October 26th. Her maiden win previously came over this trip and from a great draw she can lead and go all the way. Disputing that lead will be (2) HAEUNDAE POWER. He also comes in after a last start runner-up finish, in his case over 1200M when leading almost the entire way around and only getting taken down in the shadow of the post. He does come up 2kg in weight but is a danger. (9) MUJEOKYI is yet to win in four but is up in class following back-to-back 2nd places, most recently at this distance on October 26th when he led for most of the way. He gets a 3.5kg weight drop and he can measure up. Up in class (10) AIR CITY, along with (5) GWANGSOKMA, are the other main chances.

Seoul Race 6: Class 5 (1200M) Handicap / KRW 45 Million

(1) STORM TROOPER has finished no worse than 4th in five starts so far and got his maiden win in September over 1400M leading all the way. He dropped back to this trip for his first go around 1200M and was on pace again, ultimately finishing 2nd, beating a couple of today's rivals. He can lead again and will be a short-price favourite to go one better. (9) GEOTEN DOLGYEOK got his maiden win at the third time of asking over this distance on November 1st when handy throughout. He is up in class but is down 3kg in weight and can compete. (6) LALA GIRL remains a maiden and can have a line drawn through her latest when a touch slow away in a quick race. She has placed at this class and under a very light weight, should be an each-way chance. (5) RAON SPILETTA and (2) RACE ROSE other place chances.

Selections	(1) Storm Trooper (9) Geosen Deolgyeok (6) Lala Girl (5) Raon Spiletta

Busan Race 4: Class 4 (1600M) Handicap / KRW 75 Million

Fillies (and one mare only) here. (10) WORLD TOP TIER is a winner of three from five so far including last time out in a very similar filly only affair over this class and distance with three of today's rivals behind her. She comes up a full 5kg this time, but it shouldn't matter and she can win again. (6) GEUMA PRECEDE beat plenty of these when winning at this class and distance on October 26th, leading all the way. She too gets a 5kg penalty as a result but will be on pace and can compete for the honours again. (1) TUHON FIGHTER was 3rd in that October 26th race, continuing a consistent run of form and she is a place chance again. (5) SANGIM STAR and (9) SEONGSIL SIHWA others to consider on an each-way line.

Seoul Race 7: Class 4 (1200M) Handicap / KRW 60 Million

(5) KING OF DRAGON is two starts into a comeback following a lengthy layoff and was an improved 2nd over this distance on October 19th having raced handy. He has won at this distance and while he is up in class, he is down 4kg in weight and third-up he can be peaking fitness-wise. (7) CHEONRYONGUI CAL enters having run 2nd in a fast race at this class and distance on October 19th when coming from behind the pace. He has seven top four finishes from nine starts and while he is up 3.5kg in weight, he has a big chance here. (6) HANSEN STAR is, like King Of Dragon, third-up after a long layoff. He was an improved 2nd on his second start back at this class and distance on October 4th when he led, and he too can be in this a long way. (10) MENI WIN and (4) CHEONHAENGCHAT others in the mix.

Busan Race 5: Class Open (1800M) Special Weight A / Breeders' Cup Queen (Listed) / KRW 300 Million

The Queens' Tour Fall & Winter concludes with the usual suspects present including six of the first seven home in the previous leg of the series. (11) BORYEONGLIGHTQUEEN was the beaten favourite in that race, the Gyeongnam Governor's Cup ending in 5th place, but prior to that, she was a very good winner over 1400M at Seoul. Still only three she has the potential to get better and she can win. That will mean overturning the form on (1) FLYING STAR, who won the Gyeongnam Governor's Cup, settling midfield before striking the front at the top of the straight and proving too strong. She can mix here form, but she is a two-time winner over this trip and will almost certainly start as the betting favourite. (6) RAON FOREST is consistent and a firm place contender. (4) JEULGEOUNYEOJEONG had a hard time with the pace last time out but with her quality, a return to form can't be ruled out. (10) FANTASTIC VALUE one of plenty of others in the hunt.

Selections	(11) Boryeonglightqueen (1) Flying Star (6) Raon Forest (4) Jeulgeounyeojeong

Seoul Race 8: Class 4 (1400M) Handicap / KRW 60 Million

(2) GLORY YEONGGWANG is yet to win in seven attempts but has been coming close finishing between 2nd and 4th in each of his four most recent. The 2nd place was last time out in a very quick race over 1200M, Moon Se-young stays on, and from a good draw, he can win. (7) SONEULNAEMILEO has won two out of her last three. Most recently at this class and distance on October 19th. She comes up a full 4kg in weight, but she can be competitive again. (5) GIANT BOSS returns to action for the first time since July. He had three wins from six starts before the layoff and showed on pace in a quick trial a month ago. He can be in the frame first up. (10) EAST BEACH and (8) ANYANG GIPPEUM others to consider on a place line.

Busan Race 6: Class Open (1400M) Special Weight A / Breeders' Cup Rookie (KOR G2) / KRW 700 Million

The race to decide the champion juvenile. (5) MUJEHAN GEUP is two for two having won on debut in June and then the Listed Munhwa Ilbo Trophy at Seoul in September, both times coming from off the pace. He hasn't raced since, but he did trial in late October and 1400M should suit. (15) CHIEF STAR is three for three with her latest two coming in the Seoul Rookie Stakes and Listed NACF Chairman's Trophy. All her wins have come from on the speed so she has the challenge of a much wider than ideal gate, but she can be equal to it. (10) WILD PARK is a winner of three from five including the Busan Rookie and Listed Gangseo-gu Mayor's. He was 2nd when favourite in the Listed Gimhae Mayor's but will have plenty of backers to put things right here. (4) SUPER AERO won the Gimhae and gets a great draw to be on pace here with every chance of seeing things out. The wildcard is (7) SUPEX WINNER.

Selections	(5) Mujehan Geup (15) Chief Star (10) Wild Park (4) Super Aero

Seoul Race 9: Class 3 (1800M) Handicap / KRW 75 Million

(7) CHOEGANG GOLD led from gate to wire to score over this distance on October 18th, taking his record to four wins from five starts. He comes up in class here but gets a slight weight drop and he can win again. (8) FLYING DAY is the main danger. She has won two of her

last three, most recently at this class and distance on October 25th, when on pace all the way. She is up 3kg in weight but is a solid chance again. (10) JISAN FORCE similarly has won his latest two, both at this distance and most recently at this level. He gets a 4kg penalty for his troubles as well as the widest gate to contend with, but he is not to be dismissed again. (1) KING HONOR and (5) CHEONGSAN JILJU are the other two who will be backed each way.

Selections	(7) Choegang Gold (8) Flying Day (10) Jisan Force (1) King Honor

Seoul Race 10: Class 3 (1200M) Handicap / KRW 75 Million

Not the strongest race for the level so after two 2nd places and a 3rd from her latest three, (3) TIARA SUA can finish on top. She has a light weight and from a good draw Kim Yong-geun can pick his spot, probably just behind the speed, and she can return to winning ways. (7) ENDING FIRE has a 3rd and a 4th from his latest two, both at this class and distance and coming from off the pace. He'll be a danger late on here. So too (9) BONGHWA STAY, who has finished off well for two 2nd places and a 3rd from his latest three and he should be there or thereabouts again. (5) PANORAMA KING and (2) GIBINJOEUNMAL others who can be considered for the minors.

Selections	(3) Tiara Sua (7) Ending Fire (9) Bonghwa Stay (5) Panorama King

Seoul Race 11: Class 1 (1600M) Handicap / KRW 110 Million

Very competitive. We'll take a chance on (2) NUT PLAY, who races in regular handicap company, instead of Graded Stakes company, for the first time since January which, not coincidentally, was the last time he won. He should find today's tempo a little more suitable and as a two-time winner at a mile, there is no reason why he can't score here. (5) CROWN HAMSEONG also comes out of Graded company. A winner of eight from sixteen, she could have gone to Busan for the Breeders' Cup Queen today but comes in here instead and that could be a tip in itself. Expect her to start as the favourite. Moon Se-young stays on Crown Hamseong and gets of the lightly weighted (although Moon can do 52kg) (6) PEPPER X, who he has won on four times, including last time out on October 26th. He is up in class but can be competitive. (1) HAENGBOKAN SEUNGJA and (10) SPEED ONE others in the frame in a finale worth sticking around for.
