|   |           |                                                                                                                                                                                                                       |
|---|-----------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1 | SON YAGIZ | Consistent top 3 finishes over similar trips prior to October, including a 1st at 2000m Condition, suggest promise stepping up to 2200m Condition race. Go on the win two starts ago and give a chance here.          |
| 4 | CENGEBEY  | Placed 2nd and 3rd over 1900m–2000m Condition class this month; steps up to 2200m Condition race with recent top 3 form at similar class. Another bold run is expected.                                               |
| 5 | EKSASI    | Recent 2100m Condition class 4th suggests potential for 2200m Condition race if finding extra late; needs improvement off most recent effort. Improvement can be expected, worth considering.                         |
| 3 | CETINREIS | Consistent over 1900m Condition class with two 2nd and one 1st in recent races; stepping up to 2200m Condition class offers promise for further improvement. Has won once from past five starts, form is good enough. |

**RACE 3 8:00 PM | TRY682,500 | ADANA | 1400m**

|   |                |                                                                                                                                                                                        |
|---|----------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 7 | TALADRRO       | Runner-up in 1300m Maiden Oct 12; promising for 1400m Maiden with further experience and recent top 3 placing. Expected to go very well.                                               |
| 4 | ROXY BARAN     | Placed 7th and 6th in recent 1300m and 1200m Maiden races; improvement needed stepping up to 1400m Maiden. Can upset some more fancied rivals on best form, chance.                    |
| 1 | KING BOREAS    | Has shown midfield potential at 1400m Maiden and Condition class; needs to lift significantly for a top 3 finish at 1400m Maiden. Looks to be improving and can run well in this race. |
| 2 | MAJESTIC VALOR | Recent 1400m Maiden and Condition efforts outside top 3; big improvement needed returning to 1400m Maiden class. Needs race experience may need more time.                             |

**RACE 4 8:30 PM | TRY787,500 | ADANA | 1200m**

|   |                 |                                                                                                                                                                                                           |
|---|-----------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 5 | YELLOW GOLD     | Recent 1300m Condition race 2nd and 1200m Condition race 3rd show strong form; returning to 1200m Condition race suits well for another bold run. Nice run last start and looks good chance in this race. |
| 2 | SARI MAMBA      | Fresh from a 1st over 1500m Condition race on Oct 5, could be effective back to 1200m in similar class. More than capable of winning again in this race.                                                  |
| 4 | NIGHTFLYERS     | Recent 4th over 1500m Condition suggests competitiveness; drops to 1200m Condition, coming from top 3 form here in April, showing promise for class and distance. Expected to go very well.               |
| 6 | GENERAL SHERMAN | Consistent top 3 placings and two recent 1300m Condition race wins suggest solid form dropping to 1200m for this Condition class test. Good run last start, consider.                                     |

**RACE 5 9:00 PM | TRY857,500 | ADANA | 2000m**

|    |             |                                                                                                                                                                                                         |
|----|-------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 13 | HAWORTH     | Consistent 1900m Condition race form, including 1st and 3rd in October; stepping up to 2000m Condition race, strong distance credentials suit. Strong trainer and jockey combination, have to consider. |
| 2  | ADANALI KIZ | Recent form is excellent over 2000m Condition class with two wins and a 2nd in last four starts; strong contender at this distance. More than capable of winning again in this race.                    |
| 3  | GALLOON     | Consistent over 2000m Condition races with a recent 2nd on Sep 3 and a win in June; holds claims at this distance and class. Was placed two starts ago and appears to be a chance here.                 |
| 8  | ATOMIC CAT  | Consistent form at 1900-2200m Condition races with recent 2nd and 1st, primed for another strong showing in this 2000m Condition race. A strong contender for the win.                                  |

**RACE 6 9:30 PM | TRY787,500 | ADANA | 1300m**

|   |                  |                                                                                                                                                                                                       |
|---|------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 3 | LOVE SEA         | Consistent at 1400m–1900m Condition class this season; recent 5th over 1400m, but earlier 2nd at 1500m suggests potential for shorter 1300m test. Nicely drawn and should prove hard to beat.         |
| 7 | FIRE OF DARKNESS | Needs big improvement on recent 1400m Condition race results; dropping to 1300m may help but must lift significantly in this class. Go on solid previous efforts where form looked okay, can improve. |
| 1 | LION OF LIONS    | Drops to 1300m Condition race after 3rd over 1800m on 13 September; looks suited by shorter trip, can feature with improvement. Can be placed if at best in a race like this.                         |
| 4 | ATLANTIC BLACK   | Ran 2nd over 1500m Condition race early September; respectable effort and suited by drop to 1300m Condition race here, can feature with similar performance. Moderate recent form, needs to improve.  |

**RACE 7 10:00 PM | TRY498,750 | ADANA | 1300m**

|   |             |                                                                                                                                                                                                                   |
|---|-------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 4 | KAYNARHANIM | Consistent recent 2nd placings at 1200m–1300m Condition suggest readiness for another bold 1300m Condition challenge. Placed last start, among the better chances.                                                |
| 9 | ECEMSU      | Progressive form over similar distance, recent 1st over 1300m Maiden and consistent top 3 finishes; now rises to 1300m Condition class needing improvement. More than capable of winning again in this race.      |
| 6 | MARTI GIRL  | Needs major improvement over recent 1300m Condition race form; sole win at 1200m Condition race, now facing similar class and distance. Always worth considering in a race like this and include in your chances. |
| 1 | ACAKIZ      | Recent 1300m Condition races below top 3, but won 1500m Condition race in September; needs big improvement returning to this class and distance. Had no luck last start when caught wide but still ran well.      |

**RACE 8 10:30 PM | TRY612,500 | ADANA | 1900m**

|   |            |                                                                                                                                                                                               |
|---|------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 7 | CETREFILLI | Recent 2100m Condition race 4th and 1800m Condition race 5th, needs improvement for this 1900m Condition assignment. Expect a forward showing.                                                |
| 1 | BULENT     | 1900m Condition specialist; twice a winner, with one over this distance on September 7, latest Top 3 at 1200m—distance jump suits. Was placed two starts ago and appears to be a chance here. |
| 5 | UYGAR BEY  | Recent form includes two wins over shorter trips; faces a test rising to 1900m Condition race, but proven at this class. Keep an eye out for potential improvement.                           |
| 2 | BOUCHERON  | Form solid over 1900m Condition races; September Top 4 finish, August 2200m Condition win but now sharper class and distance test awaits. Solid effort last start, chance.                    |

**RACE 9 11:00 PM | TRY481,250 | ADANA | 1300m**

|    |               |                                                                                                                                                                                              |
|----|---------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 6  | KIYI          | Steps up to 1300m G1 after a 1500m Condition race win in August; big improvement needed at this class and distance. Highly promising horse who shows nice ability and looks the one to beat. |
| 1  | FIRTINA SALIH | Faces a sharp 1300m G1 challenge after unplaced runs in longer Condition class races; needs significant improvement for this grade rise. Keep an eye out for potential improvement.          |
| 5  | HIZ SINIRI    | Faces a sharp rise from 1300m Condition and Maiden class; recent 12th in 1300m Condition race suggests big improvement needed at G1 1300m. Nice draw and worth including.                    |
| 12 | PIRNUR        | Has won once from past five starts, form is good enough.                                                                                                                                     |
