

**RACE 1 6:30 PM | EUR5,000 | DRESDEN | 1200m**

|   |               |                                                                                                                                                   |
|---|---------------|---------------------------------------------------------------------------------------------------------------------------------------------------|
| 3 | STEPPINGSTONE | Recent wins at 1350m A4 and 1400m Condition, also Top 3 over 1200m Condition; needs to prove at 1200m Condition.                                  |
| 4 | ZAVARO        | Strong 2nd and two wins over 1750m–1900m A4 recently; switching to shorter 1200m Condition, needs to prove effectiveness at this distance.        |
| 6 | TRACK RECORD  | Recent Top 3 finishes at 1500m A4 suggest form, but needs improvement dropping in trip and rising to 1200m Condition.                             |
| 2 | DIAMONTE      | Closed strongly for 1st over 1200m Condition on 26 October; holds excellent recent form at today's distance and class, should remain competitive. |

**RACE 2 7:05 PM | EUR12,000 | DRESDEN | 1900m**

|   |               |                                                                                                                |
|---|---------------|----------------------------------------------------------------------------------------------------------------|
| 1 | DARING FIRE   | Runner-up over 1500m D2 on 31 October; steps up to 1900m D2 now, distance rise offers chance to progress.      |
| 4 | EDLINGTON     | Recent 2000m D2 effort finished 7th of 8; needs marked improvement back at 1900m D2.                           |
| 7 | PLUTO         | Steps up to 1900m D2 after a close 4th over 1500m D2 on 31 October; stamina to be tested at longer trip.       |
| 3 | DIO DEL VENTO | Competitive 4th over 1850m D2 on 2 November suggests potential to progress over similar trip in this 1900m D2. |

**RACE 3 7:40 PM | EUR6,000 | DRESDEN | 2950m**

|    |           |                                                                                                                                        |
|----|-----------|----------------------------------------------------------------------------------------------------------------------------------------|
| 8  | TORINA    | Consistent Top 3 finishes over similar distances, including 2nd in 2400m Condition in October, suggests suitability for this 2950m A4. |
| 7  | AURUM SKY | Consistent at 2500m A4, proven winner, stepping up in distance for 2950m A4; improvement needed on latest starts.                      |
| 10 | SAMBROSSO | Recent 3rd at 2000m A4 and 1850m A4; proven Top 3 at this class and distance range, steps up to 2950m for this race.                   |
| 1  | EMMECI    | 2950m A4 test after 3rd in 2950m A3 race on 18 October; proven at distance, looks competitive back to this class.                      |

**RACE 4 8:15 PM | EUR8,000 | DRESDEN | 1500m**

|   |                   |                                                                                                                             |
|---|-------------------|-----------------------------------------------------------------------------------------------------------------------------|
| 2 | BELISAIRE         | Placed 2nd and 3rd over 1600m A4 in November and October; faces a rise in grade to 1500m A3, big improvement needed.        |
| 4 | IRELAND ALEXANDER | Recent 1500m A3 races show unplaced finishes, latest win came over 1550m Agw so grade rise, needs big improvement in A3.    |
| 1 | SALDARION         | Placed 3rd in 1400m Condition on 18 October; proven at 1500m A3, seeking further improvement back up in class and distance. |
| 5 | SWEET LADY        | Recent 1st over 1750m in A4 signals strong form; big improvement needed up in class and shorter 1500m A3 this time.         |

**RACE 5 8:50 PM | EUR8,000 | DRESDEN | 1500m**

|   |            |                                                                                                                          |
|---|------------|--------------------------------------------------------------------------------------------------------------------------|
| 2 | RABASTERO  | Consistent 2nd at 1500m A3 and 1400m A3, looks poised for another strong effort at this distance and class.              |
| 3 | GINGER ALE | Recent Top 3 at 1750m and 1400m D3 suggests potential for another strong showing in this 1500m A3 race.                  |
| 6 | RAMBAZAMBA | Recent 1500m A4 efforts moderate; last win was lower class over same distance, therefore needs to lift for A3 rise here. |
| 1 | LUZUM      | Solid 3rd over 1600m A3 in September and 1200m A3 in July; stays similar class and trip, worth a look for another Top 3. |

**RACE 6** 9:25 PM | EUR5,000 | **DRESDEN** | 1500m

|    |                |                                                                                                                                               |
|----|----------------|-----------------------------------------------------------------------------------------------------------------------------------------------|
| 4  | CHERRY LOU     | Runner showed Top 3 form over 1400m and 1600m in 4YO+ and steps up to 1500m Condition.                                                        |
| 11 | BELLA SINFONIA | Placed 3rd in a 1600m Group 3 in October; proven over similar trip, this 1500m Condition sees a drop in class.                                |
| 9  | PRAIRIE MOUSE  | Recent Top 3 at 2050m Class C; returning to 1500m Condition, needs sharp improvement but previous placing shows some promise at longer trips. |
| 7  | POWER LADY     | Consistent recent Top 3 finishes over longer trip; tackles 1500m Condition race, needs to show similar form dropping sharply in distance.     |

**RACE 7** 10:00 PM | EUR8,200 | **DRESDEN** | 2000m

|    |              |                                                                                                                                          |
|----|--------------|------------------------------------------------------------------------------------------------------------------------------------------|
| 10 | ATLANT       | Comes off a 1st over 2000m Condition in October; now up in class to 2000m A3, improvement needed.                                        |
| 4  | MARIANO      | Consistent recent 2950m and 2300m A3 Top 2 form, returning to 2000m A3 with a solid chance to feature prominently.                       |
| 2  | MINOR        | Strong win latest 1800m Condition; up in grade to 2000m A3, but recent form over similar distance suggests further improvement possible. |
| 6  | LADY PRETEND | Solid 4th in 2400m A3 on 31 October; previous 2200m D3 win shows promise at this distance but needs improvement for this class.          |

**RACE 8** 10:35 PM | EUR6,000 | **DRESDEN** | 1900m

|    |                    |                                                                                                                       |
|----|--------------------|-----------------------------------------------------------------------------------------------------------------------|
| 1  | EMILIO             | Solid 2nd over 1750m A4 on 31 October; steps up to 1900m A4, aiming to build on that strong recent form.              |
| 4  | PRINCESS CHURCHILL | Consistent at 1800-2400m Condition, including two wins and a 3rd; needs to prove herself at 1900m A4 on a grade rise. |
| 2  | ANTON DER GUETIGE  | Recent runs over similar distances in A4 with one win; capable of improvement at 1900m A4.                            |
| 11 | VARICON            | Recent A4 2000m and 2200m runs off the pace; needs marked improvement to feature over 1900m A4.                       |
