

**RACE 1 11:00 AM | \$27,000 | SWAN HILL | 975m**

5	<b>FORNOF</b>	Good jump outs either side of a 10-month break. Canny stable making the long trip. D Yendall a flashing light. Include.
11	<b>SMASH BLUE</b>	Good improvement at 2nd start. Winner there looks handy. Back in trip may help. In the mix.
9	<b>NO OVERTAKING</b>	Trial and jump outs have shown some good natural toe. Awkward gate, but respecting any betting moves.
4	<b>MONIX</b>	Jump outs have indicated some ability. Playing at home and drawn well. Follow the market.
10	<b>NORMANDY LASS</b>	Resuming. Big break after two uninspiring runs. Last jump out fair. Good gate but need to see.

**RACE 2 11:30 AM | \$27,000 | SWAN HILL | 975m**

9	<b>BRIDGEITALL</b>	First-up. Debut was ok in a maiden with strong form. Good jump out at Kerang. Must include here.
8	<b>BREAK OUT LUCILLE</b>	Resuming. First two starts pass marks. Recent prep work has been handy. Can improve.
3	<b>HELOVAWIN</b>	Coming off a plain run at Seymour first-up. Fitter. Place claims.
5	<b>MY BOY RICKY</b>	Resuming. Recent jump outs were a bit better. L Meech interesting engagement. Can improve.
4	<b>HUE BOLT</b>	Two jump outs suggest this 4yo may need racing.

**RACE 3 12:00 PM | \$27,000 | SWAN HILL | 1300m**

6	<b>WELCOMETOTHESHOW</b>	Plenty to like about his form. Bit fitter here, and 1300m looks suitable. Hard to beat.
12	<b>ASAKURA</b>	Trials: (1:0-0-0). Two jump outs this time up have been quiet. D Yendall key engagement. Must follow market.
16	<b>STEADY ON</b>	First-up. Sat wide and never travelled on debut. Three gear changes here. Jump outs good. Include.
11	<b>SUPIDO'S LITTLEONE</b>	Racing consistently. Place claims again from good draw with handy claim.
10	<b>MYERS DELIGHT</b>	Resuming. They can always improve 2nd prep. Market.

**RACE 4 12:30 PM | \$27,000 | SWAN HILL | 1600m**

4	<b>PICK WISELY</b>	Solid run resuming. Will appreciate the mile and be fitter. Looks well-placed here.
8	<b>CALL ME RHONDA</b>	Two runs this prep solid. Likes wet tracks. Just going to need some luck from nasty gate. Each-way.
3	<b>KARASMATIC</b>	Form ok, but punters getting frustrated. Right in this if runs out the 1600m.
2	<b>IL CIELO</b>	Stalked pace and kept on okay to place at Mildura. Not sure strong mile. Awful gate. Chance.
7	<b>YUBEEFORTY</b>	On a quick back-up. Looks limited, but border-hoppers going ok lately. Place claims.

**RACE 5 1:00 PM | \$27,000 | SWAN HILL | 1600m**

5	<b>SHAL EXCEED</b>	Returning from let-up. Been racing really well. Jump out to prime him. Might go better on firm decks however.
6	<b>CHILLY CHARLIE</b>	Last two runs ok, but may appreciate getting back on the turf here. Mile ok. Can improve a bit.
8	<b>TRACK PATCHER</b>	Ran home respectably at Warracknabeal last start. Can be a bit fitter. Solid place claims.
14	<b>TARSHIN</b>	Last two runs handy on soft decks. Probably get that here, so can run ok from ideal gate.
12	<b>STAR CANTO</b>	Couldn't handle the step up to Bm64. Weaker here so may improve to place.

**RACE 6** 1:30 PM | \$27,000 | **SWAN HILL** | 2400m

2	TAKE A PICK	Grinding stayer back to a better trip. Gets D Yendall. Not sure if wet. Include.
7	DJOCKOVIC	Freshened. Found the SA race a bit hard. Previous run here was good. May prefer the rain to stay away. Improver.
4	MAKUSHA	Found his mojo by leading up in Hcp 58's. Harder here, and trip unknown, but can't knock form horses.
1	GIFT OF ORATORY	Gave in easily at Ballarat Synthetic last outing. Better on dry decks. Place at best.
3	DUBAI MOON	Fell over the big jumps last start. Recent flat form very mixed. Take on trust.

**RACE 7** 2:00 PM | \$27,000 | **SWAN HILL** | 975m

8	STRUGGLE STREET	Combination of new stable or gear changes or wet track did the trick 1st-up. 2kg penalty here but doubt it stops her.
6	REWARD THE SHERIFF	3yo very good at track/distance. Has to overcome fiddly gate though. Blinkers on. Each-way.
5	MISTAVAIN	Honest gelding. Bm58 from the soft draw look ideal. Probably needs dry to do his best however.
2	BON SHADOW	Back from a let-up. Veteran still racing well, and two recent solid jump outs. Does need dry to show best.
7	DERELICT	Resuming. Formerly with Kane Harris. New stable have been going well. Two jump outs so respect here.

**RACE 8** 2:30 PM | \$27,000 | **SWAN HILL** | 1200m

2	BURTON STREET	Genuine wet-tracker who is always competitive when conditions suit. Great draw. Weather watch.
4	SPIRITED DEFENCE	Extraordinary recent SP's. Seems to be best when ridden cold. Wet unknown. Hard to know.
7	DA NANG STAR	Chasing hat-trick. Loving the heavy tracks. Harder race here, but with rain & right map can go in the mix.
10	GUNDAROO	Might have been too wet at Bendigo. Previous form gives him place claims in a tricky affair.
3	OAK PARK REBEL	Hasn't been attacking the line lately. Generally gets back in races. Rain may help but prefer to see.
