Busan Race 2: Class 6 (1300M) Special Weight A / KRW 30 Million

(2) TAMNA FIRST took a while to get to the races, but it was worth the wait with a debut 2nd over 1200M on March 28th, when settling midfield and running on. He should have come on for that run, he draws a much better gate, and he can win. (3) ALL THE WAY also debuted in that March 28th race, coming from well off the pace to run a useful 3rd. She too should have derived benefit from that and can be in this all the way. (9) SHOOT FORTHEMOON impressed in trials and was a fair 5th on debut on March 21st at this distance, settling back and running on. He is another who can have come on for the experience. (10) HIGH TENSION and (8) WONDER MOCCASIN have more experience and can be in this.

Selections	(2) Tamna First (3) All The Way (9) Shoot For Themoon (10) High Tension

Busan Race 3: Class 6 (1600M) Special Weight A / KRW 30 Million

(9) GLORY WIND beat several of these in her way to 2nd from the widest gate on what was her first try over the mile on April 11th. She should get an easier run to the front today and she is favoured to go one better. (1) HIT MAJOR ran 3rd in that race which for him too was a best to date finish. He had been getting better across his last couple of outings and Tanaka stays on. (6) DORAON SAMSON has a 2nd place on his record and while he could only manage 6th on his first try at a mile last month, he can have learned from it and Seo Seung-un climbing up for the first time will make plenty take note. (4) GLORY ALPHA and (2) FLYING ICE other place chances.

Selections	(9) Glory Wind (1) Hit Major (6) Doraon Samson (4) Glory Alpha

Busan Race 4: Class 5 (1200M) Handicap / KRW 45 Million

Fillies and mares only here. (7) FLY TO THE MOON remains a maiden but has never finished any worse than 5th and has a 2nd and a 4th in two tries at this class, both over this distance. In this company she can be on pace and today can be her day. (3) KYUNGNAM DRAGON was the winner of a similar class and distance race on April 11th, settling handy and running on.

She has never failed to place over 1200M and while she is up 3kg in the weights, she draws nicely and can be a danger again. (1) SEOGWI LADY was 5th in that April 11th race having previously won on debut at this distance in March. She is another who will be on the speed and can be in this a long way. (5) DAESUNG FLY and (6) MOTHER CHUKJE are others in the frame.

Selections	(7) Fly To The Moon (3) Kyungnam Dragon (1) Seogwi Lady (5) Daesung Fly

Busan Race 5: Class 4 (1800M) Handicap / KRW 60 Million

(1) DUSTIN MARINE won back-to-back races over the turn of the year to get rapidly promoted to this class and has since run 2nd in both of his tries at this level at 1400M and a mile, the latter his latest on April 6th. He steps up to two turns for the first time but there is no reason it can't suit, and he can return to winning ways here. (7) HELLO SUNSHINE returned from four months out to run a fair 5th at this class and distance on March 23rd. He had previously placed at this distance and while 1800M first-up was always going to be a hard ask, he can strip fitter this time. (2) BLACK FALCON got his solitary win over this distance and recent form suggests he should be close here. (3) POCKET MILLION and (8) FAT BOY others in the hunt.

Selections	(1) Dustin Marine (7) Hello Sunshine (2) Black Falcon (3) Pocket Million

Busan Race 6: Class 5 (1400M) Handicap / KRW 45 Million

(7) WORLD HIT got his sole win on debut, but he has been close on plenty of occasions since and led for much of the way at this distance on March 30th before ultimately finishing 4th. He can lead again, and this time go all the way. The danger is (3) FLASH PARK. He won on debut at 1200M in February and then ran 3rd at 1300M on his first try at this class on April 6th when on pace throughout. From a good draw he will be on the speed again and will probably start as the betting favourite. It's hard to go past those two for the quinella, but (5) CANCAN STEP has won at this distance and placed at this class two starts back. (4) WONDERFUL FEVER and (9) RAINBOW ROAD are the other minor money chances.

Selections	(7) World Hit (3) Flash Park (5) Cancan Step (4) Wonderful Fever

Busan Race 7: Class 5 (1800M) Handicap / KRW 45 Million

We'll take a chance on (6) STAR PARK here. Draw a line through his latest on April 4th when beaten by a few of these – he was slow away and found to be slightly lame. He was favourite for that based on a 3rd and a 2nd in his two prior outings, both at this class and distance, and he is worth another chance today. (4) PINOT POWER overcame the widest gate to run 3rd in that April 4th race. He only comes up 1kg in weight and from a much better gate he can be in the mix again. (3) CARIBBEAN BAY got his maiden win at the fifth time of asking over a mile on March 28th. He comes up in class and distance, but neither should be a problem, and he can measure up. (5) GOOD DADDY and (10) ARIONUI BIT others to consider.

Selections	(6) Star Park (4) Pinot Power (3) Caribbean Bay (5) Good Daddy

Busan Race 8: Class 2 (1200M) Handicap / KRW 90 Million

Very competitive finale. We'll go with (2) TAEWANG SINGI. He is up in class following a win at this distance, leading all the way on March 23rd. He is down significantly in weight, draws well, and can win again. (1) KING ANYDAY come sin having run a fair 8th of fifteen in the G3 SBS Sports Sprint at this distance on April 13th. He can mix his form but looks nicelu in here and should be a danger. (4) DOCTOR KINGDOM ran twice over 2000M around the turn of the year. He comes in here fresh after fifteen weeks off and coming back to a trip at which he hasn't won but hasn't failed to place at, he can be in the mix. (10) BIWOL and (6) CARPE BABEL others in the hunt.

Selections	(2) Taewang Singi (1) King Anyday (4) Doctor Kingdom (10) Biwol
