Summary: PUERTO MADERO (3) was a good second two runs ago at Saint-Cloud over 1400m and is the tentative selection in an open race. JACK O'BOY (2) scored three runs ago over 1400m in a Class 3 race and is more than capable of being involved. KERNO QUATZ (6) is one for the each-way backers to look at after a credible run last time when fifth at Saint-Cloud. MILAD (8) makes up the shortlist.
