2 - Flat - EUR € 24,700**

1. LE LANDIN - Nice win over 1650m in a maiden race at Craon on September 6th by 0.75L. He is open to more progress and warrants respect

2. VAN BLUTCH - Facile success by 11L on his only start over 1800m in a maiden race at La Teste on September 6th. He looks above average and can follow up

3. MAGDA - Good win when getting on top near the line on his second start over 1700m at Marseille Borely on September 4th in a maiden race. He will thrive over this extra distance

4. MUSICAL MOON - Nice win on her second start at Le Mans over this trip on September 12th in a maiden race. Has to improve further to be involved in the finish

5. MADAME LY - Two wins of late, the latter over 1600m in a handicap at Saint-Cloud on September 26th by 2.5L. She is improving and can play a live role

6. DELICADA - Won on her sole start over 1800m at Saint-Malo on August 29th in a conditions race in a close finish. Improvement expected but this is a much stronger race and others preferred

Summary: VAN BLUTCH (2) made a striking debut, winning by an impressive 11 lengths at La Teste in early September. He's open to further improvement and could well follow up. LE LANDIN (1) deserves respect after scoring in a 1650m maiden at Craon last month. The step up in trip could unlock additional progress. MAGDA (3) also looks likely to appreciate the extra distance, having finished strongly to win last time out at Marseille-Borély in September.

3. THE LAST FOAL - 7th on his debut at Landivisiau over 2150m in a maiden race on September 21st.

4. BLOWN BY THE WIND - Four unplaced runs this year, all in decent races, below par in a Class 2 race at Compiègne over 1600m on September 24th. Capable if returning to her better form

5. SEPULVEDA - Unplaced last time, a win previously over 2000m at Le Lion D'Angers on May 6th in a maiden race.

6. DUNE - 6th in a Listed race at La Teste in late August last time out, 2nd previously over 1800m in a Class 1 race at Compiègne on June 21st. Player

7. MELANESIA - Credible 6th in a Class 2 race at ParisLongchamp on September 4th, she won before that over 2200m at Clairefontaine in a maiden in mid-August. Can have a say

Summary: DUNE (6) found Listed company a bit too demanding at La Teste in late August, but her runner-up finish in a Class 1 at Compiègne in June was a solid effort. She gets the marginal vote ahead of MELANESIA (7), who ran respectably in a Class 2 event at ParisLongchamp on September 4th. BLOWN BY THE WIND (4) has been slightly below her best of late, but if she can bounce back to form, she must be taken seriously. SEPULVEDA (5) looks the best of the remainder.

- 10. KAISERROSE** - Unraced filly by Japan, the dam won two races and was Listed placed. From a top stable that will have this filly well prepared for her first day at school. The betting can be informative

Summary: MIDNIGHT MAGIC (6) looks the most sensible option in this fillies' event. She was narrowly beaten into second over this track and trip in early September and can go one better here. Her likely main rival is TEAM BREIZH (7), who finished third in that same race, one length behind, when they met on September 12th. MUHA MALPIC (9) has an appealing profile and is worth monitoring in the betting for any support. Debutante KAISERROSE (10) is another to keep in mind and could run well.

13. **ESKENDER GLAZ** - Newcomer by The Grey Gatsby, the dam never ran. His trainer is not known to produce many first-time-out winners. The betting patterns could be informative

Summary: DIABLOTIN (8) has been fourth on the last two runs, the most recent at this track in a maiden race in early September. He is the tentative selection ahead of LAPENTY (9), who looks good on paper. His dam was a smart performer who won at Group 3 level. The booking of Maxime Guyon catches the eye. CLOTH OF GOLD (10) is also making his debut and is one to keep an eye on in the betting market. NABAB ' K (6) looks best of the remainder.

8. SANGOMAR - Placed on both of her starts, the latter over 1600m at Chantilly on September 15th in a Class 2 race. Can be involved at the finish

Summary: NORTH ICE (1) got a deserved success over 1200m on his latest start at Marseille Borely in mid-September. The step back up to 1400m should not be a concern. He can get the verdict over WARAMINI (6), who ran in a strong Class 2 race at Deauville last time and is best judged on her win at Compiègne in July. SANGOMAR (8) has shown promise and can be involved at the business end. KOZLOVSKHA (7) can improve from her debut fourth and looks best of the rest.

8. HERMETIC - Ran well to get off the mark on his second start at Le Lion D'Angers on September 20th in a maiden race last time out. One to keep safe

9. DARINGA - Unplaced last time out, a win before that over 3000m in a handicap at Le Lion D'Angers on August 14th. Faces a stiff task

10. ILE DE RE - Won on her second run over 2650m at Chateaubriant on May 12th in a maiden race. This will be more challenging

12. **KALINAGO** - Ran 13th in a Handicap over 2000m at Saint-Cloud on 19 September. That was her first run after a rest so improvement is expected
13. **GERMAN STYLE** - Ran 5th in a race over 2050m at Magdeburg in Germany on 13 September. Has form over this distance in Germany

Summary: MISS ANGEL (1) has raced in far stronger company and showed last time when dropping back to a Claimer that she is highly competitive at this level. That does make her the runner they all have to beat. PINYA (5) got off the mark last time with a win in a Maiden and could go on with her lifted confidence. Once you look past those two there are many with chances, in particular RUE DE L'ODEON (7), who drops in class, and ZUNDER (3), who will race in Australian blinkers this time.

ASENSEOFSERENITY (3) tends to run well in races at this level and should be competitive once again. ARTEMISE (11) has been contesting Handicaps and should improve dropping in class.
