**Busan Race 2: Class 4 (1800M) Handicap / KRW 60 Million**

Small but useful field. (1) DOCTOR CHRIS has finished in the top three in all five starts so far and was an all the way winner over this distance at class 5 level in October before running 3<sup>rd</sup> on his first try at this class on November 28<sup>th</sup>. He can lead here and this time got home in front. (5) FLYING THE KHAN has a win and three placings at this distance, most recently 3<sup>rd</sup> on December 12<sup>th</sup> when racing three of today's rivals. He is under a light weight, Seo Seung-un climbs on, and he has to rate as a chance. He will need to overturn the form on (8) BACKTOTHECHAMPION, who was 2<sup>nd</sup> in that December 12<sup>th</sup> race at big odds on his first start since September. He can strip fitter for that effort and warrants respect. (4) BLUE POINT and last start winner (7) TRIPLE DREAM others to consider.

<b>Selections</b>	(1) Doctor Chris (5) Flying The Khan (8) Backtothechampion (4) Blue Point
<b>Next Best</b>	7, 2
<b>Fast Start</b>	1, 2, 6, 7

**Busan Race 3: Class 5 (1200M) Handicap / KRW 45 Million**

(4) PISTOL CUT's maiden win had been coming, and it arrived at start number three over this distance on December 12<sup>th</sup> when she led all the way. She is up in class here, but she draws well to lead again, she is down in weight, and she can go back-to-back. (3) APDOJEOK NUMBERONE beat three of today's rivals on his way to 2<sup>nd</sup> place at this class and distance on December 12<sup>th</sup>, settling back and running on. Leaving himself a bit much to do has been a characteristic but he gets a 4kg claim and should be in the finish. (2) DAEHOMA runs every couple of weeks and while perhaps not a winning chance, can match his 3<sup>rd</sup> place on Boxing Day with a better gate to boot. (6) CRUELLA and (5) ILLUSION are perhaps the best of a limited rest.

<b>Selections</b>	(4) Pistol Cut (3) Apdojeok Numberone (2) Daehoma (6) Cruella
<b>Next Best</b>	5, 8
<b>Fast Start</b>	1, 4

**Busan Race 4: Class 4 (1200M) Special Weight A / KRW 75 Million**

Imported three-year-old maidens with five of the eleven making their racing debuts. (4) EUNHASU is the only one who has raced twice, following up a 5<sup>th</sup> place on debut with a close

2<sup>nd</sup> at this distance on December 12<sup>th</sup>, coming from off the pace and almost getting up. He may have a fitness edge on his rivals here and he can go one better. (3) TRIBAL WAR led all the way to win his trial in a fair time. The Mineshaft colt draws nicely here and with Franco booked, can put in a bold showing. (2) ONE LAST MARGARITA went through two trials, winning the second of them (it was voluntary so may not be in all racecards – he came out of gate 10 to score in 63.5 seconds). He can be nice and fit for this and be a danger. Returning to the experience, (1) GYEONGBOK STREGA and (10) TYCANTHUNDER debuted together on November 28<sup>th</sup>, and both have potential.

<b>Selections</b>	(4) Eunhasu (3) Tribal War (2) One Last Margarita (1) Gyeongbok Strega

<b>Fast Start</b>	1, 3, 5, 10

### **Busan Race 5: Class 6 (1300M) Special Weight A / KRW 30 Million**

(7) DOCTOR ACE has made progress across his six starts to date with his latest his best when 2<sup>nd</sup> to Pistol Cut (who we should have seen in race 3). He was beaten six-lengths, but in this company, he should be on or close to the pace, and he can win. (8) YONGBI SHARK hasn't yet managed to match the 2<sup>nd</sup> he managed on debut, but he comes in off a decent 4<sup>th</sup> place on December 19<sup>th</sup> over this distance and can shape as a danger here. (4) FANTASTIC SANTA ran 5<sup>th</sup> on debut, also on December 19<sup>th</sup>, running on pleasingly enough and with some natural improvement, can get closer. (6) ROYAL CRYSTAL, and the solitary first time starter (1) WONDERFUL MUD, are other place chances.

<b>Selections</b>	(7) Doctor Ace (8) Yongbi Shark (4) Fantastic Santa (6) Royal Crystal

(8) BIG STAR has a 3<sup>rd</sup>, a 2<sup>nd</sup>, and a 4<sup>th</sup> from three starts so far, up to 1300M. He finishes off his races very well, and the slight step up in trip to 1400M can be what he needs to score his maiden win. (9) PORT MORE has a best of 3<sup>rd</sup> from four outings to date. Since his latest appearance when 5<sup>th</sup> at 1200M on December 5<sup>th</sup>, he has been back to trial, where he finished 2<sup>nd</sup> in a decent time. Seo Seung-un gets on for the first time, and he will have plenty of backers. (7) MYSTIK JIN was 2<sup>nd</sup> on debut over 1200M in November before finishing 5<sup>th</sup> behind Big Star on December 12<sup>th</sup> when on pace throughout He'll be on pace again and can be in this a long way. (1) KING BLACK and (3) GLORY WIND are the other main chances.

### **Busan Race 7: Class 5 (1800M) Handicap / KRW 45 Million**

(10) SUN LIGHT is yet to win in ten attempts but has three runner-up finishes from her last four, most recently a close reverse over a mile at this class on December 12<sup>th</sup> when coming from off the pace. She carries a light weight, the step up to two turns can suit, and she can make her breakthrough here. (8) YURIM SKY has two 3<sup>rd</sup> places, both at this class and distance in two outings since returning from a couple of months off. He likes to race on pace and can be a danger. (7) UNJU MAGIC was tried in Listed juvenile company in the autumn and while he finished down the field, he didn't run badly/ He has a 4<sup>th</sup> and a 5<sup>th</sup> in two outings back in more amenable company, most recently at a mile, and with Franco climbing up, he can be close. (6) ALICE MARINE and up in class last start winner (3) SKYLOR JIYOU others in the frame.

<b>Selections</b>	(10) Sun Light (8) Yurim Sky (7) Unju Magic (6) Alice Marine
<b>Next Best</b>	3, 5
<b>Fast Start</b>	2, 3, 6, 8

### **Busan Race 8: Class 4 (1200M) Handicap / KRW 60 Million**

(10) FLYING DANU raced for the first time since February on December 12<sup>th</sup> and led for much of the way over this class and distance before finishing 3<sup>rd</sup>, beating a few of today's rivals. She has the challenge of a wider draw here but can win. (2) MR. PRIME was a winner on debut with a front-running effort over 1200M on November 28<sup>th</sup>. He is up in class here but draws very well to lead again and a repeat is possible. (5) FLY TO THE MOON returned from four months out to run a fair 5<sup>th</sup> of twelve over this distance on December 12<sup>th</sup>. While yet to win, she has also never finished outside of the top five and, stripping fitter for that run last month, she can get closer today. (7) BEOLGYO WANGCHO and (4) ROAD TO WIN among plenty of others with at least placing chances.

<b>Selections</b>	(2) Mr. Prime (10) Flying Danu (5) Fly To The Moon (7) Beolgyo Wangcho
<b>Next Best</b>	4, 3
<b>Fast Start</b>	2, 4, 8, 10

## Busan Race 9: Class 3 (1400M) Handicap / KRW 75 Million

(9) WORLD LIST CAT was a winner on his first try at this distance at class 4 in October before running 3<sup>rd</sup> behind Beolma King (who won again last week) when racing against plenty of today's rivals at this class on December 5<sup>th</sup>, showing on pace throughout. An apprentice claim helps him come down a full 4.5kg in carried weight today and he can win. He needs to overturn the form on (10) BINNANEUNGIL, who ran 2<sup>nd</sup> in that December 5<sup>th</sup> race, settling midfield and running on. That continued a continued a consistent series of results and while he has his fair share of weight, he can be in the mix again. (5) DRAGON NINJA returns to action for the first time since April. He looked well in trials in both October and November and under a light weight, can go well first up. (7) MAENGNYONG and (3) RAON VIBE MAN others in the frame.

<b>Selections</b>	(9) World List Cat (10) Binnaneungil (5) Dragon Ninja (7) Maengnyong
<b>Next Best</b>	3, 11
