### **Seoul Race 4: Class 6 (1700M) Special Weight A / KRW 30 Million**

(2) POWERFUL IMPACT beat four of today's rivals on his way to an improved 2<sup>nd</sup> when stepped up to this trip for the first time on December 7<sup>th</sup>, settling just behind the speed and only going down narrowly. Asano stays up and if he has held his form, he can go one better today. (11) GLORY JOY 3<sup>rd</sup> in that December race having been sent off as second in the market. He races best on the front and while he has the challenge of the widest gate, if he can find a position early, he is a chance. (3) WILD MAGIC has two 3<sup>rd</sup> places among three starts so far and she can maintain the positive start to her career here. (9) FIGHTER and (5) BLUE DRAGON others in the placing frame.

### **Seoul Race 5: Class 5 (1200M) Special Weight A / KRW 45 Million**

Fillies only in this maiden. (7) RAON THE TONY was a solid 3<sup>rd</sup> on debut over 1200M on December 7<sup>th</sup>, showing close to the pace throughout. Expect similar tactics here and she won't need to improve very much in order to win this. (3) WONDERFUL TUNE UP enters off back-to-back 4<sup>th</sup> place finishes in similar filly maidens at 1300M and 1400M. From a good gate, she can be on pace and looking to improve. (6) BANK LINE has two 5<sup>th</sup> places and a 4<sup>th</sup> from three outings to date and looks to be on the right trajectory. She is another who should be seeking to get forward early and who can be in this a long way. (9) HAPPY TOGETHER and (8) ENERGY POWER others in the hunt.

### **Seoul Race 6: Class 5 (1300M) Handicap / KRW 45 Million**

(10) ROYAL SOCKS is a winner of two from five, including at this class and distance two starts back in September. Most recently he was 3<sup>rd</sup>, again at 1300M, on November 29<sup>th</sup>, when settling behind the speed and running on. An apprentice takes 4kg off his back today and he

can win. (9) HAKSAN SWORD is up in class having scored his maiden win in a quick time over this distance on December 13<sup>th</sup>. He comes down in weight and can measure up in this company. (7) SEOBU SKY had an ordinary day at the office last time but in this field, he can get forward to the speed and may make for some each-way interest. (6) GIDAEHARA and (4) J ONE POWER are others to consider.

<b>Selections</b>	(10) Royal Socks (9) Haksan Sword (7) Seobu Sky (6) Gidaehara

### **Seoul Race 7: Class 5 (1400M) Handicap / KRW 45 Million**

It took (5) CONCORD CODIE a couple of goes to figure things out, but he comes in here off back-to-back wins, the first an emphatic nine-length score over 1200M and then a solid effort in a tight finish on his first try at this class and distance on December 6<sup>th</sup>. He comes up 3.5kg in weight but can complete his hat-trick here. (10) VALID YOUNG came from off the pace to win on debut over 1200M on December 7<sup>th</sup>. He comes up in class and in distance today, but neither should be an issue and down in weight, he can be a threat. (4) MUJEOK HAMDAE is also up in class following a maiden win. In his case, it came at start five over 1300M and his running style also suggests that slightly further can suit. (1) HAKSAN DAESE and (11) POETIC NUBI other place chances.

<b>Selections</b>	(5) Concord Codie (10) Valid Young (4) Mujeok Hamdae (1) Haksan Daese

### **Seoul Race 8: Class 4 (1400M) Handicap / KRW 60 Million**

Arguably the race of the weekend. After running 3<sup>rd</sup> on debut, (3) DI NE finished a creditable 6<sup>th</sup> of thirteen in Listed juvenile company in September and then registered back-to-back emphatic wins at 1200M and 1300M to get rapidly promoted to this class. He comes up to 1400M for the first time, and he doesn't get a weight break, but he is well drawn to lead, and the manner of those wins suggests there is more to come. The horse Di Ne finishes 2<sup>nd</sup> to on debut was (2) TAEYANGUI JEONSA. That was his debut and he then finished behind Di Ne in that same Listed Juvenile race before putting together two wins of his own at 1300M and 1200M. The latter was at this class on December 7<sup>th</sup> and while up 3kg in weight, he is a big danger. (8) PERFECT DANAEUN has won his last four, most recently beating three of today's rivals at this class and distance on December 6<sup>th</sup>. He is up 3kg in weight but has won under

the same weight before and shouldn't be ruled out. (11) SAENAE KHAN and (4) WHIZ WIN among plenty of others who know where the winning post is.

<b>Selections</b>	(3) Di Ne (2) Taeyangui Jeonsa (8) Perfect Danaeun (11) Saenae Khan

### **Seoul Race 9: Class 4 (1800M) Handicap / KRW 60 Million**

(2) BEOLGYO DESTINO had been working towards a second win, and it duly arrived on December 14<sup>th</sup> with a front-running effort when tackling this distance for the first time. He is up in class here, but he is down in weight, he draws nicely to lead again, and he can go back-to-back. (5) STING JET has run 4<sup>th</sup> in each of his last three, most recently at this class and distance at the end of September when he led. He comes in fresh and from a better gate, he can get closer today. (3) CHEONGSAN JILJU has places at this class as recently as November. An apprentice claim keeps his weight nice and low, and he can be in the finish. (7) SUMMER PARTY and (9) SUPER ECTON others to consider on a place line.

<b>Selections</b>	(2) Beolgyo Destino (5) Sting Jet (3) Cheongsan Jilju (7) Summer Party

### **Seoul Race 10: Class 3 (1800M) Handicap / KRW 75 Million**

Since returning from six months off at the end of August, (8) BRAVAZO EMPIRE has been getting closer to another win, with two 4<sup>th</sup> places and a 3<sup>rd</sup> from three starts back, most recently his first try at 1800M on November 30<sup>th</sup> when he beat two of today's rivals. He should have benefited from that experience and he can win today. The danger is (10) BLUE NELLO. He has a win and two placings at this trip already and was 2<sup>nd</sup> at class and distance on December 14<sup>th</sup>. He comes up slightly in weight, but he won't be far away. (2) SEGWANG FIGHTER and (1) DRAGON GATE ran 6<sup>th</sup> and 7<sup>th</sup> behind Bravazo Empire on November 30<sup>th</sup> but both come into better gates today and can be closer. (5) ULTRA THUNDER an each-way chance.

<b>Selections</b>	(8) Bravazo Empire (10) Blue Nello (2) Segwang Fighter (1) Dragon Gate
<b>Next Best</b>	5, 9
<b>Fast Start</b>	1, 2, 5, 8

## **Seoul Race 11: Class 3 (1200M) Handicap / KRW 75 Million**

(5) WONPYEONG SKET ran 2<sup>nd</sup> in three Listed Juvenile races last autumn before rounding out the year with victory at class 4 level over this distance when leading and holding on having drawn the widest gate. She is up in class but down in weight and from a good draw she can lead again and should have enough about her to hold off this lot. (1) WE GO HIGH was an all the way winner over this distance on November 29<sup>th</sup>. He is up in class today but is a winner of four from seven and can be a danger. (4) ORION ALPHA and (2) EXCELLENT TAN were 2<sup>nd</sup> and 3<sup>rd</sup> at this class and distance on December 7<sup>th</sup>. They are both drawn better today and should be in the finish. (3) GEUMSE another place chance.
