

RACE BY RACE PREVIEWS: GREYVILLE POLYTRACK@2021.12.10

Greyville Polytrack, 10.12.2021, Race 1, Gallops, 1400m, Poly, R80.000, 16:20GMT+2

Race Summary: POPPY OF BAYEUX was unlucky on the poly in her penultimate and hopefully gets a clear passage this time. She has run well over this trip and a 4kg apprentice claim could give an added advantage. But FLAG OF WREN showed good pace on turf last time and turned in a useful performance the last time she raced on the synthetic. She could get much closer. ZURI'S STAR and TIDE IS HIGH met males last time and were not disgraced. The former may have needed it and has the better draw so can improve. IRON CHEF and CARNELIAN BAY could also get into the fight for money.

Selections:

#5 Poppy Of Bayeux, #4 Flag Of Wren, #2 Zuri's Star, #7 Tide Is High
