### RACE 3: BRITISH STALLION STUDS EBF FILLIES' CONDITIONS STAKES (GBB RACE)

**Symphony Perfect      Porsche Cavalier      Benefit**

This represents the easiest task that SYMPHONY PERFECT has had for quite a while, having contested some valuable races over the last two months. Richard Hannon's filly may be better suited to the hustle and bustle of a big field but granted a strong pace here, she could be coming home faster than most. Porsche Cavalier appears a shrewd purchase for Robyn Brisland and is likely to be the biggest danger on the back of a strong effort in the Dick Poole Stakes. Wolverhampton winner Benefit is open to any amount of improvement as well.

**Midgetonamission      Hurry Up Hedley      Fille De La Lune**

MIDGETONAMMISSION was an eye-catcher after she encountered traffic problems at Brighton earlier this month. The daughter of Holy Roman Emperor gets the vote to build on that performance and she could be suited by the return to this longer trip. Hurry Up Hedley looks to be the chief threat after his recent Wolverhampton success, while Fille De La Lune can also get involved with the cheekpieces retained.

**RACE 5: BET AT RACINGTV.COM SELLING STAKES**

**Lexington Force      Maysong      Kodi Gold**

LEXINGTON FORCE posted a respectable third-placed effort in this sphere when last seen at Hamilton. That form reads well in the context of this race and the four-year-old can build on that performance now tried with first-time blinkers. Maysong could be the danger now switching from the all-weather and can make his presence felt at this level, while Arizona Gold and Kodi Gold also make the shortlist.
