POMPANO (2) has been focusing on hurdle racing but has run well on the Flat. He is untested on the surface, however. LUCIO VERO (3) is a specialist over this distance but tries this surface for the first time. MILORD DU LEMO (11), however, runs well on the sand and is in good form.

**C2 - PRIX VODKATO - 1900m (a1m1/4) - ALL WEATHER - Class 1 - Flat -
EUR € 34,800**

1. ZOOM - An excellent 2nd in a Listed race over this course and distance on 26 November. He fought to the wire in his last start and will have improved. The runner to beat

2. ALMIRO - Third in a Handicap over 2000m at ParisLongchamp on 5 June. Has solid form but it is on turf and he will be returning from a longer than 6-month break

3. TRABUCO - Ran 6th in a Conditions race over 2700m at Chantilly on 18 November. Form not strong enough to make him competitive in this

4. MISTER GATZ - Ran 12th in a Listed race over 3000m at Fontainebleau on 13 November. Takes on a lot stronger this time and will need to up his game

5. BELIEVER - A decent 2nd in a Conditions race over 1950m at Le Mans on 17 November. That was his second run after a break and there could be more to come from him

6. DRUMARD - 2nd in a Conditions race over 1800m at Croise-Laroche on 15 November. He has not had a lot of races on this surface but does have some decent overall form

7. ROCK BLANC - Won a Handicap over 1900m at Chantilly on 10 November. That race was on this surface, and as a solid performer should go close

8. ARAMIS AL GUNAY - Finished 2nd in a race over 2000m at Munich-Riem in Germany on 8 November. Difficult to assess the strength of that form

9. WHAT DO YOU SAY - A weak 6th in a Conditions race over 1400m at Limoges on 29 November. Up in class and has a lot more to do

10. MERKUR - Encouraging 4th in a Conditions race over this course and distance on 6 November. He is in top form and is proven over track and trip. Should make his presence felt

Summary: ZOOM (1) has beaten better than he faces in this race and is always a contender on this course with two wins and two places in five starts. Should be too strong for his rivals. ROCK BLANC (7) is another who loves this course, having recorded three victories. He recently won his second Quinté+ and stands out as the main danger. MERKUR (10) is having his peak run after a rest and is course suited while BELIEVER (5) has more to offer after a good last effort.

C3 - PRIX DU BUSTE DE DESIRE LE HOC - 1900m (a1m1/4) - ALL WEATHER - Class 3 - Flat - EUR € 17,400

1. GRECIAN STAR - Finished 16th in a Handicap over this course and distance on 2 December. Recent form is weak and he unlikely to threaten

2. SAINT AQUILIN - A respectable 5th in a Claimer over this course and distance on 26 November. As Marvin Grandin will be back in the irons for this race this gelding should feature prominently

3. PRINCESSE SAPHIR - Won a Handicap over 2000m at Fontainebleu on 13 November. Among the top rated runners in the field so should be competitive at a course over which she has won

4. VILLA DARYA - A capable 2nd in a Claimer over this track and trip on 26 November. That run could give her the edge over a number of her rivals

5. MONBE - Won a Qualifying Handicap over this course and distance on 1 November. That was an authoritative victory coming off a break and there is no reason why she can't score a quick double

6. KER WELEN - Was 5th in a Qualifying Handicap over this course and distance on 1 November. That was behind MONBE (5) but he is now 1.5kg better off and should go closer

7. AL AMEED - Finished 7th in a Handicap Qualifier over 2500m at this course on 21 August. He is coming back from a layoff but has run well on the surface and can upset a few rivals

8. HENRY THE LION - A positive 3rd in a Handicap over 2000m at Marseille Vivaux on 18 November. Was 2.50 lengths behind MONBE (5) in his penultimate start and is 3kg better off so must be a lively contender

9. ATANASIO - Ran 5th in a Handicap over this course and distance on 5 August. Returning from a layoff and could need the run

10. LEPARD - A moderate 7th in a Claimer over 2000m at Saint-Cloud on 2 September. Form not strong enough and is best overlooked

11. FAMOSO - A poor 15th in Handicap over 1600m at Pau on 13 November. Form is weak and he is best ignored

12. MICHIGAN FIRE - Moderate 5th in a Qualifying Handicap over 2000m at Saint-Cloud on 20 November. Does look outclassed in this company

13. KIRBY - Was 5th in a Handicap over 1900m at Bordeaux Le Bouscat on 21 November. Others are preferred but on a good day could place

14. SALT FLAKE - Finished 9th in a Handicap over this track and trip on 20 October. Recent form has been uninspiring and she is probably better on turf

Summary: There was a lot to like about the manner in which MONBE (5) won her comeback race following a more than 7-month break. She loves the course and should be even better this time so looks hard to oppose. HENRY THE LION (8) is weighted to go close after running third behind the selection two runs back but she had plenty in hand. PRINCESSE SAPHIR (3) will have confidence after her last win and is rated to go close while KER WELEN (6) is also in good form and should place.

14. **JOHNNY JANE** - Ran 2nd in a Handicap over this course and distance on 28 November. Fought hard last time and was only snared late.
15. **MISTER BRYAN** - A moderate 8th in a Maiden over 2100m at Pornichet on 5 December. Did show some improvement racing on this surface last time but has a lot to do
16. **DOUBLE JEU** - An uninspiring 12th in a Maiden over 2400m at Pornichet on 22 November. Does not look good enough to make any impact

FRIDAY, 12/12/25

Summary: The outcome could be based on a race run over this track and trip on 28 November. JUST FOR GAB'S (6) has been consistently placed and is due for a win. The manner in which she finished of her race last time could see her reverse the form with JOHNNY JANE (14), who was just ahead of her and is expected to be competitive again, while DIAMONDS (8) should get closer to both of them off a better draw. ARYVESAN (2) is in good form but could be tested on the surface.
