Seoul Race 2: Class 6 (1700M) Special Weight A / KRW 30 Million

(5) HEUNGHAENG DOLPUNG has a 6th and a 4th in two starts back, both at 1300M, following a three-month layoff. Third-up he can be peaking and the step up to two turns for the first time can suit. (2) YEONMYEONGUI SUNGAN has been knocking on the doors of the places for a while and is another who may appreciate a bit of distance. His best finish of 4th came from on the pace and from a good draw, he may well aim to lead early here. (1) STREET RUBY needs a line drawn through his latest, but he was 2nd over this distance two starts back in June and that's enough for him to be in the reckoning here. (8) PROOF and (3) P N S PA are other place chances.

He is down 3kg in weight and can measure up in this company. So can (1) PERFECT DANAEEUN. He races for the first time since July 26th when he beat Jeugeoun Sangsang on his way to a narrow win. Busan Race 1: Class 6 (1400M) Special Weight A / KRW 30 Million

Fillies only in this maiden. (10) ALL THE BEST was ordinary on debut over 1000M in July but was an improved 3rd at start number two at 1300M on August 9th, racing on pace. She is drawn a touch wider than ideal but Seo Seung-un's booking catches the eye and she can be the

best of these. (8) CHAMPUI SIDAE has a best of 2nd in three starts over 1200M. She has been doing her best work late each time and the step up in trip can suit. (9) MAMBO SIDAE has similarly been running on in her races and 1400M can be to her benefit. (7) CRUELLA and (4) SINCHEON FREEDOM are others who can be considered on at least a place line.

She is up in class but down in weight and Ruan Maia will be hard to beat from the front here. (5) CHARMING QUEEN has a win and two runner-up finishes from three starts so far, with her latest 2nd being her first try at this class in a very similar filly race over 1300M. The slight step up in trip can suit, and she may well start as the betting favourite. (8) LUCKY DAY was a close 3rd at this class over 1300M on August 24th and under a light weight, she can be close again. (1) WONDERFUL PASS and (4) NAEGILUI ACE, the latter looking for a hat-trick of wins, are others who can be in the frame.

That includes his latest when 2nd at this class and distance on August 10th when he led for much of the way and beat a couple of today's rivals. He can lead again and go one better. (2) GLORY ALPHA got her maiden win over a mile on August 15th. It had been coming and while she is up in class and in distance here, she is down in weight, well drawn, and she can mix it here. (4) NICE GIRL mixes her form, but she was a class and distance winner two starts back in July and can be taken seriously in this company. (3) NEOM CITY and (8) ALICE MARINE among other chances.

(6) CHANGJOU ACHIM is yet to win in fifteen attempts but has no fewer than nine top five finishes and has placed twice at this distance. Moon Se-young has finished 2nd and 4th with him and he stays on and today can be their day. The main danger is another maiden. (3) YEONGWON GIANT is eighteen for no wins but has been getting closer in his latest few, most recently 2nd at this class and distance on August 17th in what was a slowly run race. He comes up in class here but that takes him down a full 5kg in weight and he should be in this. (7) NURI CHEONWANG and (8) NASSAU CHAT are both up in class following wins at 1700M and under light weights both can be competitive. (9) THANK YOU DAECHEON placed last time out and is an outside chance of a repeat.

He is drawn well to lead here, and he will be a short price favourite to win. (8) SEGWANG FIGHTER enters off a 2nd and a 3rd from his latest two outings, both over 1800M. He tackles the mile for the first time but there is no reason why it can't suit and Moon staying on is a plus. (5) CHOEGO GAME is a two-time winner at this distance. He hasn't got off to the

best of starts in his first two tries at class 3 but has run on for 2nd and 5th. He should be on pace in this field and can challenge. (4) COMPLETE LEADER enters off a 4th place at this class over 1800M on August 2nd. An apprentice keeps his weight down and he can target more here. (2) SAINT LUCCA and (3) CHEONJANGSA are the other main chances.

(3) WHO IS NEXT was a winner at this class over 1400M on August 8th when leading for most of the way. A previous try at a mile didn't go especially well and he is up in weight, but he is well drawn, and he will be favourite to win again. (4) FLASH PARK ran out a convincing winner on his first try at a mile on August 9th, settling just behind the speed and running on. He comes up in class but is down in weight, Seo Seungun knows him very well, and he can be a danger. (11) GOD NIKE similarly won at class 5 level over this distance on the same day, August 9th, in her case leading all the way. She comes down 4kg in weight and while she must contend with the widest gate, she can measure up. (1) GUKDAE STAR and (7) FLYING CROWN others in the hunt.

(7) MUSKET DAY is a winner of four from eight and is up in class having narrowly scored over 1400M on August 2nd, racing on pace. This is his first go over a mile, but he has won at 1800M already and coming down in weight, he can win again. (1) BEOLGYOUI STAR had a poor day at the office last time out, fading badly late on having led. Prior to that he was a winner at this class and distance and while he carries his fair share of weight, he is worth another chance with Moon Se-young returning. (6) GEUMBIT CHEONHA doesn't win out of turn, but he has plenty of money finishes including last time out on August 17th when 4th at 1800M. He should be there or thereabouts again. (8) SPARK THUNDER and (3) A. P. PATEK can sneak into the minors.

(9) DOCTOR CAPTAIN has been the beaten favourite in his last two starts, running 2nd in both. He's finished in 2nd or 3rd in each of his last seven appearances and while he may find one too quick again, he should place again. (1) GEUMA GUTTY comes in fresh eleven weeks after running 5th behind a couple of these at 2000M. He is a two-time winner at this distance and down in weight, he should be close. Thirteen juveniles go around for a big prize. (13) MUJEHAN GEUP is two for two with wins over 1200M and 1300M and looks a bit further along than most of his rivals here. He has the challenge of the widest gate, but he doesn't need to lead, and he can prove too strong. (11) WONPYEONG SKET was an eye-catching winner on debut before a below-par effort in the Rookie Stakes on August 17th. She has since been back to trial, which she blitzed two weeks ago, and we can see a much better side to her today. (5) TAEYANGUI JEONSA was a winner over 1000M on debut and may offer some interest at an each-way or better price. They include back-to-back 3rd places at this class and distance coming in here and he should be in the mix again. He is down

3kg in weight, he will be on pace, and he can measure up. (4) CHEONGHAE STAR is yet to win but comes up in class after a few too many near-misses. That also enables her to come down to a weight at which she can be competitive. (9) MIGHTY BOM and (10) JURING SKY others in the placing frame.

(1) YONGAM SESANG races for the first time since winning the Listed Sports Chosun Trophy over 2000M in May. He is one for one over this distance and while his match fitness will have to be taken on trust and this is likely a warmup for bigger prizes, he carries a light weight, and this looks a nice first race back for him. (11) MAUIWAY comes in having beaten four of today's rivals on his way to victory over a mile on August 3rd. He cuts back in trip today but is a two-time winner over 1400M and while he has the challenge of the widest gate, he only comes up 1kg and he can be a danger.
