

## Busan Racecourse – Friday January 15, 2021

### Race 7: Class 4 (1600M) Allowance / KRW 42 Million

(7) WINNER'S MAN was extremely impressive in three straight victories to begin his career before coming unstuck in Busan's top juvenile race at the end of November. His dam was similarly prodigious before losing her way a little although she did go on to become a solid class 1 competitor. Winner's Man is up in distance today but he has won well at 1400M at this class and we'll side with him to put his campaign for three-year-old Classics back on track today. (10) YEOWANGUI MISO was 3rd behind Winner's Man at 1400M in November. She has won over this trip and gets a nice little weight advantage over most of her rivals here. (9) DOCTOR SKY was a class and distance winner last November and while he was never a factor in his latest effort in December, with Djordje Perovic returning to the mount today, he warrants consideration. He certainly doesn't win out of turn but a place looks a real possibility. (11) POWER WONDERFUL is also a class and distance winner and is among a number of others with placing chances. They include (3) PAI BLADE, who is yet to finish any worse than 3<sup>rd</sup> in six starts to date, a record he can maintain here.

<b>Selections</b>	(7) Winner's Man (10) Yeowangui Miso (3) Pai Blade (9) Doctor Sky
<b>Next Best</b>	11, 1, 5
<b>Fast Start</b>	1, 3, 7

### Race 8: Class 5 (1400M) Handicap / KRW 32 Million

(4) JERA is two for two and at no point in his races so far has he been behind another horse. He also has the fastest time among any of these for this distance and from a good draw, has every chance of leading all the way again. (7) TWO TWO WILD THING has finished no worse than 4<sup>th</sup> in six starts to date. He steps up to the distance for the first time but is a winner at this class over 1200M and should be competitive here. Another promising up and comer is (9) TAKE INDY KING. He came from off the pace to win on debut over 1000M before a front-running 2<sup>nd</sup> at this class over 1200M on December 12<sup>th</sup>. He too moves up in trip today and looks firmly in contention. (1) HAEUNDAE THUNDER beat four of these on his way to 2<sup>nd</sup> place at class and distance on November 29<sup>th</sup>. He therefore warrants respect here although (6) SPEED KINGDOM and (10) YEONGGWANGUI EAGLE both have fair claims to overturn that form this time.

<b>Selections</b>	(4) Jera (7) Two Two Wild Thing (9) Take Indy King (10) Yeonggwangui Eagle
<b>Next Best</b>	6, 1
<b>Fast Start</b>	4, 6, 7, 9

### Race 9: Class 3 (1400M) Handicap / KRW 50 Million

(4) GOLDEN WINNER was a class and distance winner two starts back making all to win in a fast time for this class. He stepped up to 1800M for his reappearance just two weeks later and while he led again, ultimately finished in 3<sup>rd</sup>. Perovic climbs back aboard today and he can return to the winner's circle. (12) DAEMANGUI GIL was 5<sup>th</sup> in that 1800M race but previously ran 2<sup>nd</sup> at this trip to the very good Star Oreum, who has since won again. He overcame a wide draw that day as well and he has a chance of going close here. (9) I'M YOUR FASHION won three races in a row between July and October last year. This is his first time tackling the distance but if he can get on the early speed then he has every chance. (2) BANJIUI JEONSEOL and (10) MAN OF THE FIELD are others with solid records and both have at least placing claims.

<b>Selections</b>	(4) Golden Winner (12) Daemangui Gil (9) I'm Your Fashion (10) Man Of The Field
<b>Next Best</b>	2, 1
<b>Fast Start</b>	4, 9, 12

### Race 10: Class 2 (1800M) Allowance / KRW 60 Million

Korean Derby and Minister's Cup winner (2) TOUCH STAR MAN has been a little lackluster in two starts since the conclusion of the Triple Crown series, finishing 5<sup>th</sup> and 3<sup>rd</sup> over a mile and 1800M respectively. He gives weight away to all but (12) SMART PRINCE, who beat him last time, but we're going to keep the faith one more time and back him to turn it around today. (6) WORLD TODAY returned from four months out to run 5<sup>th</sup> over 1400M on December 19<sup>th</sup>. He beat a couple of his rivals here in the process and should have come on for the run. Expect better this time. (10) THUNDER KING led in the Minister's Cup last year before fading away but was a good all the way winner at this distance in November. He's up in class this time but should be competitive. (7) YEONGSEONG ACE is consistent and should be aiming to place in this company. (1) B.K. GAMBOL and (9) GYEONGJUUI DUREBAK are others to take into account.

<b>Selections</b>	(2) Touch Star Man (6) World Today (10) Thunder King (7) Yeongseong Ace
<b>Next Best</b>	9, 1
<b>Fast Start</b>	2, 10
