**Busan Race 2: Class 6 (1400M) Special Weight A / KRW 30 Million**

After a couple of good trials, (2) JUST SHINY was a fair 5<sup>th</sup> on debut in a decent time over 1200M. He should have come on for that run, the slight step up in trip can suit as he was doing his best work late, and jockey Jin Kyum will be brimming with confidence following his Korean Derby win last week. (6) RAON FLATTER has been knocking on the door across her ten starts so far. She has a 2<sup>nd</sup> and most recently a 3<sup>rd</sup> at this distance and she should be there or thereabouts again. (1) GANGSEO GENIUS debuted in 6<sup>th</sup> place at this distance behind Raon Flatter a month ago. He comes into a much better gate and with some batural improvement can get closer. (8) BLACK SQUALL and (7) SHACKLE SUN others in the frame in a competitive affair.

**Busan Race 3: Class 3 (1200M) Handicap / KRW 75 Million**

Strong race for so early on a Friday. (9) DOCTOR OSCAR was 3<sup>rd</sup> at this class and distance on February 28<sup>th</sup>, coming from off the pace. He was found to have bled so was stood down for a month, but he looked very well winning a trial last week in a quick time and so long as he didn't leave his race there, has every chance. For the first time in a while (3) MAGARITA draws a good gate. All her three wins have come at this trip and while she has form to overturn on three of these who beat her on April 18<sup>th</sup>, she can get an easier run today and is a danger. (6) BORN DIA has done her recent work at further, but she has two wins and three placings at this trip and should be on pace and in this a long way – she will probably start as favourite. (2) DRAGON REVENGER and (7) JEOLDAE BOSS were two of those ahead of Magarita in that April 18<sup>th</sup> race and can both be in the mix again.

(7) WONDERFUL JONES was 3<sup>rd</sup> in Busan's Classic Trial before finishing down the field in the KRA Cup Mile, the first leg of the Triple Crown last month. He steps back into much more amenable company today over a distance at which he got his win, and he can win again. (9) TUHON FIGHTER comes up in class having scored his maiden win over this distance on April 18<sup>th</sup> having raced handy. He has the challenge of a wider than ideal gate but he comes down 3kg in weight, and he can measure up. (3) RAINBOW ROAD enters off a 2<sup>nd</sup> place at class and distance on May 2<sup>nd</sup> and makes a quick return here with claims to go close again from a good draw. (8) DOCTOR KAREN got her maiden win at start number six on April 25<sup>th</sup> leading all the way over 1400M. She comes up in class but is down 3kg in weight, she can lead again, and she can win again. (11) GREAT TOP has run 3<sup>rd</sup> and 6<sup>th</sup> in two tries at this class since getting his maiden win at the second attempt in February. His win came from gate eleven and he can be a danger here. (3) HOLY RUN is yet to win but has six top four finishes from seven starts including last time out on April 11<sup>th</sup>, he beat a couple of today's rivals on his way to 3<sup>rd</sup> place at this class and distance at big odds, coming from well off the pace. He can match or better that here. (6) ONE WAY and (10) UNJU LEGEND are others in the hunt.

It's been a long time since (8) FLYING THE LUCKY got his win, but he has been ultra consistent with four placings at this distance, most recently when 2<sup>nd</sup> on April 4<sup>th</sup>, coming from well off the pace. Today should be the day. (6) GOOD DADDY has been similarly consistent across his latest few with a 2<sup>nd</sup> and a 3<sup>rd</sup>, most recently beating a couple of these at this class and distance on May 2<sup>nd</sup>. He enters under a similar weight and on a quick back up he can be close again. (4) BARBELL TROFEO is yet to win in six attempts but has been close and comes in

following back-to-back wins over 1400M and a mile. He steps up to two turns for the first time and it can suit. (3) DOCTOR CASTLE and the up in class and in distance last start winner (5) ARONDIGHT others in the frame.

It's been a while between drinks for (7) SEOBU VISION, but he comes in off back-to-back runner-up finishes at this class and distance, most recently on April 20<sup>th</sup> with a couple of today's rivals well back down the track. He carries his fair share of weight but on form is the clear favourite. (2) ASTIN MARINE was a winner at this distance at class 5 level three outings back and has since run a 6<sup>th</sup> and most recently 3<sup>rd</sup> in two tries at this class, most recently on April 27<sup>th</sup>. He carries a light weight, he draws well, and he can be in the finish again. (4) ARION QUEEN is yet to score at 1800M but based on his last start 2<sup>nd</sup> at class and distance on April 6<sup>th</sup> when coming off the pace, she can be in this. (11) DIA GRIT and (9) THE WIND others to consider on a place line.

### **Busan Race 8: Class 4 (1600M) Handicap / KRW 75 Million**

Fillies and mares only in the finale. (11) JULGEOUN DONGHANG returned from almost five months out to win on return at 1400M on April 27<sup>th</sup> leading all the way. That brings her up in class, as well as in distance but she is lightly weighted and should strip even fitter for that run. (3) QUEEN OF DRAGON finished 2<sup>nd</sup> in five of her first six starts (and won the other), She took a couple of goes to get accustomed to this level but come sin off a smart 3<sup>rd</sup> place at 1400M and with two of her runner-up finishes having come over the mile, she can be a danger from a great draw. (9) HUIMANG CANDY has been working her way back into form in recent starts, culminating in a 3<sup>rd</sup> place at this class and distance on April 27<sup>th</sup> and she can be considered again here. (1) WONDERFUL KAYLAN and (5) BROWN FALCON others in the mix.

<b>Selections</b>	(11) Julgeoun Donghang (3) Queen Of Dragon (9) Huimang Candy (1) Wonderful Kaylan
