

RACE BY RACE PREVIEWS: SCOTTSVILLE@2021.06.16

Scottsville, 16.06.2021, Race 1, Gallops, 1200m, Turf, R80.000, 11:25GMT+2

Race Summary: LOVE ON TIME made a forward debut when running on second behind Highveld raider Elmo, who was subsequently tried in a Grade 1. While that kind of form should be strong, there are more improvers in the race. BRISTOLBEAUFIGHTER was not far off at the wire after racing at the back on debut and he should come on nicely. ROMANEE CONTI will know more about it now after a 'learning experience' debut and could make big improvement. With so many first timers, it could pay to follow the betting moves closely.

Selections:

#13 Love On Time, #11 Botz, #12 Bristolbeaufighter, #14 Romanee Conti

Scottsville, 16.06.2021, Race 2, Gallops, 1200m, Turf, R80.000, 12:00GMT+2

Race Summary: JULIET TANGO misbehaved at the start, lost ground and showed inexperience, but still finished a creditable fourth on debut. She took on a winner in that and if building on the effort could be the one. ANCIENT EPIC showed promise on debut, only tiring late into third. That was on the poly but she is bred for this distance and a bit more so should improve. SCENT OF A WOMAN and ANGELIC FORT both showed potential on debut and need to be watched. First timers could play a big part. ETHIOPIAN QUEEN and MARYAH are bred to be quick.

Selections:

#15 Juliet Tango, #7 Ancient Epic, #16 Scent Of A Woman, #6 Angelic Fort

Scottsville, 16.06.2021, Race 3, Gallops, 1200m, Turf, R80.000, 12:30GMT+2

Race Summary: LADY TIPTREE was a bit lost in her run round the turn at this venue last time. A much better effort can be expected down the straight and this does look the right race for her. LADY YUSRA showed good pace before tiring out of it on debut. A well-bred filly, she could show much more with fitness on her side. RIDE THE LIGHTNING ran no kind of race on the poly and the run is best forgiven. She caught the eye on debut and is bred for the longer trip. More with earning potential and again there are newcomers in the hunt - check out the betting market before making a selection.

Selections:

#6 Lady Tiptree, #12 Ride The Lightning, #10 Lady Yusra, #4 Future Princess

Scottsville, 16.06.2021, Race 4, Gallops, 1000m, Turf, R80.000, 13:05GMT+2

Race Summary: There is positive talk about first timer THE GREEN GALLANT and even though bred for a bit further, he could open his account given the strength of the field. There are more well-bred debutants that won't need to be special to win. ADMIRAL CASTILE has plenty of quality in his pedigree and has secured the best of gates. DROGARATI seems to reserve his best form for Scottsville and from a good draw should get into the firing line. NAMAQUA DOVE and NO NAME BRAND have also done enough to be among the money-winners.

Selections:

#3 The Green Gallant, #1 Admiral Castile, #2 Drogarati, #8 Namaqua Dove

Scottsville, 16.06.2021, Race 5, Gallops, 1950m, Turf, R80.000, 13:40GMT+2

Race Summary: RAIN WEAR should finally get it right after running second four times in a row. The longer straight at this venue is what should make all the difference. EMERALD ISLA has the potential to win races but has been hesitant to lead. It could be her day today. PAPIILLION has built up some reasonable form on the poly even though looking better on the turf. She could make it hard for her rivals if

going hard upfront. KOOPA TROOPA has been a bit disappointing but should be right there on her form here. More with earning potential.

Selections:

#5 Rain Wear, #1 Emerald Isla, #2 Papillion, #7 Koopa Troopa

Scottsville, 16.06.2021, Race 6, Gallops, 1950m, Turf, R80.000, 14:15GMT+2

Race Summary: TOP ME UP HOLLY won her maiden in good style but was even more convincing on handicap debut and could complete a hat-trick of wins. However, she tries Scottsville for the first time - a daunting task. SLIEVANORRA was making good progress behind the former last time out and is now back at her best track. She could prove a big threat, as can RISE who has been knocking hard. FLYING FIRST CLASS put some disappointing form behind her with a promising win on the poly for her new yard. She could be on the up.

Selections:

#7 Top Me Up Holly, #3 Slievanorra, #10 Rise, #1 Flying First Class

Scottsville, 16.06.2021, Race 7, Gallops, 2400m, Turf, R80.000, 14:50GMT+2

Race Summary: MRS HOTLINE wasn't disgraced in her first try over this marathon distance. She looked dangerous and can go one better. She will, however, need the race run to suit. GREAT AFFAIR is also experimenting and he too seems suited for a test of this nature. He was a convincing winner the last time he raced here. MAJOR RETURN made a form return last time, needs to be taken seriously and could be a big threat if taking to this track. DREAM DESTINY should have won another race by now and is closely matched with IN AURO who is also capable of winning a race like this.

Selections:

#4 Mrs Hotline, #1 Great Affair, #9 Major Return, #11 Dream Destiny

Scottsville, 16.06.2021, Race 8, Gallops, 1600m, Turf, R80.000, 15:20GMT+2

Race Summary: Another tough handicap. TROMSO has turned into a useful handicapper now that he has matured and should go close on current form. To date he has only won on the poly but it could be his turn today. BLUE PLANET had a wide draw when not far behind the former and now has a decent gate. He needs to be taken seriously. TEICHMAN is versatile and popped up with a powerful finish again last time. He hasn't been too lucky when it comes to the draw. SECRET IS OURS and BAYVIEW EXPRESS have decent form as well but have drawn even wider out. More with earning potential.

Selections:

#3 Tromso, #5 Blue Planet, #8 Teichman, #11 Secret Is Ours

Scottsville, 16.06.2021, Race 9, Gallops, 1000m, Turf, R80.000, 15:55GMT+2

Race Summary: BLAZE OF SILK is in top form having finished runner-up in his last two. Taking a drop in class he looks a big runner. PRINCEKRESH won in good style before a rest and if in the same mood could make it tough. Past these it is wide open. KINGS ROAD ran a fair race the last time he raced here and won well last time out. VALIENTE is super quick but he may be best on the poly. Still, he will be racing fresh after a rest. NAVAL SECRET has come back home and a highly regarded sort he could bounce back to best.

Selections:

#8 Blaze Of Silk, #14 Princekresh, #5 Kings Road, #2 Naval Secret

Scottsville, 16.06.2021, Race 10, Gallops, 1200m, Turf, R80.000, 16:30GMT+2

Race Summary: HAIL COLUMBIA turned in a fair effort in his comeback event. He should strip a lot fitter and could be ready for business. MASHARI doesn't know how to run a bad race and has drawn ideally. He should make race of it. GO MAN GO won convincingly when given a quiet ride and it could be the way to go with him. DANDOLO suddenly flashed with his best form and could go through the divisions if he reaches his true potential. He is another big danger. WAYWOOD carries a light weight and needs to be included.

Selections:

#4 Hail Columbia, #1 Mashari, #7 Go Man Go, #12 Dandolo

Best Win: #13 LOVE ON TIME

Best Value Bet: #3 TROMSO

Best Longshot: #3 TROMSO
