16. MICHIGAN FIRE - Fair 2nd last time out over 1600m in a Class 3 race at Fontainebleau on September 21st. Not the most reliable, and others make more appeal

He finished a solid second in a Class 3 race over 1600m at Chantilly two weeks ago and looks ready to break through. NARKEZ (1) made a winning seasonal return in a Class 2 at Parislongchamp in April and should be competitive again despite the time off. Her main danger could be ZAYIDA (1), who showed ability despite greenness on debut at Chantilly last month and is likely to improve. PALM SPRINGS (4) has Christophe Soumillon in the saddle and can't be dismissed. JANNET (2) is well-bred and should build on her encouraging fourth first time out at Chantilly last month.

She has won several times in Poland and was a decent fourth at Clairefontaine on her penultimate start in a Class 2 race. The drop in class looks like a positive. CAMERON (8) can be a threat to the selection. He was a solid third over this track and trip late last month. SPLENDINO (9) is one to look at each way. His third two runs back in September at Parislongchamp was encouraging. DEEP SEA (4) heads the rest.

Summary: The booking of Maxime Guyon catches the eye for COGNAC (4) to be able to bounce back to his best form and take this Class 3 handicap. He has dropped in the handicap to a favoured rating.
