Greyville Polytrack, 22.11.2021, Race 1, Gallops, 1000m, Poly, R78.000, 12:35GMT+2

Race Summary: YATA could start things off brightly for favourite punters. She produced a determined effort, only finding one better second time out and can go on to score against these. She did run a fair race on the Polytrack on debut and only the drop in distance could unsettle. AUSTEN has been beaten as favourite a few times so has disappointed, but she has hit the front over a bit further and could relish the shorter trip after a rest. SHESAKINDAMAGIC has finished short and had issues on occasion but has also shown potential and has a big 4kg apprentice claim advantage. MAGICAL ODYSSEY can only improve.

Selections:

#6 Yata, #3 Austen, #7 Shesakinda Magic, #5 Magical Odyssey

Greyville Polytrack, 22.11.2021, Race 2, Gallops, 1000m, Poly, R74.000, 13:10GMT+2

Race Summary: PRAY FOR RAIN impressed on the Polytrack on a big raceday in July. He has much in his favour as he races fresh and is weighted to score. HOPE IS POWER is another precocious son of Soft Falling Rain who could be looking for the poly. He brings fair Highveld form into the race but is returning from a lengthy break and may just need it. BIG SKY COUNTRY is sure to show good pace and is weighted to run well. But she is also coming back from a break. PHINDA MZALA is holding form and has a 2.5kg apprentice claim which should be bring him in with a money chance.

Selections:

#2 Pray For Rain, #1 Hope Is Power, #4 Phinda Mzala, #6 Big Sky Country

Greyville Polytrack, 22.11.2021, Race 3, Gallops, 1200m, Poly, R80.000, 13:45GMT+2

Race Summary: A TIME TO REMEMBER has been doing a lot better of late. If he settles he should have a big say in an open race. GET CARTER also caught the eye last time. He was flying at the finish over further and if not minding the drop in trip and wide draw he could visit the winner's enclosure. Filly ZURI'S STAR could have made further progress during her break. She was not disgraced in her last two and could come out firing. SHAKEN NOT STIRRED improved again when stepped up to this distance and has drawn well so should be there. COLOUR MASTER has been gelded - watch out. HERE I GO AGAIN could relish the poly.

Selections:

#6 A Time To Remember, #9 Get Carter, #5 Zuri's Star, #3 Shaken Not Stirred

Greyville Polytrack, 22.11.2021, Race 4, Gallops, 1200m, Poly, R80.000, 14:20GMT+2

Race Summary: Open race - go wide in the exotic bets. Highveld filly KISSING BOOTH could be the joker in the pack on poly debut. She has not shown much of late but could enjoy the synthetic surface. OUR EMILY won readily when trying the turn and could have much more to offer on handicap debut. But she has drawn wide on the poly first time. NOT NOW PUSSYCAT was beaten as favourite last time but had a tough draw in that and now has best of the gates. Big say. PRINCESS DONELLY suddenly impressed from a wide draw and may have figured out what is all about. Must go in. BRUNILDA cannot be ignored.

Selections:

#9 Our Emily, #1 Not Now Pussycat, #8 Princess Donelly, #4 Kissing Booth

Greyville Polytrack, 22.11.2021, Race 5, Gallops, 1700m, Poly, R80.000, 14:55GMT+2

Race Summary: NAME OF THE GAME is going about it the right way now that she has made the trip to KwaZulu-Natal. She looks to have been beaten by a wide draw and now jumping from gate two should have every chance. PRINCESS MARNE gave signs that she could be ready to give off her best and needs to be respected. She has the best of the barriers and could be given her head early to get away from this field. FEARLESS KITTY has been brought along steadily and on running style could much prefer this longer trip. She rates the value proposition. SIEGE OF ORLEANS has ability and needs timing from her gate.

Selections:

#2 Name Of The Game, #1 Princess Marne, #8 Fearless Kitty, #12 Siege Of Orleans

Greyville Polytrack, 22.11.2021, Race 6, Gallops, 1700m, Poly, R80.000, 15:30GMT+2

Race Summary: ORANGE BOWL has been a bit tough to follow on the turf but her poly form is consistent. She was not disgraced when running on into third from a wide draw. The longer trip should suit and she has secured top draw. But MONTFORT looks a worthy adversary. She was dangerous in a strong division on the poly prior to an understandable one-paced finish back on the turf last time. A 2.5kg claim boosts her chances. RAINBOW UNICORN has been doing good work at the finish and perhaps needs to get her timing right. RUBY SLIPPERS was not disgraced in a tough race last time.

Selections:

#4 Montfort, #1 Orange Bowl, #5 Rainbow Unicorn, #6 Ruby Slippers

Greyville Polytrack, 22.11.2021, Race 7, Gallops, 1400m, Poly, R80.000, 16:05GMT+2

Race Summary: Another tough race. DINETTO has been much more composed of late and it could be the right race for him, especially as he has drawn in pole position. CASADORO and GREAT GUY have both drawn well for a change - watch out. PHILISPIEL sparked into form last time out and having matured could now prove effective on the poly. FOREST JUMP is in good nick and should be right there although he hasn't drawn as well this time. ROY'S COMMAND is worth watching over the shorter trip. None of the rest is worth discounting - expect a blanket finish.

Selections:

#1 Dinetto, #9 Roy's Command, #5 Philispiel, #4 Great Guy

Greyville Polytrack, 22.11.2021, Race 8, Gallops, 1400m, Poly, R80.000, 16:40GMT+2

Race Summary: MOVIE MAGIC must have dropped enough in the ratings as he bounced back into form last time. He carries a light weight in this apprentice handicap and can finally get back to winning ways. It should get close again between RUNNING FREELY and PATRONAGE. The former is better off at the weights and the latter has a wide draw so has his work cut out. SOVEREIGN SOLDIER is not one to take lightly, having drawn well this time. He hinted at a form return last time and looks well placed. ALPHAMIKEFOXTROT is another who needs to be taken seriously on his last performance. Open.

Selections:

#6 Movie Magic, #5 Running Freely, #11 Patronage, #3 Sovereign Soldier

Best Win: #6 YATA

Best Value Bet: #1 DINETTO

Best Longshot: #1 DINETTO
