**Busan Race 3: Class 6 (1600M) Special Weight A / KRW 30 Million**

(4) FUERTE has a 2<sup>nd</sup> and a 4<sup>th</sup> from her latest two, both over a mile and both times settling midfield and running on. Tanaka climbs on today and she can settle back once more, and this time prove too strong late on. That will mean overturning the form on (7) STAR PARK who comes in having run 3<sup>rd</sup> to Fuerte's 4<sup>th</sup> when they raced each other at this distance on April 5<sup>th</sup>. He also has a 2<sup>nd</sup> place to his name and is another who likes to settle back and be doing his best work late. (12) BABEL DREAMY has shown progress across four starts so far, culminating in a 2<sup>nd</sup> place at this distance on March 24<sup>th</sup>. She has the challenge of the widest gate here but can be a factor. (2) STORMY DAY and (8) TRICKSTER other placing chances.

<b>Selections</b>	(4) Fuerte (7) Star Park (12) Babel Dreamy (2) Stormy Day
<b>Next Best</b>	8, 10
<b>Fast Start</b>	5, 8, 9, 10

**Busan Race 4: Class 5 (1200M) Handicap / KRW 45 Million**

Fillies (and one mare) only here. (11) RUBY STONE got her maiden win in a quick time over 1200M two starts back before running 2<sup>nd</sup> on her first try at this class on March 29<sup>th</sup>, leading almost the entire way and beating plenty of today's rivals. Her win came from the same wide draw she has today and this time she should go one better. (4) SEKWANG CHEOGANG was 3<sup>rd</sup> on that March 29<sup>th</sup> race. She has mixed her form over her six appearances, but she has a good finish on her and can be a danger. (9) SEUNGNI PARTY has been consistent over her own six starts, with her win coming at this distance. In this company, she should be on pace, and she can go close. The up in class last start winner (10) BUSAN TODAY along with (5) BRAVE CAPTAIN are others to look out for.

<b>Selections</b>	(11) Ruby Stone (4) Sekwang Choegang (9) Seungni Party (10) Busan Today
<b>Next Best</b>	5, 8
<b>Fast Start</b>	2, 9, 10, 11

**Busan Race 5: Class 5 (1300M) Handicap / KRW 45 Million**

(11) BURUI TONGCHI got his maiden win at start number two, which came five months after his debut on March 31<sup>st</sup> over 1200M. He comes up in class here but is sown slightly in the weights and he should have come on for that run. (4) RAON VIBE MAN is yet to finish any

worse than 4<sup>th</sup> in four starts with his win coming over 1300M two starts back when leading all the way. He couldn't find his preferred position from a wide draw on his first try at this class on March 29<sup>th</sup> but still rallied for 3<sup>rd</sup> place, and from a much better gate this time, he can be closer. (7) HEUIMANG GARAM enters off a 4<sup>th</sup> and a 3<sup>rd</sup> from his latest two and should be there or thereabouts again. (10) MACH MAN and (2) BEAT DRAGON among plenty of others with placing chances.

<b>Selections</b>	(11) Burui Tongchi (4) Raon Vibe Man (7) Heuimang Garam (10) Mach Man
<b>Next Best</b>	2, 1
<b>Fast Start</b>	

### **Busan Race 6: Class 4 (1800M) Handicap / KRW 75 Million**

Fillies and mares only here. (11) JANGSAN DEFI races for the first time since December of last year when she was in good form. She looked well when trialling up just two weeks ago and while two turns first-up is not the easiest of asks, she could well have too much for this set of rivals. (2) SEOGWI FLASH comes in having run 4<sup>th</sup> in a valuable Trophy race just two weeks ago. That came over this distance and under a light weight here and drawing a good gate, she can be a danger. (5) SOLEDAD was back in the pack in that Trophy race but if we go on her very close class and distance 2<sup>nd</sup> place two starts back, she has to be in the frame here. (3) DUBAI PYEONGJEONG and (8) STELL LUNA others who can be on contention for at least the minors.

<b>Selections</b>	(11) Jangsan Defi (2) Seogwi Flash (5) Soledad (3) Dubai Pyeongjeong
<b>Next Best</b>	8, 6
<b>Fast Start</b>	1, 4, 6, 8

### **Busan Race 7: Class 4 (1400M) Handicap / KRW 60 Million**

(7) FABULOUS BEATER will be a warm favourite here. He got his win back in December at 1300M and has run fairly in three subsequent appearances at this class, most recently a 4<sup>th</sup> place over this distance on Mach 22<sup>nd</sup> when away slowly and running on. In this company, he should have too much. (3) BEST CHAMP enters off a 5<sup>th</sup> place last time out at this class and distance. He remains under a light weight, but he comes into a better gate, and he can get closer today. (9) E-CASH comes in having run 2<sup>nd</sup> over 1800M on March 17<sup>th</sup>. He comes up in class here but is down in the weights, and he can be competitive. (8) AUTUMN BREEZE and (2) YEONGGWANGUI TAN are others to consider.

<b>Selections</b>	(7) Fabulous Beater (3) Best Champ (9) E-Cash (8) Autumn Breeze
<b>Next Best</b>	2, 12
<b>Fast Start</b>	5, 6, 8, 11

### **Busan Race 8: Class 3 (1600M) Handicap / KRW 75 Million**

(7) BLACK MAMBA hasn't been seen since finishing back down the field in last year's Korean Derby. He has won three of four prior to that though and he looked in sensational form when winning a trial in a super quick time April 6<sup>th</sup>. He is under a light weight here, he has won at a mile already, and he is very much the one to beat first up. (6) WORLD CLASS CAT beat a couple of these on his way to a fair 5<sup>th</sup> over 1400M. She won't have to improve much on that to get closer in this company. (11) CHANGCHANG DAERO doesn't win out of turn but is super consistent in terms of picking up prize money. He comes in off a 3<sup>rd</sup> place over 1800M and should be in the hunt again. (4) SAVAHA and (9) EUNSEONG YEONGUNG others in the frame.

<b>Selections</b>	(7) Black Mamba (6) World Class Cat (11) Changchang Daero (4) Savaha
