(7) MEANINGFUL TIME enters off a close 2nd place at start number three over this distance on May 4th when racing on pace. Seo Seung-un stays aboard and he should be a big danger here. (6) SUN LIGHT has a 3rd and a 4th from her latest two, coming from well off the pace both times and she can be involved late on again here. (1) STAR FORCE laid in for the final 300M last time out over this distance on May 18th to the extent she got sent back to trial. It didn't stop her from finishing a close 2nd though and having come through the trial, if she behaves herself this time, she can win. (2) DIA MATE stepped up to this distance for the first time on June 13th and registered her best finish so far with a 3rd place coming from off the pace. She makes a quick return and can build on that here. (1) SAENAE HUNTER ran three times last summer and autumn for two 3rd places and a 2nd. He returns to action for the first time since last October, but he looked very well when comfortably winning a May trial in a quick time and can put in a bold showing first-up. On trainer Kim Young-kwan's final weekend he teams up with visiting Kim Yong-geun (the pair won the Triple Crown with Power Blade) and (8) QUEENS DRAGON (by Power Blade) shouldn't be ruled out. (6) FANTASTIC HUMOR was a winner at this distance at class 5 level two starts back before finishing midfield on his first try at this class over 1400M on May 18th. He was 2nd on his only previous try at the mile and with Seo Seung-un climbing on for the first time, he can be given another chance today.
