HOLLYWOODBETS GREYVILLE POLYTRACK, 28.09.2022, Race 1, Gallops, 1200m, Poly, R80,000, 12:45GMT+2

Race Summary: Summary: Tricky maiden. RED MAGICIAN (9) is lightly raced and the experiment going a mile last run proved a trio too far. He is back over a sprint, switches to the poly and should have a lot in his favour. LAZY GUY (3) is struggling to shed his maiden but Calvin Habib knows him well. He has a short finishing burst and the switched to the poly could be in his favour. LUCKY DOLLAR (1) raced green in a race won by the useful Kitchakal. He is sure to make improvement from his pole position draw. ARBITRATOR (2) has improved in blinkers. He was second best on the poly last run but has not been far back in his last three.

Selections:

#9 RED MAGICIAN, #3 LAZY GUY, #1 LUCKY DOLLAR, #2 ARBITRATOR

Race Summary: Summary: A number of first timers and some with desperate form. Of those that have run, IMPERIAL ORDER (7) has by far the best credentials. Barring a first time 'springer' he should be hard to beat. DOUBLE SILVER (8) was well beaten over a mile on the poly last run. He can do better over this shorter trip. Of the first timers IMAGINABLE (5) and MAYA'S CAT (2) are two that appeal.

Selections:

#7 IMPERIAL ORDER, #8 DOUBLE SILVER, #5 IMAGINABLE, #2 MAYA'S CAT

HOLLYWOODBETS GREYVILLE POLYTRACK, 28.09.2022, Race 3, Gallops, 1700m, Poly, R78,000, 13:55GMT+2

Race Summary: Summary: L'ULTIMO (2) was not too far back when trying the poly and some ground last time out. He is lightly raced and seems to be coming along the right way. CORSICAN (1) was completely outpaced in his last sprint won by his stable companion. He jumps from 1000m to 1700m but comes from a stable of a more than astute trainer. ICE AND FIRE (3) has been improving slowly with his new stable. He goes this trip for the first time which should suit. CATALEYA SUMMER (7) has improved with each outing. He stays the trip and has first time blinkers.

Selections:

#2 L'ULTIMO, #1 CORSICAN, #7 CATALEYA SUMMER, #3 ICE AND FIRE

HOLLYWOODBETS GREYVILLE POLYTRACK, 28.09.2022, Race 4, Gallops, 1600m, Poly, R78,000, 14:30GMT+2

Race Summary: Summary: FLIRTY DANCER (2) made a smart debut over this trip on the turf. She meets little of note here and should be capable of going one better. SUCH A CRACKER (4) found market support when racing in first time earmuffs going down narrowly over course and distance. A repeat should see her close again. CHASING TIME (7) has been improving slowly and could find this trip more to her liking. INHLE INTOMBI (1) was green on debut and not far back. Drawn well and one to watch in the betting.

Selections:

#2 FLIRTY DANCER, #4 SUCH A CRACKER, #7 CHASING TIME, #1 INHLE INTOMBI

HOLLYWOODBETS GREYVILLE POLYTRACK, 28.09.2022, Race 5, Gallops, 1900m, Poly, R80,000, 15:05GMT+2

Race Summary: Summary: INGAKARA (4) is over her best course and distance and has been consistent of late. She should be a big runner. WINTER MELODY (5) got a four-point raise in the handicap after her last win but she does take on slightly weaker here and goes well on the poly. QUE FOR YOU (7) has consistent form over this trip and has a money chance while RECKLESS LOVE (2) comes from a very much in form stable and with a 2.5kg claimer up she must have a chance of recording her second win.

Selections:

#4 INGAKARA, #5 WINTER MELODY, #2 RECKLESS LOVE, #7 QUE FOR YOU

HOLLYWOODBETS GREYVILLE POLYTRACK, 28.09.2022, Race 6, Gallops, 1900m, Poly, R80,000, 15:35GMT+2

Race Summary: Summary: SIEGE OF ORLEANS (3) has been dropping in the handicap and was not too far back from a wide draw last start. The stable has hit form and she should be competitive. IRON CHEF (8) is over her best course and distance and the stable has hit form. She has a handy weight and should be a big runner. GREEN SLEEVES (2) is another that has come down in the handicap. She only faded late behind her stable companion last run and with a handy weight she must have a strong chance. RISE (5) is way better than her last effort. She was a winner of her penultimate start on the poly and although she gives weight all around, she is looking for her sixth win opposed to her rivals looking for their second.

Selections:

#3 SIEGE OF ORLEANS, #8 IRON CHEF, #5 RISE, #2 GREEN SLEEVES

HOLLYWOODBETS GREYVILLE POLYTRACK, 28.09.2022, Race 7, Gallops, 1000m, Poly, R80,000, 16:10GMT+2

Race Summary: Summary: MAGICALLEE (2) is as game as they come and was a touch unlucky last run. She is holding form well and is due a change of fortune. PRINCESS SANTO (3) made marked improvement second run for her new stable. She has a handy weight again. LADY HEIST (7) is a bit of a poly specialist. She has gone further at her last two but shed her maiden over course and distance. DUNYAA (1) is coming to hand. She was running on well last start and looks primed for this. PERFECT APPEAL (4) loves the poly and was close-up from the worst of the draw last run.

Selections:

#2 MAGICALLEE, #3 PRINCESS SANTO, #7 LADY HEIST, #1 DUNYAA

HOLLYWOODBETS GREYVILLE POLYTRACK, 28.09.2022, Race 8, Gallops, 1400m, Poly, R80,000, 16:45GMT+2

Race Summary: Summary: RALPH THE RASCAL (3) was game in first time blinkers when touched off by two well-thought-of younger rivals. He is up in class here but with a handy weight should make another bold bid. GRAPPLER (1) made a modest debut for his new stable but is way better than that. The switch to poly and second run for the yard should see him improve. PRINCE OF TARANTO (6) has made a steady rise in the handicap. He went up four-points for his last win but does seem better over the extra furlong. SPIRIT OF MY FATE (4) was narrowly beaten last run over further but this is a better trip and he has a handy weight to go with it.

Selections:

#3 RALPH THE RASCAL, #1 GRAPPLER, #6 PRINCE OF TARANTO, #4 SPIRIT OF MY FATE

Best Win: Race 2 #7

Best Value Bet: Race 6 #3

Best Longshot: Race 7 #1
