## R1 CHANTILLY [R-H]

**C1 - PRIX DE LA GALERIE DES BATAILLES - 1800m (a1 1/8m) - TURF -**  
**Divised Handicap - Flat - EUR € 55.000**

**1. ENCHANTRES -**

**2. BUBBLE SIGN** - Consistent since her debut and deservedly opened her account when pitched into a handicap for the first time recently. Up 3,5kg but should remain competitive

**3. SAINT ETIENNE** - Consistent sort until his somewhat disappointing performance at this level last time. Has little mileage on the clock and remains capable of bouncing back, so don't discount

**4. MADIGAN** - Opened his account Compiègne before finishing unplaced (11th) in his first handicap outing last time. Dropped in the weights but is best watched for now

**5. AMERICAN HOPE** - Unsuccessful in Listed and Group III races but easily won a claiming race, conceding weight to useful rivals, last time. Capable of making a winning handicap debut

**6. RIDPOUR** - Debut winner who has been unable to confirm that promise, although has run in good company. Open to any amount of improvement in just his fourth start and first at this level, dark horse

**7. MR CASSIOPE** - Consistent last-start winner who is likely to find the going a lot tougher in this grade/company under a 3kg penalty. Others preferred

**8. GIRAFFE** - Consistent filly who performed well over the spring and went up 6kg in the weights as a result. Proven at this value and ought to improve after an encouraging comeback at Salon de Provence, so keep safe

**9. RECOLETTY** - Finished 14th in her only Quinté+ outing but has since won a conditions race at ParisLongchamp over this distance. Could get into the picture

**10. SIMANCAS** - Won her penultimate start and acquitted herself competitively in a quality field at La Teste-de-Buch. Makes her handicap debut with legitimate ambitions

**11. ANOLINE** - Won a 1900m handicap off a higher mark at the start of the year but has failed to perform at that level since. Has seen her weight situation improve, though, so cannot be written off just yet

**12. I'M A BELIEVER** - Continues to run well at this level but does not have much wiggle room off his current mark. Still, isn't taken lightly, especially with Stéphane Pasquier engaged

**13. MELBORA** - Has performed well in several outings off this mark and ran much better last time than her finishing position indicates. Usually runs on from off the pace, so will need things to go her way

**14. HERNAN CORTES** - Well held in both of his starts at this level and, although lowered in the ratings/weights, is not likely to have a say drawn in a wide starting stall

## THURSDAY, 28/09/23

**15. NIKOLAJ** - Could do no better than 6th last time when having things his own way and, in this grade/company, can be easily ruled out

**16. CENTORINA** - Outclassed in her first start with Lucie Pontoir, but that was in a Listed race. Showed sufficient means prior to that outing though, so cannot be ruled out just yet

**Summary :** AMERICAN HOPE (5) was deemed worthy of contesting the Group III Prix Daphnis and, despite finishing unplaced on that occasion, has since proved his worth by giving weight and a beating to several useful rivals in winning a claiming race last time out. Capable at this handicap value (38.5) and well positioned in the starting stalls under Bauyrzhan Murzabayev, he could be worth siding with to make a thunderous handicap debut. BUBBLE SIGN (2) was rewarded for her consistency by winning a handicap last time and is likely to fight for victory again, despite a resultant penalty. SIMANCAS (10) is open to improvement but has shown sufficient means to be competitive in a race of this nature. ANOLINE (11), while out of sorts, has seen her weight situation improve and is not incapable of staking a claim either. Consistent GIRAFFE (8) is proven off her current mark and ought to acquit herself competitively once more, so too is inconsistent MELBORA (13) who can't be discounted given her smart turn of foot. I'M A BELIEVER (12) and RIDPOUR (6) are others who could get into the picture.

- 6. SUNDAY FUDGE** - Unreliable but seldom finishes far off the mark on a going day. Hard to trust but is not ruled out either

**Summary :** Battle-hardened VINTAGE KOD (1) has maintained a good level of form and consistency in handicap races recently, so ought to take advantage of this return to a conditions race by reconnecting with success. LIWA OASIS (3) should bounce back from a disappointing last start to pose a threat, receiving 1,5kg from the former. After their improved last starts, both RED CHARM (4) and TANAIYLA (2) could also stake a claim in the finish.

- 9. SPANIX** - Phoenix Of Spain debutante to be ridden by Rosario Mangione for trainer Mario Baratti. Unlikely to trouble the judge

**Summary :** After her eye-catching 2nd on debut behind a very smart sort. CETERA (5) needn't improve much to go one better and confirm her superiority over CANDALA (1), who also revealed serious means by finishing 3rd that day. SILHAM (2) ran that in that benchmark race too (5th) and ought to improve, so should make her presence felt. Andre Fabre runs newcomer LACY FASHION (6) who must not be taken lightly either.

- 4. ZEPLACETOBE** - Confirmed the promise of her debut 4th by winning at Moulins last time and should continue to improve. Chief threat
- 5. VIVELAVIE** - Rewarded for her consistency with a last-start victory and is unlikely to have reached her limit. Keep safe
- 6. BAHIA BLANCA** - Experienced and consistent filly who has already proven herself racing on a straight course. The one to beat
- 7. QUEEN FLO** - Opened her account on the Fontainebleau straight last time when fitted with headgear, which is unsurprisingly retained here. Confirmation required
- 8. EGIATEGIA** - Finished an encouraging 4th on debut and would have gained plenty from that experience. Not taken lightly

**Summary :** After distinguishing herself in claiming races in the first half of the year, BAHIA BLANCA (6) has raised her level and remained consistent doing so. She is the highest-rated of the runners in this sprint and is taken to thwart the likely challenge of ZEPLACETOBE (4), who is less exposed but has shown sufficient means to fight for victory in a race of this nature. **C6 - PRIX DU LAVOIR DE LA CHAUSSEE - 1400m (a7f) - TURF - Divised  
Handicap - Class 3 - Flat - EUR € 22.000**

- 1. GREY BELLE** - Consistent for the most part and will be equipped with full headgear for the first time. Not taken lightly
- 2. MAKILROY** - Showed signs of improvement last time and could get a look in here if confirming that form. Place chance
- 3. PALIMERO** - Has been struggling to regain any form or spark the im[rovement needed to be competitive in a race of this nature. Overlook
- 4. WHEEL OF CHANCE** - Unreliable but not incapable of getting into the picture judged on his best references. Not taken lightly
- 5. ZANTARIO** - Seldom finishes far off the mark and could get into the picture here but has no more than a place chance
- 6. OYAPOCK** - Last-start winner who, despite a 2kg penalty for his Argentan success, should make his presence felt
- 7. SLEEPY SUZY** - Unreliable but seldom finishes far off the mark on a going day. Hard to trust but is as hard to rule out
- 8. NIGHT OF THE OPERA** - Seldom finishes far off the mark and could get a look in here, though has no more than a place chance
- 9. ASTRACHEM** - Runner-up in three of his last four starts, so wouldn't be winning out of turn. Ideally positioned to have a say here
- 10. TOOCOOLFORSCHOOL** - Rediscovered her form recently and finished 2nd last time, quickly satisfying new connections. Has a role to play
- 11. THE TIME** - Last-start winner who remains capable of getting into the picture judged on his references. Hard to trust but not ruled out
- 12. WHY CHOPE** - Won her penultimate start but failed to confirm that form last time so is best watched for now. Others preferred
- 13. TIME TO FLY** - Did not go unnoticed when finishing behind TOOCOOLFORSCHOOL (10) and GRAY BELLE (1) last time. Dark horse
- 14. SHINE ON ME** - Bounced back to form by running on well to finish 3rd at Evreux last time. Needs to confirm that improvement
- 15. PLENTY CITY** - Consistent for the most part and, although finishing 6th last time, never really felt comfortable at Deauville last time. Can do better
- 16. SKADE** - Winner of her only start at this venue and returned to form last time with an improved 3rd at ParisLongchamp. Winning chance
- 17. TWO THANK YOUS** - Showed signs of improvement last time and could get a look in here if confirming that form. Place chance

## THURSDAY, 28/09/23

**18. LOUVE PRECIEUSE** - Last-start winner who remains capable of staking a claim judged on her best references. Hard to trust but not taken lightly

**Summary :** It could pay to side with SKADE (16) in this wide-open handicap as she is well drawn (No 6) in the starting stalls, in good shape after an improved 3rd recently and, more importantly, given that she was victorious on her only visit to Chantilly. PLENTY CITY (15), once again associated with Maxime Guyon, and top-weight GRAY BELLE (1), who is fitted with headgear for the first time, are consistent and have the means to pose a threat. On the shortlist too, are TOO COOL FOR SCHOOL (10) and SHINE ON ME (14) who have regained momentum and ran improved races last time.
