

RACE BY RACE PREVIEWS: GREYVILLE@2021.11.28

Greyville, 28.11.2021, Race 1, Gallops, 1400m, Turf, R80.000, 12:00GMT+2

Race Summary: CRAZY BLUES showed promise on debut and is set to make good improvement. She has secured the best of the draws and has Anton Marcus up who is in top form. But there is plenty solid opposition. GLOBAL SECRET showed decent potential as a juvenile and ran a fair race after a rest. Her stable has come to hand recently. The same can be said for the yard of GOLDEN GROVE, and like GLOBAL SECRET, she was beaten in a close finish as a juvenile. She has drawn alongside CRAZY BLUES in stall No 2 and should make her run hard. MISS GIBSON and CASHEW need to be taken seriously.

Selections:

#1 Crazy Blues, #8 Global Secret, #2 Golden Grove, #11 Miss Gibson

Greyville, 28.11.2021, Race 2, Gallops, 1600m, Turf, R80.000, 12:30GMT+2

Race Summary: FRENCH MASTERPIECE met a subsequent feature winner in his second start and then confirmed with a good run at this venue last time. But he goes further and has drawn badly this time. PURPLE OPERATOR can take full advantage from gate No 2 after racing from a wide draw in his last race. He could much prefer this longer trip on the turf. MAJESTIC POWER is coming along the right way and could improve enough to fight it out. BOMBAY CIRCUS wasn't far off him and was involved in a bumping match. He has drawn better so could threaten. RED MAHOGANY rates the dark horse.

Selections:

#13 French Masterpiece, #2 Purple Operator, #7 Majestic Power, #9 Red Mahogany

Greyville, 28.11.2021, Race 3, Gallops, 2000m, Turf, R80.000, 13:05GMT+2

Race Summary: Rested THE GREEN GALLANT has run decent races on the poly but hasn't rewarded followers with a win. He does come from far back on the poly which is not easy and so he could much prefer the turf. Chance. PRINCE VIHAAN has also shown the potential needed to win but has been a tough ride as he jumps slowly but more importantly tends to over race. Should he settle over this longer trip he could be a big player. BUSH FIRE is also well bred and has scope for improvement. He has drawn well and races for a yard in good form. Battlers CORAL COPY and GREY LINNGARI can earn again.

Selections:

#6 The Green Gallant, #3 Prince Vihaan, #2 Bush Fire, #7 Mighty Mashona

Greyville, 28.11.2021, Race 4, Gallops, 2000m, Turf, R80.000, 13:40GMT+2

Race Summary: BLUE PLANET has been a bit costly to follow but must surely get it right sooner rather than later. He has plenty in his favour again and just needs to time it right. Recent maiden winner PAPA C won better than the margin suggested but meets a much better class. He could shape up to the task. RUN TO DENMARK and ARROW'S MARK has finished ahead of BLUE PLANET on the poly and interestingly have been dangerous on the turf as well. Both have the pace to be right there. QUERARI'S COWBOY signalled a return to form last time and from a good gate should fight for stake money.

Selections:

#1 Blue Planet, #8 Papa C, #7 Run To Denmark, #3 Querari's Cowboy

Greyville, 28.11.2021, Race 5, Gallops, 1800m, Turf, R78.000, 14:15GMT+2

Race Summary: All are high class but at the weights TRISTFUL and CROWN TOWERS stand out. The pair have met with the score 2-1 in favour of CROWN TOWERS this year. While disappointing last time things appeared to go wrong and can bounce back to best from a good gate. TRISTFUL is deserving of big-race success and this could be the starting point to a good season. G G'S DYNASTY sadly didn't show much in the Charity Mile upcountry but back home could be in the mood again. GENTLEMAN'S WAGER could spoil it for CROWN TOWERS if vying for the lead. He is another who can win it.

Selections:

#2 Crown Towers, #1 Tristful, #6 G G's Dynasty, #4 Gentleman's Wager

Greyville, 28.11.2021, Race 6, Gallops, 1000m, Turf, R80.000, 14:50GMT+2

Race Summary: MAQUETTE, VARVACIOUS and SWEET SYMPHONY are the leading lights and fought out the finish the time they met at Scottsville. SWEET SYMPHONY could come out on top at the weights this time. She was beaten one length by MAQUETTE and is 3.5kg better off. She was 0.50 lengths behind VARVACIOUS who ran second there and is 4kg better off. But she has not drawn ideally which could make it interesting. MAQUETTE, like SWEET SYMPHONY, is racing after a rest and VARVACIOUS who has been in top form could take advantage. Doesn't end there -VIVID JET can threaten.

Selections:

#7 Sweet Symphony, #5 Maquette, #4 Varvacious, #3 Vivid Jet

Greyville, 28.11.2021, Race 7, Gallops, 1400m, Turf, R80.000, 15:30GMT+2

Race Summary: QUASIFORSURE was a tad disappointing after being beaten as odds-on favourite in the Model Man Mile but he had excuses in that and the 1600m may have come too soon for the youngster. He has pole position and can make amends. SPIRIT OF MY FATE was beaten 3.40 lengths by QUASIFORSURE prior and is now 5.5kg better off so could prove a big threat. And on collateral form he has work to do to fend off TWO OF US and WALTON HALL. The latter has a tough draw to overcome. HAPPY ARISTOCRAT is the dark horse. If he behaves and jumps well he could surprise.

Selections:

#1 Quasiforsure, #9 Happy Aristocrat, #8 Spirit Of My Fate, #4 Two Of Us

Greyville, 28.11.2021, Race 8, Gallops, 1400m, Turf, R80.000, 16:05GMT+2

Race Summary: PREEMPTIVE STRIKE caught the eye when finishing well but too late. He hasn't been reliable and is switching from poly to turf but he deserves another chance. LORD VARYS turned in a smooth performance straight out the maidens and being so consistent sort at Greyville could keep going for the win. MR GONZALES has shown above-average ability but has had issues. He has drawn well after a rest and could teach them a lesson. SHAMPOMPO SHAMPIZI was dangerous last time and looks to have matured. He could now prove effective over this distance. Wide open after these.

Selections:

#4 Preemptive Strike, #8 Lord Varys, #3 Mr Gonzales, #10 Shampompo Shampizi

Greyville, 28.11.2021, Race 9, Gallops, 1400m, Turf, R80.000, 16:40GMT+2

Race Summary: Not an easy race to end. FAMILY FAVOURITE showed her first post-maiden run was all wrong with a much-improved last run. She can continue improving as she has drawn ideally. SOMEONE EXCITING has not been far off on the poly and could relish being back on turf. She can mow them down. Stablemates GRUE OF ICE and MAGIC IN MOTION appear better than their last efforts and can only improve. IMBEJEJE has been sprinting well but could enjoy a less frantic race over this longer trip. She may show more. HOT MONEY, BIRDWATCHER and SEA EAGLE could get into it with a bit of luck as well.

Selections:

#1 Family Favourite, #5 Someone Exciting, #6 Grue Of Ice, #4 Imbejeje

Best Win: #1 QUASIFORSURE

Best Value Bet: #1 FAMILY FAVOURITE

Best Longshot: #1 FAMILY FAVOURITE
