Busan Race 2: Class 5 (1400M) Handicap / KRW 45 Million

(8) SWORD MASTER was an also ran in last year's Breeders' Cup Rookie and since then has two runner-up finishes and most recently, a 4th place at this class over a mile on February 23rd when on pace throughout. He ran 2nd on his only previous try at this distance and he looks the one to beat today. He will need to overturn the form on (6) WORLD HIT, who was 3rd in that February 23rd race, showing on pace throughout. He will be on the speed again and can be in this a long way. (5) HOMYEONG SHINHWA comes up in class following a maiden win over 1300M that had been coming. She carries a light weight and can measure up in this company. (7) MORNING DEW and (10) TRIPLE AXEL are others to look out for.

Selections	(8) Sword Master (6) World Hit (5) Homyeong Shinhwa (7) Morning Dew

Seoul Race 5: Class 5 (1200M) Handicap / KRW 45 Million

(7) RAON THE KEISHA got her maiden win at start three last November and followed up with back-to-back runner-up finishes in her first two tries at this class, both over this distance. She races for the first time since January 4th so match fitness may have to be taken on trust, but she is the one to beat. (4) GLOBAL SERVE is yet to win in seven attempts but has six top four finishes including last time out when a very close 3rd at this class and distance having raced handy throughout. He will be on pace here and should be firmly in the mix again. (5) ANDAMIRO beat a couple of these on her way to 2nd place in filly only company on March 2nd and can continue her positive run of form. (2) SEMYEONG DIA is next best and then the form falls off precipitously, with (8) VICTORY QUEEN perhaps the best of the rest.

Selections	(7) Raon The Keisha (4) Global Serve (5) Andamiro (2) Semyeong Dia

Busan Race 3: Class 4 (1300M) Handicap / KRW 60 Million

(5) SAMAKUI KKOT has won two of her last three, most recently at this class over 1200M on March 7th when on pace throughout. She comes up a full 3kg as a result, but she draws well, and she can win again. After four runner-up finishes, (3) MAENGNYONG got his maiden win

at the sixth time of asking on March 2nd, leasing all the way around. He is up in class but is slightly down in weight, draws well, and can measure up at this level. (2) PUNCHER was an improved 3rd behind Samakui Kkot on March 7th and drawn well and lightly weighted, he can be there or thereabouts again. (1) EL CAZADOR and (9) AMAZING WORLD are other place chances.

Selections	(5) Samakui Kkot (3) Maengnyong (2) Puncher (1) El Cazador

Seoul Race 6: Class 4 (1200M) Handicap / KRW 60 Million

(4) HEY CUPID is two starts into a comeback following ten months out. He hasn't shown a lot in those two appearances since winning a January trial but he gets a class drop here and while that takes him up to top weight, he also comes back to a trip at which he has won and from a good draw, he can win. (2) JECHUK IHO has won just once in sixteen races but enters off a 3rd place at this class and distance on March 1st. He looks nicely in here and can go close again. The rest really need to pick up on recent form. (5) GEUNYANG GARA led last time before knocking up fast. She draws better today and was a winner at this distance at class 5 level two outings back. (9) TROT QUEEN and (8) BLUSHING ROSE others who can place.

Selections	(4) Hey Cupid (2) Jechuk Iho (5) Geunyang Gara (9) Trot Queen

Busan Race 4: Class 4 (1600M) Handicap / KRW 60 Million

Tricky one. (7) STEALTH MODE enters off a 2nd place at this class over 1800M on February 28th when leading early only to go down emphatically to a very good winner (Oasis Red) He comes back to a trip at which he has a win, a 2nd and a 3rd from three attempts and from on the pace, he can be the one to beat. (2) AMUR also has an excellent record over the mile with a win and a runner-up finish from just two tries. That 2nd place was last time out on February 14th when handy throughout and briefly striking the front at the top of the straight. He is drawn nicely and can be a big danger. (11) TROUBLEMAKER has a 2nd and a 3rd from her latest two and can cause some trouble again on what will be her first crack at two turns. (6) WORLD WINNERS MAN and (8) CHEONGMA HWANGHU are others to consider.

Selections	(7) Stealth Mode (2) Amur (11) Troublemaker (6) World Winners Man

Seoul Race 7: Class 4 (1700M) Handicap / KRW 60 Million

Stick a pin in it stuff here. Our pin alights on (4) TAMRA CHOEGANGJA who does appear to be working himself back towards a second win with a 3rd and 2nd in his latest two, most recently his first try at this class and distance on March 1st when coming from well off the pace. He should have benefited from that and can go one better. (8) BRIGHT WINNER has back-to-back 2nd places from her latest two at 1700M and 1800M. They have been in contrasting styles but in this company, she should be on pace and has as good a chance as any. (2) BISANG DAY is two for two and comes rapidly up in class. Both those wins were at 1200M so she is also up significantly in distance but she can measure up. (7) ÉCLAIR POWER and (6) PURGE KING among plenty of others with solid claims.

Selections	(4) Tamra Choegangja (8) Bright Winner (2) Bisang Day (7) Éclair Power
Next Best	6, 10

Busan Race 5: Class 1 (2000M) Handicap / KRW 110 Million

Class 1 but with a ratings cap of 95. (9) BEOLMAUI MONSTER has only missed the top four on two occasions from sixteen starts and comes in here having won his latest three at 1800M and 2000M. He tackles class 1 for the first time but given the cap, he should be very competitive again. (2) GRAND SUN has run 2nd in each of his last three, all at this class and all at 2000M, each time with plenty of today's rivals behind him. Under today's conditions, he comes up a full 5.5kg in weight but shapes as the main danger to breaking Beolmaui Monster's streak. (7) MACH TITAN was 3rd behind Grand Sun having led for much of the way around and the veteran should be there or thereabouts again. (6) STAR MATTA and (10) TOP FIRE others in the placing frame.

Selections	(9) Beolmaui Monster (2) Grand Sun (7) Mach Titan (6) Star Matta
Next Best	10, 5
Fast Start	1, 7, 9, 10

Seoul Race 8: Class 4 (1600M) Handicap / KRW 75 Million

Fillies and mares only here. (5) GEOLJAK DREAM comes in having beaten three of these on her way to 2nd place at 1400M on March 2nd, racing handy throughout. An apprentice takes her down in weight here and she can go one better. (1) AREUMDAUN SAI was 4th in that March 2nd race, settling right back and running on. She was also 4th on her only previous try at a mile in February and she looks to be the main danger. (10) SEOBU CHAMP hasn't run on in her latest two, but she carries a very light weight again and from the widest gate, can slot in behind the field and finish strongly here. (7) COMPLETE HEART and (9) ARCH MEMORY are others in the minor money hunt.

Selections	(5) Geoljak Dream (1) Areumdaun Sai (10) Seobu Champ (7) Complete Heart
Next Best	9, 2

Busan Race 6: Class Open (1600M) Special Weight A / Luna Stakes (KOR-Listed) / KRW 300 Million

The first leg of the Triple Tiara for three-year-old fillies. It's competitive but we'll go with the furthest along in terms of achievement so far and that's (2) FANTASTIC VALUE. She is the only one to have raced at class 3 level, which she did when 4th over 1800M on March 2nd, and she is one of just two here to have won over a mile, which she achieved at class 4 in January. She draws well, Seo Seung-un is on, and she can win. Moon Se-young presumable isn't in Busan for the riding fee on (7) FLYING DAY. She has two wins from three starts most recently at class 5 over 1400M and looks to have the potential to step up here. Like Fantastic Value, (10) LIME TREE is a class 4 winner and a winner over a mile, doing both on February 14th. A winner of three of her last four, she should be firmly in the frame. (4) HUIMANG RANI and (8) OKCHEON WIN STAR others who may step up.

Selections	(2) Fantastic Value (7) Flying Day (10) Lime Tree (4) Huimang Rani
Next Best	8, 7

Seoul Race 9: Class 3 (1400M) Handicap / KRW 75 Million

(2) JANGBI DAEUN is a winner of four from seven most recently two starts back at his class over a mile. She enters having run 4th at 1800M on February 8th when on pace throughout.

She has never raced at this precise trip but was a front-running winner over 1300M and she will be a short-priced favourite here. (4) MIGHTY SWEET was a winner over 1200M on debut at the end of December but was hard to load on her return in February and didn't show much interest. She draws well here and if she can get away well, she can be in this. (5) KING DIA has plenty of experience at this class and is one for one over 1400M. He'll be on the speed with every chance of being involved at the business end of the race. (3) ULTRA THUNDER and (7) MISS WIN STAR others in the frame.

Selections	(2) Jangbi Daeun (4) Mighty Sweet (5) King Dia (3) Ultra Thunder
Next Best	7, 6

Seoul Race 10: Class 3 (1800M) Handicap / KRW 75 Million

(8) YONGAM SESANG won four in a row, two either side of a six-month absence between June and December of last year. He stepped up to this class and distance for the first time on February 23rd to run a solid 2nd place and while he carries his fair share of weight today, he can go one better. (7) MAGLE DAY was a big priced class and distance winner on February 23rd, settling right back before running on very well. He comes up 2.5kg in weight but warrants more respect this time. (9) DAESEONG STAR was well back in the Sports Seoul Classic Trial at his latest start but prior to that won at 1700M at class 4 level in January, leading all the way, and under a very light weight, should be right in this. (10) POWERFUL SOCKS and (4) G MOTION others to consider at least on a place line.

Selections	(8) Yongam Sesang (7) Magle Day (9) Daeseong Star (10) Powerful Socks
Next Best	4, 1
Fast Start	3, 8, 9, 11

Seoul Race 11: Class 1 (1800M) Handicap / KRW 110 Million

Class 1 but with a ratings cap of 95. (2) HERO FIGHTER is a winner of three of his last four, most recently at this class over a mile on January 19th when leading from gate to wire. He is a two-time winner at 1800M already, and while he is up a full 5kg in weight, in this company he will be a warm favourite to strike again. (11) MIGHTY CHIP came through to score confidently at this class over 2000M on February 23rd. He too is up in weight to the tune of 4kg, but the wide draw shouldn't be a problem, and he can be a danger. (3) JANGSAN MONSTER was 4th behind Mighty Chip in that February 23rd race. Three of his four victories have come at this trip and while he loves coming 3rd – he has done it twelve times – better

shouldn't be ruled out. (10) HANGANG POWER and (4) SARYEONI FIRST, who has been through two trials since his latest outing, others to consider.

Selections	(2) Hero Fighter (11) Mighty Chip (3) Jangsan Monster (10) Hangang Power
