**Seoul Race 1: Class 6 (1700M) Special Weight A / KRW 30 Million**

(4) BLUE SUN has shown steady progress across four starts to date, culminating in 2<sup>nd</sup> place when tried at this distance for the first time on June 28<sup>th</sup>. He will be a short price to go one better over this field. (6) THUNDER LUCKY has run 3<sup>rd</sup> in both his latest two starts, coming from off the pace. He is yet to finish in the top two but has seven finishes between 3<sup>rd</sup> and 5<sup>th</sup> and should be in the mix again. (2) SAVANA CHARLIE similarly hasn't troubled the quinella in twenty-four appearances but has no fewer than fourteen 3<sup>rd</sup> to 5<sup>th</sup> finishes. He does have a 3<sup>rd</sup> to his name at this distance and can be competitive here. (7) BLACK SMILE and (3) ALPHA FEMALE others to consider.

<b>Selections</b>	(4) Blue Sun (6) Thunder Lucky (2) Savana Charlie (7) Black Smile
<b>Next Best</b>	3, 8
<b>Fast Start</b>	1, 3, 4, 6

**Seoul Race 2: Class 6 (1000M) Special Weight A / KRW 45 Million**

Juvenile maidens with all but one racing for the first time. (9) EVERY TIME ran a close 2<sup>nd</sup> in his trial, showing on pace throughout and stopping the clock in a quick time. If he brings that form to the races, he can win. (10) DANAEEUN RUBY is the first runner to make the track by 2018 Champion Juvenile King Socks. She too looked good in her trial showing on pace and running 2<sup>nd</sup>. Her sire was a nine-length winner on debut and Danaeun Ruby can get him off to a good start here. (5) BEST PITCH went through two trials and in the second of them clocked the fastest time of all of these. He came from off the pace both times and should be a big danger late on. He may start as the betting favourite. (3) SEVEN KAISER led his heat and can do the same again while we shall assume the sole one with experience, (8) CLUTCH MAN, can improve.

<b>Selections</b>	(9) Every Time (10) Danaeun Ruby (5) Best Pitch (3) Seven Kaiser
<b>Next Best</b>	8, 4
<b>Fast Start</b>	3, 8, 9, 10

**Seoul Race 3: Class 4 (1200M) Special Weight A / KRW 75 Million**

Maiden for imported northern hemisphere two-year-olds and southern hemisphere three-year-olds with six of the twelve racing for the first time. (3) SMILE DAY was ordinary on debut

but ran a much-improved 2<sup>nd</sup> at start two at 1000M on July 13<sup>th</sup>, leading for most of the way and beating three of today's rivals. He draws well to lead again, and this time can go all the way. (4) EAST BEACH went through two July trials winning them second of them when leading all the way. If he brings that form to the races, he can be a chance. (11) CRAZY STAR debuted behind Smile Day on Jul 13<sup>th</sup> and while he was well back he has since gone through two trials in fine order and can be a different proposition this time around. (8) NARO MA STAR and newcomer (5) MY MUNNINGS others to look out for.

<b>Selections</b>	(3) Smile Day (4) East Beach (11) Crazy Star (8) Naro Ma Star
<b>Next Best</b>	5, 2
<b>Fast Start</b>	3, 4, 7, 11

### Seoul Race 4: Class 6 (1200M) Special Weight A / KRW 30 Million

Fillies only in this maiden. (1) SMILE NAMSAN ran 2<sup>nd</sup> on debut in a very similar race to this on August 3<sup>rd</sup>, racing handy for most of it. She should have come on for that run and she will be the one to beat here. (10) JISAN FRIEND seems to be figuring things out with a 2<sup>nd</sup> and a 3<sup>rd</sup> from her latest two, both in similar races to this. Today's company is no more taxing and she should be there or thereabouts again. (3) WONDERFUL TUNE UP ran 4<sup>th</sup> behind Smile Namsan on August 3<sup>rd</sup> coming from off the pace. She comes into a better gate today and can continue to make progress. (9) RAON FINAL has won a trial since her underwhelming debut and can be given another chance. (2) MUNHAK DAESE another who can improve.

<b>Selections</b>	(1) Smile Namsan (10) Jisan Friend (3) Wonderful Tune Up (9) Raon Final
<b>Next Best</b>	2, 4
<b>Fast Start</b>	1, 8, 9, 10

### Seoul Race 5: Class 5 (1800M) Handicap / KRW 45 Million

(10) GHOST CHRYSOL is yet to win in seven attempts, but he has three runner-up finishes including his latest on July 13<sup>th</sup> at this class and distance when only narrowly beaten having led close to home and ahead of a couple of today's rivals. CC stays on and he can go one better. (11) FASHION STAR was a class and distance winner on July 27<sup>th</sup>, coming from well off the pace. He comes up 3kg in weight, but the wide draw should be no problem and a repeat isn't impossible. (6) WONDERFUL TECHNO is three starts into a comeback following almost a year out. He stepped up to two turns for the first time on August 3<sup>rd</sup>, running 2<sup>nd</sup> over 1700M, and he can be in the mix today. (5) MAGIC WITH YOU and (1) GRATITUDE other place chances.

<b>Selections</b>	(10) Ghost Chrysol (11) Fashion Star (6) Wonderful Techno (5) Magic With You
<b>Next Best</b>	1, 7
<b>Fast Start</b>	1, 5, 7, 8

### Seoul Race 6: Class 5 (1400M) Handicap / KRW 45 Million

(3) BURUI SEGYE took eight goes to get his maiden win but he evidently enjoyed it as he promptly followed up with another at this class and distance on July 5<sup>th</sup>. He comes up 3kg in weight but that's balanced a little by a very nice draw, and he can complete his hat-trick here. (7) SEOUL NONGBU got his maiden win at start number three over 1300M on June 28<sup>th</sup>, racing handy throughout. He comes up in class and in distance here, but he's down in weight and he can measure up. (10) BEOLGYO DESTINO returned from six months out to run 4<sup>th</sup> at this class over 1200M on July 26<sup>th</sup>. He should strip fitter for that run and can be in the finish today. (5) TIGER K and (11) POSEIDON BLUE others in the frame.

<b>Selections</b>	(3) Burui Segye (7) Seoul Nongbu (10) Beolgyo Destino (5) Tiger K
<b>Next Best</b>	11, 2
<b>Fast Start</b>	3, 4, 5, 6

### Seoul Race 7: Class 4 (1200M) Handicap / KRW 60 Million

(1) KEIDRAGON was an all the way winner on debut at this class and distance on July 19<sup>th</sup>, scoring by as many as he pleased with a few of today's rivals back down the track. Je comes up a full 4kg in weight, but he draws well, and the manner of that win suggests that there is more to come. Also impressive on debut was (6) SYDNEY YEONGUNG. He won on July 13<sup>th</sup> over 1000M sitting just behind the speed and running through the line well. Up in distance but down in weight, he has plenty of potential. (4) TIARA SUA ran 2<sup>nd</sup> to Keidragon in that July 19<sup>th</sup> race having been a class and distance winner in May. She has 5-lengths to find on Keidragon but should have the beating of many of the rest. (5) GEOTSEN BIGMAN and (7) SAVANNAH GUN others to consider.

<b>Selections</b>	(1) Keidragon (6) Sydney Yeongung (4) Tiara Sua (5) Geosen Bigman
<b>Next Best</b>	7, 3
<b>Fast Start</b>	1, 3, 5, 11

### Seoul Race 8: Class 4 (1600M) Handicap / KRW 60 Million

(4) RISING MO was 2<sup>nd</sup> in the Luna Stakes at a mile in Busan in March before being only ordinary in the final two legs of the Triple Tiara. She returned to regular races with a 3<sup>rd</sup> place at this class and distance on August 3<sup>rd</sup>, coming from well off the pace, and she can return to winning ways today. She will need to overturn the form on (6) LAFAYETTE, who won that August 3<sup>rd</sup> race, settling midfield and running on. He carries his fair share of weight this time but his form is good, and a repeat would be no real surprise. (7) GLOBAL SERVE was a winner at this class on July 27<sup>th</sup>, making all over 1300M. He tackles the mile for the first time and there is no reason why it can't suit. (5) AUSTIN LEADER and (10) STING JET others who can be had on a place line.

<b>Selections</b>	(4) Rising Mo (6) Lafayette (7) Global Serve (5) Austin Leader
<b>Next Best</b>	10, 3
<b>Fast Start</b>	2, 3, 7, 10

### Seoul Race 9: Class 3 (1600M) Handicap / KRW 75 Million

(7) HAKSAN DARK HORSE has seven top-three finishes from ten starts. He has run 2<sup>nd</sup> on each of his latest three and while that brings him up in class, he comes down a whopping 6kg in weight, and he can go one better today. (2) DREAM HONOUR came from well off the pace to run a strong 2<sup>nd</sup> in a quick race on July 20<sup>th</sup>. He does mix his form, and he comes up to a mile for the first time, but he looks a strong contender here. (5) TOHO SKY ran 2<sup>nd</sup> at big odds at this class and distance that same day, beating a couple of today's rivals. He remains under a light weight and CC being booked creates some interest in a repeat. (10) VISION POWER and (1) PALATINO others in the frame.

<b>Selections</b>	(7) Haksan Dark Horse (2) Dream Honour (5) Toho Sky (10) Vision Power
<b>Next Best</b>	1, 4
<b>Fast Start</b>	1, 3, 8, 9

### Seoul Race 10: Class 2 (1800M) Handicap / KRW 90 Million

(7) TAEPYEONG HERO was 4<sup>th</sup> over 2000M on his first try at this class on July 12<sup>th</sup>, showing on pace and leading close to home. He comes up in weight, but he comes back to a distance at which he won over two starts back at class 3 level in June. Maia knows him well and they can win here. That will require overturning the form on (11) MAGLE DAY, who threaded a way through late to win that July 12<sup>th</sup> race. He gets hammered by the handicappers and

accordingly has 6kg more to deal with here, but he has won over this distance and shouldn't be dismissed. (1) MANDAERO rarely runs a bad race and is at least a solid place chance. (3) GIANT PUNCH and (5) BULUI NALGAE others in line for the minors.

<b>Selections</b>	(7) Taepyeong Hero (11) Magle Day (1) Mandaero (3) Giant Punch
<b>Next Best</b>	5, 10
<b>Fast Start</b>	2, 3, 6, 9
